

UPEI STUDENT UNION COUNCIL

The UPEI Student Union is run by the students. Each student has the right to vote in electing the required number of representatives in their faculty.

This elected group of 23 council members are supposed to represent you and it is your job to see that they do.

Please support the Union and use your privilege of voting. It is your way of obtaining representation.

You can attend any of the Council meetings and should attend general meetings so PLEASE DO.

SUN

The UPEI SUN (Student Union Newspaper) is situated on the 4th floor in Main Building. It is a weekly 16-20 page paper and is available on campus every Thursday afternoon.

Reporters, typist, writers, and photographers are always needed. It's a great way to become involved and is a lot of fun.

Watch for the first general meeting and for heavens sake come!

PIG & WHISTLE

Come on down to the new Barn and get on down to the Pig and Whistle every Thursday night!

Or if you want to just sit and watch Student Union sponsors the Pigs with a live band every week. It serves a great break from classes and that's where your sure to meet the people you haven't seen for a while.

RADIO CIMN

Radio CIMN, 700 on the AM dial, and on Channel 12 of the Island Cablevision system, is owned by the Student Union.

The station broadcasts 18 hours a day. It offers music, sports, weather, and now thth the newly installed B-N news machine, news from all over the world.

There are many areas in which to become involved, from the technical to the live coverage.

The station depends on you to keep it operating.

UPEI COFFEE SHOP

I don't think anything has gone over better during the 1977-78 year at UPEI then the coffee shops.

They were started warily as people seem to have the usual stereo-typed picture of coffee shops in their head. This soon changed as the number who attended grew each week.

There are different musicians each week or simply someone who just wants to tell a funny story.

Coffee is great and so is the company. So try it on a Wednesday night in the Chaplaincy Centre.

COMMITTEES! COMMITTEES!

There is absolutely no excuse for saying there is no committee which suits you at UPEI. The committees are endless! The majority are run in conjunction with Student Union. To name a few; Year-book, movie, dance, Fall Fest, Winter Carnival, residence, social, biology, fencing, photography... and that's not all!
