MOFFAT'S

VEGETABLE LIFE MEDICINES.

THESE Medicines are indebted for their name to their manifest and sensible action in purifying the springs and channels of life, and ending them with renewed tone and vigor. In many hundred certified cases which have been made public, and in almost every species of disease to which the human frame is liable, the happy effects of Moffat's Life Pills and Phenix Bitters have been gratefully and publicly acknowledged by all persons benefited, and who were previously unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act.

The Life Medicines recommend themselves in diseases of every form and description. The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling around them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual costiveness, with all its train of evils, or sudden diarrhoea, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death: and hence the prejudice of these well informed men against quick medicines—or medicines prepared and heralded to the public by ignorant persons. The second effect of the Life Medicines is to cleanse the kidneys and the bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red colour from the agency of the liver and the lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

Moffat's Vegetable Life Medicines have been thoroughly tested, and pronounced a sovereign remedy for Dyspepsia, Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Ill-temper, Anxiety, Langour and Melancholy, Costiveness, Diarrhoea, Cholera, Fevers of all kinds, Rheumatism, Gout, Dropsies of all kinds, Gravel, Worms, Asthma and Consumption, Scoury, Ulcers, Invertebrate Sores, Scorbatic Eruptions and Bad Complexions, Eruptive complaints, sallow, cloudy and other disagreeable complexions, Salt Rheum, Erysipelas, common Colds and Influenza, and various other complaints which afflict the human frame. In Fever and Ague, particularly, the Life Medicines have been most eminently successful—so much so, that in the Fever and Ague Districts, Physicians almost universally prescribe them.

All that Mr. Moffat requires of his patients is, to be particular in taking the Life Medicines strictly according to the directions. It is not by a Newspaper notice, or by any thing that he himself may say in their favor, that he hopes to gain credit. It is alone by the results of a fair trial.

J. H. PETERS.

N. B.—A good title can be seen at the Office of the Subscriber.

Man! Take care that you get a good Title!!!

THE Subscriber cautions any person or persons against having any thing to do with the good title of which J. H. Peters, Esq., speaks in his notice of the 15th inst.

Perhaps, on inquiry, they may find a Sheriff's Deed without a Sheriff—a Sale without an Appraisal, and one of the Executions (for there were two) an Equity of Redemption, which this extraordinary sale was intended to satisfy, of which there is no judgment on record; and the amount of sale was probably sufficient to liquidate a dozen Executions, which appears to be a manifest contravention of the Act.

ROBERT MEARNS,

Proprietor of Township 54.

Cardigan, 20th June 1840.
N. B.—After seven or eight years' prosecution, which I have suffered, standing alone as it were—I think this circumstance argues much in favour of the goodness of my title, particularly considering the weight of the parties opposed to me.
