

Why is it that nearly all aged persons are thin? And yet, when you think of it, what could you expect? Three score years of wear and tear are enough to make the digestion weak. Yet the body must be fed.

In Scott's Emulsion, the work is all done; that is, the oil in it is digested, all ready to be taken into the blood. The body rests, while the oil feeds and nourishes, and the hypophosphites makes the nerves steady and strong.

God!

[This wonderful poem was written by the Russian poet Derrzhavin. The Emperor of Japan has had it translated into Japanese, richly embroidered in gold and hung up in the Temple of Jeddo. It has also been translated into the Chinese and Tar languages, written on appropriate pieces of rich silk, and suspended in the Imperial Palace of Peking.]

Translated from the Russian into English by Sir John Bowling.

Oh thou eternal One! whose presence bright All space doth occupy—all motion guide; Unchanged through time's all devastating flight, Thou only God! there is no God beside.

Being above all beings! mighty One! Whom none can comprehend and none explore, Who fill'st existence with Thyself alone, Embracing all—supporting—ruling o'er. Being whom we call God—and know no more.

In its sublimest research, philosophy May measure out the ocean deep—count The sand or the sun's rays, but God! for Thee There is no weight nor measure; none can mount Up to Thy mysterious Reason's bright spark,

Though kindled by thy light in vain would try To trace Thy councils infinite and dark; And thought is lost ere thought can soar so high Even like past moments in eternity.

Thou from primeval nothingness did'st call First chaos, then existence, Lord, in thee Eternity had its foundations; all sprung forth from Thee—of light joy, harmony; Sole origin—all life, all beauty here, Thy word created all, and doth create. Thy splendor fills all space with ray divine;

Thou art, and wast, and shall be—glorious, great! Life-giving, life-sustaining potentate. Thy chains the unmeasured universe surround, Upheld by Thee—by Thee inspired with breath; Thou the beginning with the end hast bound, And beautifully mingled life and death; As sparks mount upward from the fiery blaze So suns are born, so worlds spring forth from Thee:

And as the spangles in the sunny rays Shine round the silver snow, the pagantry Of heaven's bright army glitters to Thy praise. A million torches lighted by thy hand Wander unwearied through the blue abyss; They own Thy power, accomplish Thy command All gay with life, all eloquent with bliss What shall we call them? Piles of crystal light? A glorious company of golden streams? Lambs of celestial ether burning bright? Suns lighting systems with their joyous beams? But Thou to them art as the noon to night.

Thou art! directing, guiding all. Thou art! Direct my understanding then to Thee; Control my spirit, guide my wandering heart; Tho' but an atom 'midst immensity, Still I am something fashioned by thy hand; I hold a middle rank 'twixt heaven and earth; On the last verge of mortal being stand Close to the realm where angels have their birth, Just on the boundaries of the spirit land

The chain of being is complete in me; In me is matter's last gradation lost, And the next step is spirit—Dicity I can command the lightning and am dust! A monarch and a slave; a worm, a God! Whence came I here? and how so marvelously Constructed and conceived? unknown this clod Lives surely through some higher energy, For from itself alone it could not be.

Creation? yes, Thy wisdom and Thy word Created me, Thou source of life and good Thou spirit of my spirit, and my Lord Thy light, Thy love, in their bright plenitude, Filled me with an immortal soul to spring O'er the abyss of death, and bade it wear The garments of eternal day and wing Its heavenly flight beyond this little sphere E'en to its source, to Thee—its author these.

O Thou ineffable! O vision blest! Tho' worthless our conception all of Thee Yet shall Thy shadowed image fill our breasts And wait its homage to Thy deity. O God! Thus now my lowly thoughts can soar Thus seek Thy presence, being wise and good, Midst Thy vast works admire, obey, adore, And when the tongue is eloquent no more The soul shall speak in tears of gratitude.

Drugs are expensive. Sometimes they are more expensive than need be. And sometimes they are not so reliable as they ought to be. There was a time when the prices of drugs were away up—too high altogether. That is not the case now. The Apothecaries Hall changed that some time ago. You can get prescriptions from pure drugs at the proper prices—no fancy profits. You can get all my reliable special remedies; they've been tried and found effective.

The price—the main thing—will be found right in every case.

BERLIN CONFIRMATION.

Andrew Hauss Corroborates the Report That Dodd's Kidney Pills are the Best.

B

BERLIN, Aug. 21.—Andrew Hauss, of this town, confirms the story that he was quickly cured of pains in the back and kidneys by Dodd's Kidney Pills. He had tried rubbing with liniments and various other remedies to no purpose, and he was advised to take Dodd's Kidney Pills.

"I did," he says, "and got better from the time I started to take them. I am sincere in saying that Dodd's Kidney Pills cured me, for which I cannot be too thankful."

In a letter dated June 19, 1899, Mr. Hauss answers an enquiry as to his cure by Dodd's Kidney Pills as follows: "I am pleased to say I am cured entirely through taking Dodd's Kidney Pills."

Yours truly, ANDREW HAUSS.

Weary of Experimenting

With salves, suppositories and ointments and a great deal of operation, scores and hundreds have turned to Dr. A. W. Chase's ointment and found it an absolute cure for piles. The first application brings relief from the terrible itching, and it is very seldom that more than one box is required in effect a permanent cure.
