

Democrats Find Bright Omens In Election Wins

By ED CREAM
 WASHINGTON (AP) — Democrats are drawing fresh hope for the 1956 presidential race from scattered election victories that gave them a record-smashing victory in the Kentucky governorship race and pushed them ahead in such battleground states as Pennsylvania, Indiana and Connecticut. There were some Republican advances too, here and there, but virtually complete returns from Tuesday's state and municipal elections showed a clear net advantage to the Democrats in the matter of organizational strength for next year's presidential and congressional election.

Nursery Club Holds Meetings

The regular meeting of the Nursery Club of the Kings County Hospital was held at the home of Mrs. Rolfe Diamond. Eight members responded to roll call. The minutes of the previous meeting were read and approved. It was moved and seconded that some articles of clothing left over from a previous bazaar be sent to the orphanage. A sum of money was voted for the hospital campaign which is now in progress. Final plans were made for the picture the club is sponsoring in the near future. After the meeting adjourned the members spent the evening sewing for the hospital. Luncheon was served by the hostess and the lunch committee. Mrs. Dan MacDonald invited the members to her home for the next meeting. The lunch committee will be Miss Adah MacGregor and Mrs. Claude Nicholson. The previous meeting was held at the home of Mrs. Ivor Phillips on Monday. Over 20 with eleven members present. The members were pleased to welcome Mrs. Vic Pepler back to the club, and Miss Mary Lamont as a new member. Concluding the business meeting the members spent the evening sewing for the hospital. Refreshments were served by Mrs. Phillips and the lunch committee.

ing the city administration in Watertbury—in Republican hands for eight years—and pushing ahead elsewhere in the state's municipal elections. In other states, results were less conclusive. Democrats scored a net gain of one in New York mayoral races — an outcome claimed by both sides as a victory.

KE'S MAN DEFEATED

Pennsylvania voters gave encouragement to the Democrats, too. Philadelphia elected Democrat Richardson Dilworth as its mayor with a resounding 130,000-vote margin over the Republican who ran with President Eisenhower's personal endorsement. W. Thacher Longstreth, the Republican, suffered a net loss of four in Pennsylvania mayoral elections and suffered other reverses as well. In Kentucky, former baseball commissioner A. B. (Happy) Chandler was elected governor by a landslide approaching 150,000 votes over Republican Edwin R. Denney—despite a bitter primary fight that split the Democratic party. And in Connecticut Democrats solidified 1954 victories by capturing the city administration in Watertbury—in Republican hands for eight years—and pushing ahead elsewhere in the state's municipal elections.

YOU'LL LEARN ABOUT FUN FROM MARTIN, LEWIS IN 'YOU'RE NEVER TOO YOUNG'

A hilarious lesson in the delightful art of provoking laughter is scheduled for "Today" at the "Prince Edward" Theatre when "You're Never Too Young" arrives with the entertainment world's top instructor, Dean Martin and Jerry Lewis, at the head of the class. The setting for the comedy sensation already hailed as Martin and Lewis' best yet, couldn't be more appropriate, for Dean portrays a teacher at a school for girls and Jerry romps madly about the grounds masquerading as an eleven-year-old boy with two hundred gorgeous teen-agers in hot pursuit. This is one lesson we're going to enjoy.

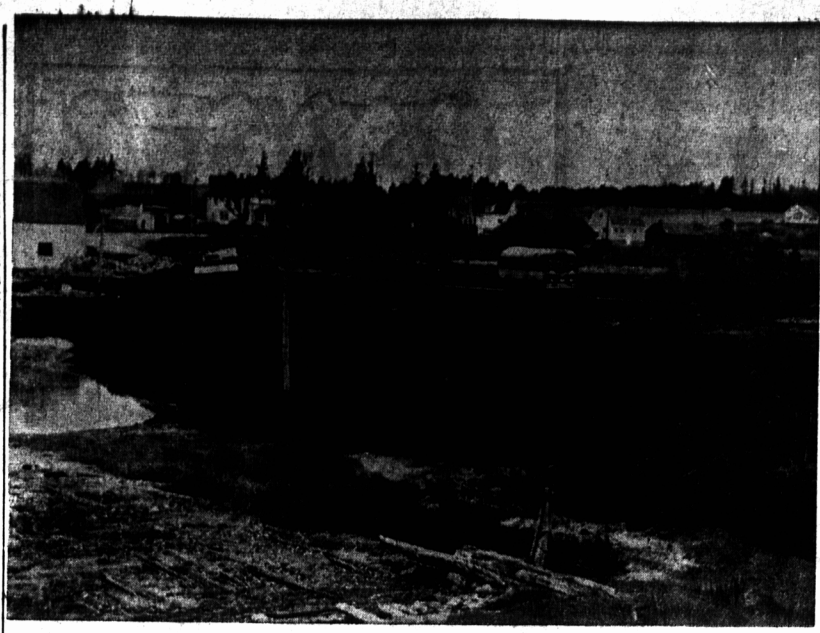

The other members of the class and staff are also at the top of their professions. Sparkling Diana Lynn and lovely Nina Foch co-star at the difficult members of a highly complicated romantic quadrangle with Dean and Jerry; and Raymond Burr is featured as a jewel thief-killer whose pursuit of Jerry causes the little boy-masquerade-comical situations ever filmed. Two of the nation's top tunesmiths, Arthur Schwartz and Sammy Cahn have turned out six new hit tunes for the film, and dance master Nick Castle has put together some extraordinary routines, one of them featuring Dean and Jerry and 108 girls—one of the most unique and spectacular musical sequences in movie history.

EDMONTON (CP) — Carl L. Young, vice-president of the Canadian Federation of Insurance Agents, says insurance companies are cutting rates too much in an effort to get business. Mr. Young said one solution may be government rating bureaus for insurance policies. He said insurance commissions are too low.

Directed and produced by the brilliant team responsible for the enormously successful "The Cadaver" and "Living It Up," Norman Taurog and Paul Jones, "You're Never Too Young" was filmed in Vista-Vision and color by Technicolor and has been called a delight to behold. It promises to be the most rib-tickling day at school you've ever spent, and possibly the funniest you'll ever spend at the theatre.
