

Fred Haney Names Spahn As Starting Pitcher Today

Only seven pitchers have won three or more games in a best-of-seven series. The last left-hander was St. Louis' Harry Brecheen against Boston Red Sox in 1946 and his third was on relief.

ARM IS LOOSE
"My arm feels loose," said Spahn as he took the field for the workout under overcast skies. It was much warmer, however, than it was Monday in New York. The temperature at midday was 71 degrees, with showers predicted. The forecast for today is partly cloudy and mild with a high in the 70s.

Spahn said he didn't think he would be affected by the short rest. "I had my stuff Sunday. It was a fairly easy game for me. The tough ones are when you lose or have to struggle. But I can't remember when I pitch with only two days rest."

Against a righthander, Haney will play Bill Bruton in centre and Frank Torre on first base. Andy Pafko and Joe Adcock sit out against the righties.

If Stengel can skin through today's game with Larsen, Ditmar and perhaps Ryne Duren and Johnny Kucks too, he will have a rested Whitey Ford and Turley for a seventh game.

Big money rides on each pitch as they head into the sixth game. The winners will split about \$318,000 and the losers about \$208,000, to say nothing of the endorsement cash and extra money for winter appearances by the world champions.

BRUTON SETS PACE
Bruton, more respected as a defensive man than a dangerous hitter, leads both clubs with a .500 average. Although he has started only three times, he has appeared in all five games.

Del Crandall is having an excellent series, hitting .294 and doing a fine job behind the plate. However, he has struck out six times. Hank Aaron (.263) also has fanned six times and has yet to drive in his first run.

Eddie Mathews, the most feared of Country Stadium, Stengel said he wouldn't name his starter until today after he watched his men warm up.

"You've got to get a pitcher to compare with Spahn," said Stengel. "Ford told me he is ready. I'm going to talk to Larsen. I don't like to use him with two or three days rest. He has had a sore arm ever since I got him."

Experts to pitch
"I think Ford expects to pitch. He always thinks I've got a weak head if I don't pitch him. They kicked away a game for him, otherwise we'd be ahead of them."

But then Ditmar is the best rested. If Ford works, he also will be pitching with only two days off. He was beaten Sunday by Spahn when Norm Siebern mopped up three or four fly balls.

Larsen, the big righthander who pitched the perfect game in 1956, whipped the Braves Saturday 4-0. However he has been troubled by an inflamed elbow all season.

Casey did say before the workout that Elston Howard, whose catch saved Bob Turley in Monday's game, would be in left field and Yogi Berra would catch.

The decision to pitch Spahn was announced after a clubhouse meeting that lasted only three minutes. All Haney needed was a chance to ask Spahn if he was ready.

"I had Spahn in mind all along," said Haney. "But I didn't know for sure until I talked to him."

Spahn, who won the 10-inning opener last Wednesday 4-3 and then shut out the Yankees with two hits 3-0 Sunday, could match the 1957 feat of his roomie, Burdette.

Misunderstanding Blamed For Scandinavian Reports

SAN FRANCISCO (AP)—A misunderstanding over cross-country ski plans for the 1960 Olympic winter games at Squaw Valley, Calif., was blamed Tuesday for Stockholm reports that some Scandinavians were unhappy over the way things are going.

"I am certain these reports are the result of a misunderstanding," said Wendell Broomhall of Rumford, Maine, the organizing committee's technical advisor for cross-country events.

He said he has followed the advice of such European advisors as Knut Korsvold of Norway, technical delegate appointed by the International Ski Federation, and Sigge Bergman, chairman of the Federation Internationale de Ski cross-country committee.

In Stockholm Tuesday Bergman denied published reports that he had said Scandinavians might boycott the California winter games but added that he is worried about what he called tensions.

Brundage, at his Santa Barbara, Calif., said there was a "little unpleasantness" at Squaw Valley but "to my knowledge it has been settled and I assume everything is quiet now."

He said the replacing of Bartholemey with King was strictly a matter within the Squaw Valley Olympic Games Organizing Committee and not of specific concern to the International Olympic Committee.

Winnipeg (CP)—Halfback Jack Hill of Saskatchewan Roughriders continues to pull slowly away from the field in the individual scoring race in the Western Interprovincial Football Union.

A nine-point performance during the weekend put Hill 16 points ahead of runner-up Charlie Shepard of Winnipeg Blue Bombers, who managed only one touchdown in two games.

