Car Price Gap Should Narrow

WASHINGTON (CP) — Finance Minister Walter Gordon of Canada said Tuesday the "price gap" should narrow between Canadian and American autos as a result of the production-sharing agreement with the United States.
"If everything else remains the same, there is no doubt in my mind that prices should

He was in Washington to attend world monetary talks but spent more time answering press queries about the auto pact, up before the Senate Tuesday for final debate that may last several days.
Main feature of the agreement is abolition of North American tariffs for manufacturers of most motor vehicles and their original parts.
Gordon called the \$50,000,000 annual saving for the Canadian

The "GOOD L'IL ANGEL" asks YOU

MR. PROFESSIONAL MAN

Have You Given Your Fair Share to the United Fund Campaign

Mr. Professional Man: Well, gosh, Good L'il Angel, I really got so busy in my work that I clean forgot all about it.

L'il Angel: Guess we're all human (whoops). Since I knew how busy you were, like everyone else, you tend to forget. So, as I was saying, the last time I was here... IT'S THE FAIR SHARE that will help us to meet the objective and put it over the top.

Mr. Professional Man: And what's that objective again... I just can't seem to remember!

L'il Angel: \$281,876.00 to help on the work of 27 worthwhile agencies.

Mr. Professional Man: Oh, yes... and my Fair Share is one per cent of my annual income based on the average of the past two years. I'm ashamed that I forgot and I promise to do it now, right while you're here.

L'il Angel: Good idea! And if there are any other professional men reading my words... be a Good L'il Angel and don't forget... your FAIR SHARE... right now!
