

News Notes.

Pensions have cost the United States nearly \$1,300,000,000 since 1865. Of the seventy students attending the University of New Brunswick, thirty are ladies. The total yield of corn in Kansas the past season was 138,658,621 bushels, or 24.74 bushels to the acre. The great cotton strike in England will probably be settled, as the operatives have consented to consider a proposal for a temporary reduction of wages. The Information Secretary of state has been informed that all the ports of Hawaii have been thrown open to commerce without restriction of any kind. According to the accounts of Americans who have travelled in China beyond the treaty ports, their treatment is no better than that afforded to Chinamen in the United States. Cholera is dying more slowly in Russia than anywhere else. European and American health boards will have to keep their eyes turned to the east for many months yet. It was thought that Russia that Europe was infected, and the disease evidently finds a congenial home among the Czar's people.

Our Girls as Successful Women

A wealthy woman recently gave \$200,000 to establish a summer resort for poor mothers and their children. God bless her, this is only one instance among thousands where women have conceived and executed grand ideas. Women are rapidly entering every branch of the useful arts, and aspiring to every money making employment. What shall we do with our girls? It is no longer a nighty problem for mothers and fathers to solve. Some one has said "It takes a woman to set a hen," and so it does. The most successful poultry raisers are women. We have in mind a woman who has for years raised finer poultry and got more eggs from her hens at less expense, than her male neighbors,—practical men, too. Let your girls engage in the poultry industry, as many are doing. They will soon convince their fathers that girls are mighty handy persons to have about the old home. With the aid now offered any person can make hen lay even in cold weather. Out of twenty-four gold coin premiums offered last winter for best results, one third were won by the women who used Sheridan's Condition Powder for hens lay. For example Mrs. Henry Baker, Holliston, Mass., won \$10 and sent in 18 hens during the three months trial 1359 eggs; Mrs. L. J. Wilson, Northboro, Mass., got 3243 eggs from 100 hens; Mrs. Edwin Brown, East Greenwich, R. I., from 35 hens got 2454 eggs; Mrs. E. Bartley, Freeport, Pa., got 2929 eggs from 32 hens; Miss Ada L. Lewis, Mt. Sterling, Ill., from 15 hens got 886 eggs; and Miss Maggie Cross-horn, of Oshkosh, Va., got 2000 eggs from 30 hens; each of the last five ladies also won a \$5.00 premium from I. S. Johnson & Co., 22 Custom House St., Boston, Mass. Every person who sends this firm one \$1.00 for a can of Condition Powder, and desires it, can have his name entered as a competitor, if the premiums are again offered. For 50 cents they will send two 25 cent packs of Powder, for \$1.00 five packs; for \$2.00 ten packs; for \$5.00, express paid; a large can of Powder, also one year's subscription to Farm-Poultry, monthly, both sent postpaid for \$1.50. Sample copy of paper 5 cents. Send stamps or cash. Testimonials sent free. no22 dy61 wyl1

It is a singular fact that the cheapness of an article should even temporarily retard its sale, and yet that was the experience of Messrs. Tuckett & Son in the introduction of their now famous "Myrtle Navy" tobacco. People who had been in the habit of smoking the finest Virginia tobacco, could not for a time be made to believe that they were offered the same article at about one half the old price, and it was only by slow degrees that they were induced to put the question to the test of an actual trial. When they did adopt this test, however, it never failed to satisfy them. "Backache means the kidneys are in trouble. Dodd's Kidney Pills give prompt relief." JOHN A. KIMBALL. Neuralgia of the Heart! Chronic Dyspepsia! Awful Constipation! Rheumatism! CURED BY GRODER'S SYRUP

Saint John, N. B., October 11, 1892. To The Groder Dyspepsia Cure Co., Ltd., Montreal: I, John A. Kimball, of the City of St. John, in the Province of New Brunswick, do solemnly declare that I cannot speak in too high praise of the Syrup that Groder's Botanic Dyspepsia Syrup has worked in my case. It is an act of justice to the public to state that I have used this medicine through your just what your remedy has done for me. I am 45 years of age. My life during the past 23 years has NEVER BEEN FREE FROM SUFFERING UNTIL NOW. Since I began to take Groder's Syrup; KINDLY CHRONIC NEURALGIA OF THE HEART OF 23 YEARS STANDING has entirely disappeared. My distress from SEVERE CONSTIPATION has been an unending torture for the past ten years, but your remedy is fast restoring healthy action of the stomach. THAT TORMENTING RHEUMATISM of long-standing has ceased to trouble me. I am no longer a gloomy, melancholy dyspeptic. There is no ache or pain in any part of my body. My food digests readily and causes me no distress whatever. Your medicine is the first of the hundreds I have tried that has given me any relief. I am ready to answer any inquiry concerning this CURES statement, for I firmly believe in Groder's Syrup and desire other sufferers to obtain help as I have. It will cure them as it has cured me. And I make this solemn declaration conscientiously believing the same to be true, and in view of the "Act respecting extra-judicial oaths" of the City of St. John, in the Province of New Brunswick, this 11th day of October, A. D. 1892.
