Four hundred tourists were registered at the hotels in Montreal on Saturday.

REGULAR CONVOCATION for the election of officers will be held at Oddfellow's Hall, this evening, at 8 o'clock. The Grand G. R. Degrees will be conferred.

HEAVY forest fires occurred in different parts of New Brunswick on Saturday and Sunday last. The village of Vanceboro had a narrow escape from destruction by the fire in the woods which surrounded it.

CO-EDUCATION.—Rev. Principal Grant, of Queen's College, Kingston, recently expressed an opinion strongly in favor of opening all the College classes to ladies and of the co-education of the sexes.

MARY DAVY was summoned before the Stipendiary Magistrate, this forenoon charged with using abusive language towards Mrs. Strain. Mrs. D. denied the charge but the evidence was strong against her. She was fined six dollars. A case of disorderly conduct was also tried. The defendant was fined six dollars.

ERRATUM.—In Councillor Blake's remarks on the assessment by-law, the following sentence should read: "The rate of assessment proposed by Councillor Beer—one and a half per cent on real estate—was nothing more than twelve and a half per cent. on 'rental,' instead of on 'personal property,' as inadvertently published yesterday.

THE N. B. AND P. E. I. METHODIST CONFERENCE.—The New Brunswick and P. E. Island Methodist Conference meets in this city on Tuesday next. The Conference will be held in the Queen Square Methodist Church, and will be opened with preaching on Tuesday evening. At 12 o'clock, noon, on Wednesday the doors of the church will be thrown open to the public, when a public meeting will be held. On the evening of Wednesday the Conference missionary meeting will take place. All the meetings of the Conference will be held in the Queen Square Methodist Church.—St. John Telegraph.

HON. MR. MASSON.—It is pretty well understood that the continuance of ill-health will probably necessitate Hon. Mr. Masson's retirement from the Cabinet. It will be remembered that Mr. Masson was obliged to retire from the duties of the office of Minister of Militia and accept the office of President of the Privy Council, a less laborious position. Acting under medical advice, Mr. Masson, to the deep regret of his colleagues, and of public men of all shades of opinion, will probably find it imperative to withdraw from active participation in public affairs.—St. John Sun.

QUICK WORK.—The steamer Edgar Stuart, Capt. Doane, left this port for Charlottetown, P. E. I., at 5 p. m., on Saturday, 12th inst., arrived there on the following Sunday evening, loaded 6,000 bushels of potatoes, sailed to return on the following Tuesday morning, arrived here on Wednesday morning, discharged cargo, took in a large quantity of freight for the Western shore, whence she sailed at 4.30 a. m., Thursday, proceeding as far as Yarmouth, and returned again to this port, arriving here at 3 o'clock Saturday afternoon. This is remarkably quick work, and Captain Doane may justly feel proud of the steamer which he commands.—Hs. Herald.

ALLEY VS. DUCHEMIN.—Yesterday a motion was made in the Court of Chancery, before Vice Chancellor Hensley, by Mr. Hodgson, counsel for the defendants, for an order to assess the damages sustained by the defendants by reason of their engine being stopped by the plaintiff. They claim that as the injunction as far as regards the working of the engine having been dissolved, they are entitled to damages. It appears that the plaintiff put in an undertaking to pay any damages at the time of the granting of the injunction, in case the same would be dissolved at the final hearing of the case. A rule nisi, returnable next Tuesday, was granted.

OBITUARY.—Mr. J. F. Walton, the English man who accidentally shot himself recently near McNab's Island, died at the "Waverly," where he has been stopping, on Friday night. Death resulted from lock-jaw. Mr. Walton was a son of the Sheriff of Somerset, County, England, a position of much importance, one from which there is no income, but a great deal of expenditure. Deceased was only 26 years of age, and leaves a wife. The remains will be enclosed in a silver mounted metallic casket and forwarded by the mail steamer on Tuesday.—Hs. Herald, June 21.

[The deceased gentleman married Elizabeth, eldest daughter of the late William Yeo, Esq., of Richmond House, Appledore, Devon, England, in January last, and was on his wedding tour when the unfortunate accident, which caused his death, occurred. Mrs. Walton is a niece of the Hon. John Yeo, of Port Hill.]

A BURNING QUESTION.—In an able article on the "Servant Girl Question," in Scribner for July, S. B. H. writes as follows: "Special directions how to deal with servants would be almost as impertinent as such directions in regard to the training of children, but if the feeling cherishes, that feeling which recognizes the difference of station and at the same time the oneness of nature,—the details can scarcely fail of presenting and adjusting themselves. It is always good policy, if nothing more, to be courteous to servants, to recognize little voluntary acts of politeness on their part. Done in the right way it never makes a rule less stringent, but only less galling. And it is always the worst possible policy to scold. Quit and dignified reproof, of course, must be given but scolding never. Nothing that cannot be effected without scolding was ever effected with it, unless it be the silent contempt of the servant for her mistress."

**NEWS BY TELEGRAPH.**

CINCINNATI, O., June 21.

The National Committee has agreed upon Senator John W. Stevenson, of Kentucky, for permanent chairman. It agreed to admit the contesting delegations from New York and Massachusetts to seats until the committee on credentials has reported, but only the regular delegation will be entitled to vote. The Massachusetts delegation held a meeting to-night with a view of settling or compromising the differences in their State, so as to admit both delegations. If this is accomplished it will save much time to the convention. The Ohio delegation took important action. An entire Payne organization was elected. In Illinois a vote for preference was taken, resulting in Seymour 16, Morrison 18, Palmer, Davis, Trumbull and Tilden one each. Nebraska has voted to unite with New York, Connecticut, and New Jersey, but no choice of candidate has been made. Indiana strongly holds off from joining the Ohio coalition, still remaining firm for Hendricks.

At a meeting to-night a resolution by Indiana was adopted specifically condemning the effort to put McDonald in the field. The night has been busy and noisy from delegations and clubs marching through the streets with music and banners.

**A Good Account.**

"To sum it up, six long years of bed-ridden sickness and suffering, costing \$200 per year, total \$1,200—all which was stopped by three bottles of Hop Bitters taken by my wife, who has done her own housework for a year since, without the loss of a day, and I want everybody to know it for their benefit."
