

Transplant If Successful

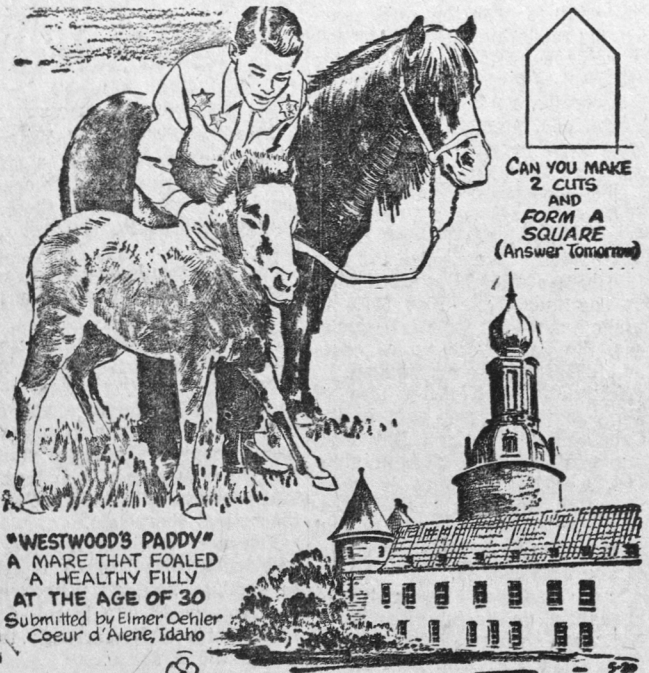

MONTEAL (CP) — Officials of Royal Victoria Hospital said today that the principals in Canada's first kidney-transplant operation are continuing to make satisfactory progress.

The operation was performed May 14, giving 15-year-old Moira Johnson one of the healthy kidneys of her identical-twin sister Nola. Both of Moira's kidneys were affected by a fatal disease.

The operation is possible only in the case of identical twins—those from the same ovum—because only in such persons will the skin graft "take" permanently.

Nola had recovered sufficiently to return a few days ago to her home in suburban Baie d'Urfe. Moira continues to improve but will remain in the hospital for several weeks more.

QUIZ

You are South, both sides vulnerable. The bidding has been:

West North East South
1 ♠ 2 ♠ 3 ♠ 4 ♠

What would you now bid with each of the following five hands?

- ♠ Q852 ♥ — ♦ A Q 7 6 ♣ K 9 5 4 3
- ♠ A 2 ♥ Q J 4 3 ♦ 7 3 ♣ 8 7 6 4 2
- ♠ A 7 6 2 ♥ 8 4 ♦ A 5 ♣ Q J 8 4 3
- ♠ J 8 ♥ Q 9 7 6 ♦ K J 5 2 ♣ Q 6 3
- ♠ 9 5 3 ♥ A J 8 2 ♦ Q J 7 ♣ K J 5

1. Two hearts. It should be assumed that when partner makes an informative double he has at least an opening bid. We can therefore treat this hand as though partner had opened the bidding in one of our suits, in which case we would presumably drive the hand to a game contract. Eleven high card points plus a good fit presumably will make a game opposite an opening bid.

2. Rather than attempt to guess which is North's best suit, we shift the choice of the trump suit back to partner by cuebidding the opponent's suit. Whichever suit he selects we bid a game in at the next opportunity. It is far better to alert partner to the game possibilities by bidding two hearts than it is to jump-shift in one of our three suits to show a strong hand.

3. Two clubs. A simple suit response to an informative double promises no values. Partner com-

Liberal Says Duplessis To Go

QUEBEC (CP)—Jean Lesage said Saturday a united Liberal front will sweep Premier Duplessis' Union Nationale government from power in the next provincial election.

Mr. Lesage, minister of northern affairs in the former Liberal administration in Ottawa and candidate for the leadership of the provincial Liberals at the party's convention here this weekend, was speaking at the Reform Club to party delegates from the counties of Levis, Lotbiniere, Bellechasse and Charlevoix.

A cohesive Liberal party, he said, will "clear the province of the regime of terror, of intimidation and of extortion which is served by the government under the Union Nationale."

Mr. Lesage said the province's agricultural program requires an overhauling in the interest of Quebec farmers. Through Union Nationale carelessness, he said, the number of farms is diminishing each year.

NATO Leaders To See Bomb Tests

HONOLULU (AP) — Military leaders of 12 North Atlantic Treaty Organization countries arrived Monday en route to nuclear tests at Eniwetok under the NATO agreement to exchange atomic information.

They will be briefed on the tests, tour the test zone and observe one nuclear detonation.

Britain, Canada, France, West Germany, Greece, Italy, Belgium, Denmark, The Netherlands, Norway, Portugal and Turkey are represented.

Convert Warship To Cargo Vessel

KINGSTON, Ont. (CP) — A \$500,000 contract for conversion of a British warship to a dry cargo vessel for use in Canadian Arctic waters will provide an additional 140 men with work at Kings on Shipyards this summer, it was announced Monday by R. S. Sutton, general manager.

He said the 220-foot vessel, powered by 1,800-horsepower diesel engines, is one of three ships bought in Britain by the Canadian government at a cost of \$160,000 each. The other two are being converted at Lauzon, Que. and Lunenburg, N.S.

The vessel is expected to be completed by the first of August. It will be put into service in northern waters next winter.

Grasshoppers travel fast. Within 10 days after bright-colored paint was applied to a number of grasshoppers in North Dakota, a number of the specimens were picked up 300 miles away.

One letter simply stands for another. In this case, A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints.
