WEAKNESS OF HOSPITALS

Said to be Incapable of Curing One of the Most Deadly Diseases of the Age.

Montreal, July 13.—Mr. William Brownley tells an alarming story of utter failure of the hospitals to cure him of Bright's Disease. He was treated in the best hospitals both in Canada and the United States. They gave him up as incurable. Medical science had failed; the hospitals were powerless to help him. Nevertheless Mr. Brownley is cured. Dodd's Kidney Pills cured him and he is a well man today.

Says Mr. Brown himself: "I have been a subject to Bright's Disease of the Kidneys for twenty years. I have been in all the best hospitals in Canada and the United States. I could get no relief. I have just finished eleven boxes of Dodd's Kidney Pills and am completely cured. I am a locomotive engineer and well known so many can vouch for this statement."

There is no great achievement that is not the result of patient working anwaiting.

What Is Dr. Chase's Nerve Food?

In appearance Dr. Chase's Nerve Food is an oval; chocolate coated pill. In the condensed form it contains all of natures most strengthening and invigorating tonic and restoratives and for this reason it is unapproached as a blood builder and nerve restorative. It cures all diseases caused by thin blood and exhausted nerves and makes pale, weak nervous men, women and chilpren strong and healthy. 50 cents a box.

A Good Stomach

Is essential to health and happiness, but don't blame the stomach for biliousness. It is deranged, and causes poisonous bile to remain in the blood causing indigestion, headache and irregular action of the bowels. Dr. Chase's Kidney-Liver Pills regulate the liver, stimulate the bowels and by their direct action on these organs effect prompt and lasting cures of biliousness, dyspepsia, headache and all kidney ailments. One pill a dose, 25 cents a box at all dealers.

The less we parade our misfortunes the more sympathy we command.

When It Hurts to Cough.

The cough that hurts, the cough that gets right in the chest, is daily getting deeper and deeper into the bronchial tubes and is making directly for the lungs, to become pneumonia, inflammation of the lungs or consumption. Such coughs yield only to the wonderful efficiency of Dr. Chase's Syrup of Linseed and Turpentine which loosens the tightness and cures cough and cold together. 25 cents a bottle. HINTS TO HOUSEKEEPERS.

Baked Beets.—Wash and put them into a pan, with a little water in the pan, the same as when roasting meats; as it cooks away, add more warm water to them. Set into a moderate oven and bake slowly for three hours. When solt, remove the skin and dress to taste.

Baked Squash.—Pare the squash, remove the seeds, steam until tender; then strain through a colander, and for every pint of squash add one-half pint of bread or cracker crumbs, one tablespoonful of butter, one half cup of milk, pepper and salt to taste. Bake one hour.

Scalloped Vegetable Oysters.—Scrape the roots and cut them in small pieces; boil them until tender; then take bread or cracker crumbs and put a layer of each in a pudding dish. Season each layer with pepper and salt, butter and parsley, when the dish is full, pour a quart of sweet milk over it and bake one hour and a half.

Fried Oysters.—Take fine, large oysters and drain then on a towel; have ready crackers rolled to a powder, and season highly with salt and pepper; also two well-beaten eggs. First dip them in the egg, and then in the cracker crumbs. Have a frying pan of boiling lard, and fry a pretty brown. Place on a dish nicely and garnish with parsley.

Stewed Macaroni.—Boil two ounces of macaroni in water till tender; drain well. Put into a sauce-pan one tablespoonful of butter, mixed with one tablespoonful of flour, four tablespoonfuls of veal or beef stock, one quarter of a pint of cream; season with salt and white pepper. Put in the macaroni; let it boil up and serve while hot.

WOMAN'S COLUMN.

CARE OF THE TEETH.

Most people have a general idea that it wise to take care of the teeth, and accordingly do so, as they suppose. They rub a brush hurriedly two or three times over the front of the teeth before going to bed, or getting up in the morning, and think they have cleaned their teeth.

The importance of sound and serviceable teeth as an aid to health cannot be over estimated, for upon their good condition depends the thorough mastication of the food, which is the first and not the least requisite of good digestion. Many a person doses himself with all sorts of remedies to aid digestion when the real cause of his dyspepsia may be found in poor state of his teeth.

The proper time to brush the teeth is after each meal and at bedtime. Before this is done all particles of food should be removed from between the teeth by means of a tooth pick, or, better, dental floss. Then they should be brushed thoroughly with a brush of medium stiffness dipped in tepid water. Very hot and very cold are equally harmful.

The brush should be used with an up and down movement, and not sideways only, and the backs of the teeth should be brushed even more carefully than the fronts, for it is there that tartar tends to accumulate, Many think that tartar is harmless but this is an erroneous belief; its accumulation is one of the principal causes of the loosening of the teeth, and its presence exposes one constantly to the recurrence of gumboils.

The use of some good dentfice once a day, or two ar three times a week, keeps the teeth whiter and better looking, but it is not absolutely necessary when the tooth brush is used regularly after each meal. Rinsing the mouth after each brushing with some pleasantty-flavored antiseptic solution helps to avert decay of the teeth.

JAP PRINCE IN DANGER.

COREAN CCURT ACCUSES HIM OF THE MURDER OF THE EMPRESS.

Oriental advices by the steamer Empress of India bring the news of anoanother political crisis in Korea. According to the Kobe Chronicle, the Japanese prince, Li Chun Yo, was implicated by the confessions of Kwong and An, who were barbarously tortured and strangled at Seoul for having been concerned in the assassination of the Korean Empress two years ago. The Emperor of Korea demanded of the Japanese minister Li and his father be delivered up for vengeance, but the Japanese minister declined to accede to this request. Then according to the Chronicle, Kim Young Ching, described as the official assassin of the Korean court, was sent to Tokio to kill Prince Li Chung Yo and his father. The plot was frustrated, however, and the assassin was arrested but escaped back to Korea. The Japanese princes are under the protection of special guards.

BOER EMIGRATION.

Concering the rumor that the Boers will come to the United States Mr. Charles D. Pierce, trustee and treasure of the Boer Relief Fund and Consul-General of the Orange Free State, has made the following statements: 'My attention having been called to the statement in various newspapers that 10,000 or more Boers are about to emigrate from South African Republic and the Orange Free State to the United States. I wish to state in the most emphatic language possible that ther is not one word of truth in such statements.'

Torpid Liver Headache

And Biliousness Made Life Miserable for Three Years—Health Restored by Dr. Chase's Kidney-Liver Pills.

Having a direct action on the liver, Dr. Chase's Kidney-Liver Pills are invariably successful in curing liver complaint, torpid liver, and the headaches and stomach troubles resulting therefrom.

Mrc. Faulkner, 8 Gildersleeve place, Toronto, says:—"After doctoring without success for biliousness, liver complaint, and sick headache for over three years, I am glad to testify to my appreciation of Dr. Chase's Kidney-Liver Pills. At first they seemed a little strong, but being both searching and thorough in their action, amply repay any inconvenience by after results. I am feeling better in every way, and my headaches have entirely disappeared. Dr. Chase's Kidney-Liver Pills are certainly the best I have ever used, and I freely recommend them."

The liver is responsible for very many ills of the human body. It is always made healthy, active, and vigorous by using Dr. Chase's Kidney-Liver Pills. One pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates and Co., Toronto.
