Debating Society

The UPEI Debating Society sent two teams to the 1989 Dalhousie International Debating Tournament, which took place on Oct 27,29, and 29. The teams were: Brian Pirkey and Bob Smith, Jason Corsi and Mike Wood. Our two novice and two return debaters felt they gained a great deal of experience in Halifax. Although we didn't win as many debates as we hoped for, we are in a rebuilding stage, and have great future prospects. The weekend was a lot of fun too. We took in the crazy Mardi Gras party, along with some clubbing. The upcoming year in debating looks better than ever! Not only do we have enthusias-

tic new members joining every week, but we're planning some fantastic events, such as more tournaments and a party. One thing we really need is new members. If you're interested in having fun while developing your public speaking, reasoning, and debating skills come on out to our meeting. We get together every Wednesday at 3:30 in Main 311. Everyone is welcome.
