

SHALOM

This is the first of a series of articles on the Coffee Houses which are now operating in Charlottetown. We decided it was about time the students of this university were given an idea of some of the places to go other than the movies around here.

The old Subway is now open but is now called Shalom. For those of you who don't know, it is located in the basement of the Kirk of St. James. The atmosphere created by the setup and entertainment make Shalom a place to drop into if you have time on Sunday nights. Eric Chandler, Bernie Mullin, Jim La Flood and Wissey Edwards were the entertainers last Sunday night and they on the whole did an adequate job.

Eric Chandler does a good job with a guitar but because of lack of time to prepare for the show he didn't come across as well as he could if he had more time.

Bernie Mullin made a very good showing for her first time out and we hope to see her again in the future. Although she was nervous she showed great potential.

Jim La Flood played a few instrumentals and generally did a good job showing his experience and coolness with a guitar in front of audiences.

Wissey Edwards played a lot of Elvis Presley hits and a few Johnny Cash songs. He did more than his share in creating a relaxed atmosphere.

Generally the report from here is that if you want a change, try Shalom. The atmosphere is relaxed and the entertainment looks like it will be worth taking in.

ODDS AND ENDS

The sixth weekly night of volleyball competition in the PEI Men's Volleyball League took place at CFB Summerside on Thursday night, Nov. 4. The UPEI team continued to hold their own over the fourth place CFB team by winning two of their six games played, while CFB narrowed the gap slightly by winning three games.

The Senior "Y" Micmacs, who were formerly called the Ripoffs, continue to dominate the league, followed by the "Y" Pumas, the former Is-

HOCKEY

The Hockey Panthers gained more experience than glory at the StFX Invitational Hockey Tournament, held at Antigonish on Nov. 5 and 6. The UPEI team dropped their first game 7-6 to the heavier and more experienced Dal. Tigers on Friday night, but they were able to eke out a 6-5 win over Acadia to take the consolation event.

Upcoming games for the Panthers will take them to St. John's, Nfld. on Nov. 13 and 14 to meet the Memorial University Beothuks, and to Antigonish and Halifax on Nov. 19 and 21 to meet the X-Men and the Tigers.

ENDS

THE BARN

It has been noticed that the condition of "The Barn", as far as its tidiness is concerned, has deteriorated greatly in the last few weeks. There has been a general disregard for the equipment available, the tables and floors being misused by having food, cigarettes, etc, left on them (or should we say, dumped on them)

The washrooms, too, have been the subject of much carelessness by the students, especially the ladies washroom. Mirrors have also disappeared from the washrooms. We have been notified by the Student Union that if these abuses do not stop, it will necessitate an increase in student fees for next year and, or rewards will be given to anyone reporting breaks, thefts, or damages to any student property (for example at the Pig'n Whistle). These should be reported to the Student Union, if there is enough evidence to support a conviction.

PLEBISCITE

The Student Union has announced that a plebiscite will be held on Monday, November 15th concerning student views on the location for the home games of the UPEI Panthers. The question will be:

"DO YOU WANT THE U.P.E.I. PANTHERS HOCKEY TEAM TO PLAY THEIR HOME GAMES AT THE CHARLOTTETOWN FORUM? YES OR NO.

Ballot boxes will be set up in the Library, the Barn and other strategic points around campus. Please let your opinions be known!

ALL STAR

Congratulations to Steve Bednar of the UPEI Football Panthers team on his selection to the all-star tackle. It does seem strange that there were no other Panthers chosen for the team. UNB, Acadia and Dalhousie all finished behind UPEI in the conference standings, yet they all managed to have more than one player selected to the all-star teams.
