

HANDBOOK OF MODERN REFORM

"I SHALL STRIVE TO ELEVATE THE STANDARD OF PUBLIC MORALITY..."

REFORM "ISSUES" FOR THE ELECTORATE TO CONSIDER.

"Come along, John, come and help us to put down bribery and corruption..."

"I entered my election outlays as Missionary Expenses..."

"When I treat I always treat to raspberry syrup..."

"We must make a big push on polling day. Will you be one to come down hand somely?"

"I again present myself as a candidate for your suffrages for the Legislative Assembly. In 1867 I linked my fortunes with those of the leader of the Reform Party..."

"I spent \$800 of my own money to elect Mr. Blake..."

"In the spring of 1871 I canvassed the constituency for a month or six weeks; in 1872, for a similar length of time. Speaking from memory, the expenses of my campaign were as follows..."

"The Maritime members are a set of d--d scoundrels..."

"\$14,000, I believe..."

"There are strong grounds for thinking that the respondent (Malcolm Colin Cameron, ex M. P., for South Huron) was guilty of personal bribery..."

"I can as readily believe it possible for the respondent to have been immersed in the lake and to have been taken out dry..."

"When I go into an election, I go in to win, and don't care a d--n what it costs..."

"I mesmerized them in batches of fifteen and sixteen, and turned a hundred that night at Glen's..."

"My DEAR SIR,--We are very largely interested in the success of the present Government, as their continuance in power will add largely to the success and prosperity of the bank..."

"I spent \$6,000 in contesting Russell, which contest I claim to have had a good effect in subsequently securing that constituency to the Reform party..."

"Mr. D. M. Card is authorized to do some work for the Ontario Government in your part, wishing to make your acquaintance and get your advice..."

"I placed with my Committee a certain amount of money to relieve honest worthy men, and to prevent their properties being sacrificed..."

"The Hon. W. Ross told me to go to Alexander Cameron, of Baddeck, the Collector of Customs for that port, and keeper of the Savings Bank there..."

"I have Mr. Mackenzie's letter promising me the rails. I told Mackenzie I would not support his Government unless he gave me enough rails to build the Central railway..."

A CARD TO THE PUBLIC

WHILE taking this opportunity of thanking our numerous customers for the liberal manner in which they have patronized

OUR NEW STUDIO,

we would inform them that we have now increased facilities for the production of first-class work, and are prepared to make Photographs of a Style and Quality that has never been before attempted in this City.

We have an exhibition, at our Rooms, a large number of Photographs of every variety, including the

BEAUTIFUL PHOTO-ENAMEL

the most beautiful style of Photograph known, possessing a softness and delicacy of coloring that has never been equalled. This elegant picture has become deservedly popular elsewhere, and cannot fail to become so here.

Though the finish of our Photographs cannot be excelled, we would direct attention to the beautiful

Glace' Pictures

which we make. They possess a highly enamelled surface, and are practically indestructible, and will retain their freshness and beauty for any length of time. If they become soiled they can easily be cleaned, as they will not lose any of their beauty by being wet. This valuable quality, combined with their remarkable elegance, make them very suitable for presents; while the difficulty of their production will prevent them ever becoming so common as to lessen their value. Our patrons can have one or all of their Photos finished in this style--an advantage which cannot be obtained elsewhere.

We give special attention to making Groups of Families, Societies, Schools, &c. Our pictures of children are sufficient evidence of our success in this difficult branch of our art.

Our ENLARGEMENTS, finished in India Ink, Pastel, Crayon, Oil and Water Colors, have made a favorable reputation for themselves throughout the Lower Provinces.

Parties intending to have Photographs made will find it to their advantage to sit early, as the number of our customers makes some delay in the delivery of the Photos unavoidable. We prefer to have our customers come by appointment.

Photographs can be obtained for less money elsewhere; but in this case we ask that quality be given the preference; assuring the public that they will find our charges very moderate.
