

There are three conditions:  
When the blood is poor;  
When more flesh is needed;  
When there is weakness of the throat or lungs.

There is one cure: that is Scott's Emulsion.  
It contains the best cod-liver oil emulsified, or digested, and combined with the hypophosphites and glycerine. It promises more prompt relief and more lasting benefit in these cases than can be obtained from the use of any other remedy.

PEOPLE OF THE GARDEN OF THE GULF LIVE TO A RIPE OLD AGE.

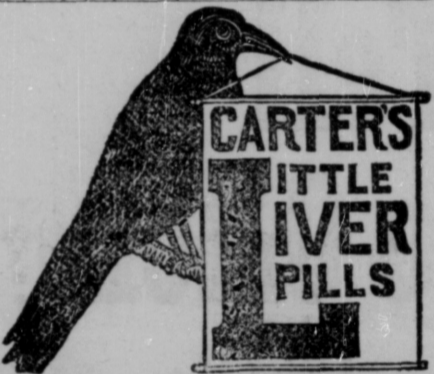

But there are Exceptions—Kidney Diseases are met with there as Elsewhere  
—Dodd's Kidney Pills are in Request.

SUMMERSIDE, P. E. I., May 26.—The natives of Prince Edward Island have long enjoyed a reputation for hardihood of constitution and a power of reaching an advanced age. This was partly due to the climate, partly to the natural lives led by the majority of the inhabitants of the province.

But whether the reputation was deserved in the past or not it is questionable whether Prince Edward Islanders are now-a-days any less susceptible to Bright's Disease, Diabetes, Rheumatism, Dropsy, Lumbago, Gout, Urinary and Bladder Troubles, Diseases of Women and Blood Impurities than are their fellow Canadians in the provinces of the mainland. Mr. William Sharam's case is said not to have been the only one in Murray Harbor, nor is Kidney Disease confined to that part of the Island by any means. Since the introduction of Dodd's Kidney Pills into Prince Edward Island there have been a great many cases throughout the Island cured by their agency, which shows that Kidney Troubles is wider spread than is generally supposed.

As impure blood is responsible for most of the ills to which human flesh is heir, it follows that the kidneys, which are supposed to act like cleansing sieve for the blood to pass through, must be kept perfectly healthy or they won't do their work. To put the kidneys into working order is precisely what Dodd's Kidney Pills are for.

Dodd's Kidney Pills are for sale at all druggists, fifty cents a box, six boxes \$2 50, or will be sent, on receipt of price by The Dodd's Medicine Co., Limited, Toronto, Ont.

Pasture Farm Wanted.

His Worship the Mayor is in receipt of a letter from Mr. T. M. Kirkwood, of Sudbury, Ontario, who desires to obtain a thousand acres of land between Summerside and Charlottetown for pasturage. He is willing to take them in farms of 100 or 200 acres each, "as close to each other as possible". Application may be made to the Mayor or to Mr. Kirkwood himself. Mr. Kirkwood will come to see the farms when he hears from those who have places to offer. The opportunity to sell or lease seems to be a good one for land owners; and Mr. Kirkwood is evidently a man to cultivate

MEDICAL SCIENCE ADVANCES.

Positive Cure for Asthma Discovered

It has long been recognized by medical scientists throughout the world that nature has supplied all creation with some remedy in the vegetable or mineral kingdom where-with all forms of ailments can be cured, but it was not until the discovery by Stanley of the wonderful Kola plant along the Congo River in Africa that asthma was permanently curable. In fact, it was not until the investigations made by Dr. Clarke some years later that this disease was found curable; he found that by combining the extract of Kola Nut with other vegetable extracts that the compound obtained would permanently cure asthma. Clarke's Kola Compound was then tried on over 100 cases in different hospitals, with the marvelous result that over 95 per cent. were permanently cured in less than 60 days' treatment. Clarke's Kola Compound is now recognized to be the only permanent cure for this dreaded disease. Sold by all druggists. Free sample bottle sent to any person. Mention this paper. Salient points here and there may be picked out from time to time, and mentioned in this paper, but far more must remain untold than told.  
You must come in, and see for yourself.
