THE RACES LAST NIGHT.

Ratray Wins the One Mile Race and Moore the Three Mile.

An audience numbering about eight hundred witnessed the races in the Hillsborough rink, and thoroughly enjoyed themselves. The interest taken in the various contests was great, and the cheering and applauding almost continuous. The races were characterized by the greatest fairness, and every event was won on its merits.

The track was re-measured and it was decided that 17 1/2 laps constituted a mile. At the former races 18 1/2 laps made a mile. The races were contested under the management of the following gentlemen:—Referee and Starter—A. E. Ings. Judges—W. A. Weeks and William Keating. Timer—Howard Dingwell. Scorers—H. C. Macdonald, L. G. Wheeler, assisted by Arthur Reddin, H. Large, and J. A. Moore.

The one-mile challenge race between Fred Ratray, of Charlottetown, and Harry Moore, of Crapaud, was called early in the evening, the principals responding quickly, each evidently in splendid condition. They were started off from different corners of the rink, Ratray from the south and Moore from the north. They got away well together at the cracking of the revolver, each moving at a lively clip. Around and around the ice they sped, amid the vociferous applause of their respective admirers. Now Ratray would have a slight advantage, and then Moore would forge to the front! On the last lap or two, however, Ratray made a grand spurt and secured a lead of about 12 feet, which he held to the finish, winning the race in 4.02. Ratray's time in the previous race was 4.04. Great enthusiasm was manifested over Ratray's victory, and he was "bounced" and congratulated by his friends and admirers. Moore expressed himself as well satisfied with the race, saying he had been beaten fairly and squarely.

The three-mile race was another event in which special interest was taken. The starters were Harry Moore, of Crapaud, and Fred Ratray, Thomas Howatt and Louis Unsworth, of Charlottetown. They were "lined up" at the southern corner of the rink, Moore having the inside or first position, and Ratray the outside. Immediately after being sent off Moore took the lead and cut out the pace. He kept the lead for several laps, with Howatt, Unsworth and Ratray, at his heels in the order named. Then Howatt passed Moore and the latter was also in turn passed by Unsworth and Ratray. This order was continued for several laps. Then Moore spurred and again took the lead, and Ratray captured second place a few minutes later. After several laps were skated in this order. Ratray took the lead, with Moore right behind him. Unsworth, who fell and hurt himself was obliged to retire. Ratray and Moore were fighting hard for first place, with Howatt, who skated a plucky race, in third position. The contest between Ratray and Moore was waxing warm. Once or twice Ratray passed Moore and the latter would lead a few laps, only to turn and relinquish it to the Crapaud representative. Towards the close of the race Ratray put on a great burst of speed and passed Moore, but after a few laps the latter regained first position and held it for the rest of the race, winning in 12.47 with Ratray finishing almost at his heels in 12.47. Howatt was about a lap behind Ratray. He deserves credit for his plucky effort. Moore, who seemed quite fresh after the race, was heartily congratulated by his friends.

The mile race between E. M. Arnaud and E. L. Cook, was an event in which great interest was also taken. As in the Ratray-Moore race the contestants were started from opposite corners of the rink. Both were easy graceful skaters, and the race was very evenly matched. For the greater part of the race there was no very material difference between them, but towards the last Arnaud forged ahead and came in winner by about 20 feet. Time 4.18. The half-mile race for boys ten years old, was won by Tom Huggan in 2.34, with Gordon Hughes second and James Williams third.

L. Chappell won the race for fourteen-year-old boys, in 4.49; L. Large being second, and H. Hodgson third. As there was some doubt respecting third position the final prize was awarded another prize equal in amount to the third to A. Davy. The first prize in the potato race was captured by E. L. Cook, with Walter Cotton second, and L. Chappell third. A special prize was awarded "Jimmy" Williams in this event.

The chair race was won by L. Chappell, with C. Clark second, and E. Davy third. In the obstacle race E. M. Arnaud was first, L. Chappell second, and E. Davy third. Throughout the evening the best of good feeling prevailed amongst the contestants and all were satisfied with the manner in which the races were conducted. Galbraith's Band rendered a choice programme during the evening.

Messrs. Dawson and Rogers are to be congratulated upon the success that attended their efforts.
