Dulles, Rhee Agree On Mutual Security Pact

Soldiers Returning From Red Prison Camps Bring Stories Of Grim Experiences

By JIM BECKER
FREEDOM VILLAGE, (AP)—The stories told by soldiers back from Communist captivity turned grim Thursday.
A relative of the chief Allied armistice negotiator at Panmunjom said his captors tortured him in a futile attempt to wring military information from him.
The co-pilot of a downed Superfortress said he was tortured for four days.
A United States army corporal said he saw 1,500 of his comrades buried in the brutal winter of 1950-51, dead of starvation, freezing or neglect of wounds.

Coming Events

- **Dance, Howe's Hall, Brackley Beach, Friday night.
- **Dance Beaver Hall, Montague, August 7th. Burns Orchestra.
- **Dance, Little Pond Hall, Monday, August 10th.
- **Festival and Dance, in Cherry Hill School, Friday, August 7th. Home-made ice cream.
- **Try our Purina Finance Plan for feeding your pigs and poultry. Dillon & Spillett.
- **Dance every Friday night, South Rustico-Hall. Canteen service. Charlottetownians Orchestra.
- **Bonshaw Inn. Our special for Sunday evening is Roast Spring Capon Chicken with new vegetables.
- **Pantry Sale, August 8th, Moore & McLeod. Ladies of Brookfield Church.
- **Dance in St. Peter's Legion Hall Friday, August 7. Chaisson's Orchestra.
- **Pantry Sale. Fennell and Chandlers, Saturday, August 8th, 2.30. Aid of Kingston L. O. B. A.
- **Inman Reunion, Augustine Cove Camp, Friday, August 7th, 1.30 P. M.
- **In stock, new improved Fly Spray for cattle, Greenhead binder, wine, cattle salt. All kinds potato spray. Dillon & Spillett.
- **Master Feeds—Another car arriving Prince Edward Island Fur Pelt Ltd., Summerside. It's results that count.

- **Show, Morell Hall, Friday and Saturday. "A Queen is Crowned." Shows on Friday 7 and 8. Saturday 8.30. This is the Coronation in technicolor and everyone young and old, should see it.
- **Showing at Mt. Stewart Saturday night "Calling Bulldog Drummond". A Scotland Yard Mystery Story with Walter Pidgeon and Margaret Leighton. Owing to renovations in progress at the theatre there will not be the usual Friday night show this week.

Will Discuss Unification of Korea Today

By ROBERT TUCKMAN
SEOUL (AP)—United States state secretary Dulles and President Syngman Rhee, with a mutual security pact apparently ready for signing, turn today to the explosive question of unification for Korea.
Dulles was calling on Rhee at 10 a. m. (9 p. m. Thursday, EDT) for the third formal meeting since the American diplomat's arrival Tuesday.
It was the last such conference scheduled although Dulles said he might see Rhee a fourth time just before he departs Saturday around noon.
Dulles said Thursday's meeting was devoted largely to discussion of the vast program of economic aid planned by the United States to rebuild war-wrecked South Korea.
The other major objective of the Dulles mission, to negotiate a security treaty between the United States and South Korea, seemed near settlement.
Subordinates of Dulles and Rhee on a special committee have been working for the last two days on the treaty's provisions.
They reported their work nearly finished and the pact could be concluded before Dulles and his party leave.
The treaty, which must be approved by the U. S. Senate, would commit the United States to come to the aid of South Korea in the event of a new Communist attack.

28,346 Acres Entered In PEI For Seed Potato Inspection

By DOUGLAS B. CORNELL
WASHINGTON (AP)—President Eisenhower reported to the people Thursday night the administration is adhering firmly to the goal it set six months ago although it had not yet "conquered all the problems of our nation."
The chief executive spoke over all radio networks.
As he analyzed things:
"The future, both immediate and distant, remains full of trial and hazard."
"The end of our staggering economic burden is not yet in sight."
"The end of the peril to peace is not clearly in view."
But he said there is in sight a firm and binding purpose guiding all objectives and deeds.
"This purpose," the president said, "is to serve and to strengthen our people, all our people, in faith in freedom and in quest of peace; and to strengthen all other peoples who share with us that faith and that quest."

Two Precious Victories

In the field of foreign relations, Eisenhower said that the Korean truce has produced "two precious victories."
First, he said, it has been shown that the free world can and will meet aggression in Asia—"or anywhere in the world."
Second, he said, we have won the chance to show that free people can build in peace as boldly as they fight in war.
Eisenhower went back to the State-of-the-Union message he delivered to Congress six months ago to describe the major purposes of his administration and then to report as he sees it, what is being done to carry out these purposes.
He mentioned use of U. S. influence in world affairs in a way to deter aggression and eventually attain peace. He spoke of establishing a national administration of integrity and efficiency that would be honored at home and respected abroad.
He listed, too, encouragement to creative initiative in the nation's economy and a dedication of the administrative to the well-being of all citizens.
"These purposes," he said, "give meaning and sense to all that has occurred in these last six months. We have adhered firmly to these purposes."

