Election In Feb. For 5 City Seats

By RALPH CAMERON

Under the former city act, 1964 would have been a normal election year for Charlottetown council seats including the mayor, but as the result of an amendment enacted last year, only five council seats will be open to candidates next February.

However, a change in the Act of Incorporation passed in the last session of the Legislature provided for a "continuity" of government by allowing one-half the council to remain in office an extra year. The change applied to the office of mayor as well.

When council decided to ask the legislature for the change in the system of electing an entire new council every two years the reasons given were the desirability of having in office in 1964 a group of city officials thoroughly familiar with civic plans for Centennial year.

It was agreed that the seats to be up for election in 1964 would be in the single councillor Wards 1, 2 and 3 and Ward 6 which elects two members. The mayor and the councillors in Wards 4 and 5 would not face an election until 1965.

SEEKS A RE-ELECTION

Present members of Council from the wards involved are, Ward 1, Arthur Gormley; Ward 2, Mrs. Dorothy Corrigan; Ward 3, Arthur Wright; Ward 6, Edmond Arsenault and Elmer MacRae.

As yet no intimation has been given by any of them that they will reoffer, but it is believed that all will seek re-election. At the same time there has been no intimation that other candidates might appear.

There will be no election next year for the Water Commissioners as their term in office was also extended to have election to those three posts held during a year when there would be voting for the mayoralty.

Present Mayor of the city is A. Walthen Gaudet, who is believed not prepared to run again in 1965, while the Water Commissioners are Sidney Green, chairman, Joseph McKenna and R. Earl Taylor.