Statistics compiled by the Canadian Press showed that Hill leads the pack with 7 points on nine touchdowns and 20 converts. Shepard has nine touchdowns and eight singles for his 62 points.

Place-kicking end Joe Mobra of Edmonton Eskimos moved back into third place as he hit for a touchdown, two converts and a single in Esk's lone weekend game. Mobra has 54 points, five better than teammate Jackie Parker and quarterback Jim Van Pelt of Bombers.

Warm Weather Predicted For Today's Game
MILWAUKEE (AP)—Clouds and warm temperatures are predicted for Milwaukee this afternoon when a New York Yankees and Milwaukee Braves play the sixth game of the world series.

The weather bureau expects partly cloudy skies with a chance of a shower in the late afternoon or evening. The temperature at game time is expected to be 65 to 70 degrees, with the highest afternoon reading in the mid 70s.

Rain fell in Milwaukee Tuesday afternoon.

WARNING!
It is the can't-be-acquainted instinct to react instantaneously to the barest opening by which the opposition betrays itself. It had won for Joe every other major event the sport offers, and last week it won the Jug. In a flash of opportunity and response, the race was over. Just that quickly.

Joe and his horse, Shadow Wave, had drawn No. 12 post position in a twelve-horse field. That meant that he would start on the outside in the second tier of horses behind the gate. On any track, this is bad, on Delaware's saucerlike track, with hardly a straight stretch for passing a horse, it was terrible. As the gate approached the starting line, the No. 5 horse in the front tier lagged a step or two behind. There was a slice of clear daylight. It might be wide enough for a sulky. Joe O'Brien went through it like a bullet through wet paper.

"There is no intent to slight a game colt like Shadow Wave, who paced all-out with little urging, but he was given the quiet move. In the winner's circle, later, the crowd of photographers met the quiet man from Prince Edward Island. "Come on, Joe - a big smile," they called repeatedly. Joe would give it a

SEVERAL LENGTHS
His half in 58 1-5 was certainly going some, and if he had been pressed he might have continued and possibly might have taken a world's record for a three-year-old pacer, as it was, he was several lengths ahead.

On September 27, in the Hanover Filly Stake for three-year-old pacers, purse \$16,278.75, Joe sprang a real surprise with Sunbelle, by the Camp-owned sire "Mighty Sun" that Joe had given a record of 1:58 4-5 while owned by the Camp Farms. Up to the start of this season Mighty Sun had only one performer—My Last Buck, 2, 2:13 1-5, but now real notice will be taken of him.

The Hanover Stake was raced in two divisions. The first division was won by Widow's Dream, by Night Dream, driven by Al Winger, time 2:01 1-5, with Sunbelle (O'Brien) 2. The second division was won by Kwik, driven by C Kirkpatrick, time 2:03 2-5. This pacer had shown up particularly well in the Little Brown Jug that Shadow Wave won at Delaware, Ohio, a short time previously.

The horses placing in each division met in the third race, and Sunbelle (O'Brien) was 1, Widow's Dream (Winger) 2, High Time (Ervin) 3, time 1:59 4-5—certainly some record for a three-year-old pacer that hadn't been given much consideration until recently. She is, of course, owned by the Camp Stable.

CHANGE OF SCENE
Der, Elmer G. Phillips, Summer. We wish to thank a valued reader, Elmer G. Phillips, Summer, P.E.I. for a recent copy of "Sports Illustrated" which has a page with a wrioup entitled: "The Unsmiling Irishman". The sub-heading is: "Joe O'Brien, a shy little man, with a big, explosive talent won the Jud in a quick move."

SO EVERYTHING is set for the big opener with St. Mary's on Monday. It is hoped that a very large crowd will be on hand for his historic occasion, the entry of Saint Dunstan's into Canadian football.

How about all you old rugby fans jumping on the band wagon?

DOWN THE BACK STRETCH

Dr. George Bishop continues sending scorecards of the Lexington races, and Joe O'Brien continues winning. In the Dodge Stables Pace, purse \$6,900, on September 26, the three-year-old Shadow Wave was 1-1, winning handily in 1:59 2-5 and 1:58 1-5.

In the first dash he paced the last quarter in 23 2-5 seconds—certainly a terrific brush and in the second, which was his record mile, he was at the quarter in 29, the half in 58 1-5, the three-quarters in 1:28 4-5 and the mile in 1:58 4-5—a new record for Shadow Wave.