Naval Training Scholarships

TORONTO, (CP)—Winners of six university naval training division scholarships valued at \$250 each were announced Thursday by T. D. Kelly, chairman of the scholarship committee of the Navy League of Canada.
They are: A. E. Skinner of Eastview, Ont. to Carleton College, Ottawa; A. S. W. Stiles of Edmonton to the University of Alberta; R. A. Ferguson of Edmonton to the University of Saskatchewan; W. L. Bolduc of Wainwright, Alta. to the University of Alberta; D. C. Langille of Yarmouth, N.S., to Acadia University and Phillip P. Ney of Qualicum, B.C. to Victoria College, University of British Columbia.
Awarded to qualifying members of the Royal Canadian Sea Cadet Corps, the scholarships require recipients to enrol in university naval training divisions.
COBOURG, Ont. (CP)—Ploymen from 12 countries will compete here Oct. 9 for the "Golden Plow" emblem of the world championship. It was announced Thursday. Entries have been received from Belgium, Denmark, United States, Britain, Northern Ireland, the Republic of Ireland, Norway, Sweden, Finland, The Netherlands, West Germany and Canada.

Eden To Holiday In South of France

LONDON (Reuters)—Foreign Secretary Anthony Eden will fly to the south of France Saturday for a week's visit before going on to Greece for the last stage of his convalescence. Eden, 56, is recovering from three major gall bladder operations this year.

Will Compete For "Golden Plow"

COBOURG, Ont. (CP)—Ploymen from 12 countries will compete here Oct. 9 for the "Golden Plow" emblem of the world championship. It was announced Thursday. Entries have been received from Belgium, Denmark, United States, Britain, Northern Ireland, the Republic of Ireland, Norway, Sweden, Finland, The Netherlands, West Germany and Canada.

Man Lost Nine Days In Mountain Area Is Safe

JASPER, Alta. (CP)—An ambulance waited here late Thursday for 32-year-old Alex McCoubrey to be brought out of the treacherous Athabasca pass area about 35 miles south of here, where he reportedly lived on mountain berries for nine days after becoming lost July 28.
He was found earlier in the day "well but weak" by search parties who were ready to abandon their search.
On July 27, he was one of a group that began an ascent on Brown Peak, near famous 10,782-foot Mount Hooker, as part of a camp program of the Alpine Club of Canada.
First reports indicated he turned back down the slope of Brown Peak after the party completed 6,000 feet of the climb. Later word from the area said he disappeared during the descent.
McCoubrey, who has been climbing with professional groups since the 1930s, was to be brought as far as the Columbia icefield highway by litter. The party that found him was reported to have horses with them.
A messenger who brought the news here early Thursday said McCoubrey was found on the western side of the mountain.

War Prisoners Stage Riots To Be Built On Land Obtained From Sanatorium Commission

TOKYO (AP)—Mass rioting by 12,000 North Korean Communist prisoners of war was put down Thursday by United Nations guards who used gas and small arms fire, the UN prisoner of war command announced today.
At least one prisoner was shot to death and four were injured in the first of a series of demonstrations that began at 4 p. m. Thursday.
A block of land has been secured from the Provincial Sanatorium Commission for the erection of a Composite Junior High School for Charlottetown, it was announced last night by Dr. R. G. Lea, chairman of the City School Board. The land lies immediately north of the Sanatorium and has a frontage of 350 feet on North River Road and a depth of about 750 feet approaching the level of McGill Terrace.
The transfer of land from the ownership of the Sanatorium Commission to the school Board followed negotiations between two bodies and with the approval of the Provincial Government.
It was also announced that at a meeting between members of the School Board building committee and the architects (Messrs. E. H. Blanchard, Charlottetown, and William Downie, Halifax) final approval was given to the preliminary plans.
Work is now proceeding on detailed plans and specifications preliminary to calling for tenders. It is anticipated that tenders for excavation and foundation will be called later this month.
Present plans call for the erection of a one-story, U-shaped building fronting on North River Road. Provision is being made for 18 academic class rooms in addition to space for vocational arts and household economics, combined auditorium and gymnasium.
The ground lends itself very suitably for the type of building planned and has surroundings sufficient for a playing field, Dr. Lea states. Access to the building may be by way of Maple Street and McGill Terrace as well as North River Road.
It is hoped to have the building for occupancy for the Fall term of 1954.
The School will provide facilities for the pupils of Grades VII to X presently enrolled in the existing schools.
As previously announced, it is the School Board's intention to continue the present system of providing educational facilities to the end of Grade X at Rochford Square School, and to accept on a rental basis a school to be erected by the Roman Catholic Episcopal Corporation for the accommodation of those pupils now enrolled in Grades VII to X in Queen Square, provided the building is subject to School Board approval as to the details of plans and estimated cost and that the basis of rental be subject to agreement.

Time Running Out For Missing U. S. Airmen

(By Tom Ochiltree)
LONDON, (AP)—Time was running short Thursday night for 14 American airmen missing in the storm-lashed North Atlantic since their 10-engine reconnaissance bomber crashed before dawn Wednesday. Hopes for their survival dimmed among sea and air searchers.
Four of the giant craft's 25-man crew have been found alive by ships directed to the area of the crash 500 miles south of Ireland and 300 to 500 miles west of Ireland. The bodies of five others were recovered from seas that reached 15 feet in height. The survivors and the dead were being carried back to British ports.
The 180-ton RB-36 was on a training flight to England from Travis Field, Calif., when it was fatally crippled by an engine fire. The big bombers, largest in the world, are powered by six propeller driven engines and four jet engines.
Twenty-five searching U. S. Air Force planes braved foul weather to criss-cross a 200-mile area at low level in quest of survivors.
Although the weather was subsiding a bit toward evening, seas were still running 11 feet high. Hopes dimmed that the missing airmen could survive another night in the icy sea, even though they may be afloat on one-man dinghies, rafts or in 32-foot lifeboats dropped by the rescue craft.

\$50,000 Slander Action Filed

MONTREAL (CP)—A \$50,000 slander action was filed Thursday in Superior Court by Hector Dupuis, Liberal candidate in Montreal Ste. Marie in Monday's federal election.
The action, third of a series involving candidates in the constituency, was based on alleged damaging statements said to have been made by Leo Fournier, at a rival candidate's meeting. Fournier was not further identified in the action.
Wednesday, Mr. Dupuis' son, Yvon, Liberal member of the Quebec Legislative for Montreal Ste. Marie, lodged a \$50,000 libel action against Jean-Paul Boisjoly, Progressive Conservative candidate in the riding.
Yvon Dupuis alleged that he was libelled in a number of political speeches by Mr. Boisjoly.
Mr. Boisjoly Monday took a \$10,000 slander action against Hector Dupuis.

LEAVES FOR SCOTLAND

LONDON, (Reuters)—Princess Margaret left London by train Thursday night to join the Royal family on holiday at Balmoral Castle, Scotland.

130,000 Breach Red Blockade For Food

BERLIN (CP)—Communism took a new beating from defiant East Germans Thursday.
The Red blockade of free American food in West Berlin was breached by 60,000 from five Russian-occupied provinces and 70,000 from East Berlin and its suburbs.
Desertions from the Soviet zone army and people's police set a record of 51 in a single day. The total for the year rose to 2,606.

Germany and made copies of it.

Engulfing Communists
The forgeries served as one indication that the tide of battle in the food war is engulfing the Communists. East Germans have re-buffed every Communist move to crush the relief program.
A ban on railroad travel through East Germany, imposed last Saturday, was eased unofficially Thursday after East Germans found other ways of reaching the West Berlin food centres.
Thousands flocked across the zonal boundaries for lard, flour, condensed milk and canned peas.
Communist authorities opened up their second rival food distribution centre in East Berlin Thursday morning but were forced to shut it down two hours later because of lack of food.

People of Hiroshima Pray For Peace

TOKYO (AP)—More than 300,000 people of Hiroshima quietly prayed for peace Thursday as they observed the eighth anniversary of the world's first atomic bomb blast over the city. Some 7,500 Japanese and Korean leftists staged a peace rally for the anniversary in another section of the city.

Social Credit Hopes To Hold Balance Of Power

By GEORGE KITCHEN
Canadian Press Staff Writer
EDMONTON, (CP)—The Social Credit party, striking to win the balance of power in Monday's general election, has confined its campaigning to a grass-roots campaign.
Many of its key candidates, from party leader Solon Low down, have stayed close to their home constituencies.
Party officials here say their candidates—71 across the country—have preferred to forego the fanfare of the big political meeting and have concentrated on door-to-door and farm-to-farm canvassing of their prospective constituents. They have preferred to address small groups—perhaps 10, 20 or 30 farmers out from the summer fields—depending on broad audience speeches to reach the larger audiences.
Mr. Low did not embark on a national tour in this campaign, although he spoke in a number of Ontario centres on his way west from Ottawa late in June. Like his followers, he has kept close to his own riding.
Here in Alberta, where Social Credit sprang to provincial power in the depression-riddled 1930s on a platform of far-reaching monetary reform, party spokesmen openly concede that they hope to hold the balance of parliamentary power after Aug. 10.
Mr. Manning told a rally at Lethbridge last week that the election might see the party for the first time in a position to exercise an effective voice in the program and policies of the next federal government.
He pointed to a possibility that neither the Liberals nor the Progressive Conservatives would win a majority in the new Parliament, leaving the Social Credit with an effective voice even though in opposition.
The party concentrated its 71 candidates in the West, running only nine east of the Manitoba border—eight in Ontario and one in New Brunswick.

TORONTO, (CP)—Minimum and maximum temperatures.
