DOMINION DAY—to-morrow. THE EXAMINER will not be published to-morrow—Dominion Day.

THERE were twenty-three deaths from the effects of the heat in New York, on the 27th.

HON. MACKENZIE BOWELL and Hon. P. Caron have gone to Winnipeg on business in connection with the elections.

THE Mansion House Jewish Committee in London, England, is shipping refugees to America at the rate of one hundred per week.

MUCH destitution prevails in Bolivia in consequence of the destruction of the crops by locusts, and many families are emigrating.

MESSES. ROBERT MAY and John Walker (the latter late of the Bank of P. E. Island), left for Baltimore yesterday, where they intend to remain permanently. We wish them success.

THE labourers in the vicinity of Longford, Ireland, are uniting to obtain concessions from the farmers. Should this attempt fail they will probably endeavour to secure direct dealings with the landlords instead of with the farmers.

THE presentation to Messrs. Parnell and Dillon of the freedom of the city of Dublin will be made on the 15th of August, the occasion of the opening of the exhibition in that city, and the unveiling of the statue of O'Connell.

A DESPATCH has been received by the Hebrew Immigrant Aid Society, of New York, announcing that 12,000 refugees are living on quarter rations in Brody, on the Galician and Russian frontiers, awaiting transportation to America.

THE races at Moncton to-morrow will be lively. Five horses are entered for the three-minute class; five for the two and six for the county run. We note there are two Island horses in the three-minute class—Long John and Kitty Clyde; and P. S. Brown has entered the mare Ruby, owned in Sackville.

THE Duke of Westminster, the richest of England's nobles, is shortly to be married to the sister of Mr. Cavendish, who married the duke's daughter some four and a half years ago. By the duke's new marriage he will thus be brother-in-law and uncle to his little grandson. The Duke is fifty-six years old, and Miss Cavendish is a young lady.

ON Friday last fourteen of the Canadian Wimbledon Team, before sailing for England, practiced at Quebec, and we are pleased to see that the Island representative—Private Dover—gave a good account of himself. At the close of the match the score stood: Mitchell 90 out of a possible 105; Dover 88; Huntington 83, and the others an average of 79.

ALL accounts from the Miramichi agree in saying that the salmon catch is the best for many years. The fishermen are getting good hauls in their nets, the freezers are filling up, the shipments are large, and the anglers are beginning to have good sport. The salmon exodus, like the other exodus, appears to be at an end; and there will, doubtless, be a cessation of grumbling at the fish breeding houses. The salmon industry in an important one, and a good catch means a great many thousands of dollars divided among the fishermen and the dealers.—Moncton Times.

THE strange statement is made by the Charlottetown EXAMINER that fifty or sixty voters in Queen's County were deprived of their franchise because there were no ballots for them! The supply was short, and had been exhausted. This is a new danger to be guarded against in an occurrence ought not, however, to deprive electors of the right of suffrage. Ballots should be improvised with white paper and ink for the occasion, and the courts be asked to admit them as valid on general principles. No mere technicality ought to be allowed to deprive a man of the right of suffrage, and there should be a clause in the law giving larger powers for dealing with such emergencies.—Moncton Times.

THE steamer "Carroll" sailed for Boston on Thursday evening, with a cargo of produce and the following passengers:—Miss C. Carmichael, Mrs. Disney and family, Flora McLeod, Margaret E. Gillis, M. McKenzie, Neil McDonald, Robert McCallum, Henry Brenick, Mary A. Sutherland, Francis O'Donnell, Felix Melnis, Thos. Mooney, Jas. Galt, Flora Robinson, Mrs. Wyatt, Mrs. Hugh Sherry, Mrs. Mary Dalton, A. Purcell, M. Smith, Margaret Currie, Mrs. Frank Chiverly, John Cheverie, Mrs. P. Nowlan, Maggie Anderson, Mrs. W. Swan, Elizabeth Anderson, Ella Squires, Mrs. McPherson, Mrs. William Gray, Annie Roper, Thos. Smith, Martin Naddy, W. Coady, John Harvie, James Stinson, N. A. Mitchell and son.

"THE MIGHTY DOLLAR" in which the Tavernier-Lewis Company make their first appearance this, Friday evening, is said to be one of the most comical pieces of the day. It has been played by the well-known Mr. and Mrs. W. J. Florence for the past twelve years throughout the United States, and was also produced by them at the Gaiety Theatre, London, where it made an immense hit, running for 100 nights. The Tavernier-Lewis Company are the first and only Company that have ever produced it in the Province, and it made the hit of the season in Halifax, running for five consecutive performances. The Chronicle, in an extended notice says:—"The Mighty Dollar, judging by its reception last night, will draw crowded houses for the rest of the week. Many were present who have seen the Florence in the play, and say that last night's performance was fully equal to the originals." The audience was kept in a constant ripple of laughter from beginning to end, and the whole performance is one that those who enjoy a hearty laugh and capital acting should not fail to witness.

THE CANADA TEMPERANCE ACT is now being strictly enforced in Fredericton. The Capital's Police Court report says: Joseph Ashe was sent to jail for fifty days in default of the payment of a fine under the C. T. A., which was imposed prior to the decision of the Privy Council. David Gillespie paid \$50 for a similar fine, which was also imposed before the decision. William Martin did likewise for a similar cause.

Yesterday morning George Colwell was arranged before the P. M. on a charge of having sold liquor contrary to the provisions of the Canada Temperance Act. Mr. H. B. Rainsford appeared as counsel for the defendant. There was only one witness, and he convicted Colwell. The P. M. accordingly fined him \$50 or two months jail.

Yesterday afternoon Mrs. Linforth paid \$100 fine imposed some time ago. In the evening Joseph Ashe paid his \$50 and was released.

WE understand that arrangement are being made for a first-class Tea Party at Souris, on the 27th of July, in aid of the Catholic Church at that place. Particulars of the event will be published in a few days.

THE only tea party advertised to take place to-morrow is that which takes place at Cardigan Bridge in aid of All Saints Church. The arrangements for this tea party are first-class; and there is no doubt that those who attend will come back well satisfied. A special train leaves this city for the grounds at 6.45 a. m., and will arrive at 10.35 a. m.; returning, will leave Cardigan at 4.55.

ISAAC HOLDEN, who at the age of seventy-five is a member of the British House of Commons, is an example of physical and mental vigor continued to old age. Since he has been seventy he has built himself a palace which cost £100,000. He gave a feast to his family on one of his recent birthdays, and when they came to the table his daughters found in each of their napkins a check for \$50,000.

SUPREME COURT.—The jury trials commenced to-day. The first case which is now on, is the assault case of McKennafes, White. The Attorney General for the prosecution, and Mr. A. B. Warburton and Mr. Arthur Peters for the traverser. The Grand Jury found no Bill against the girl Stewart charged with concealment. A true Bill has been found against Barnett for the recent mail robbery at County Line. His trial is set down for Monday.

THE Tavernier-Lewis Dramatic Company performed in Summerside last evening before a large house. The play was placed upon the stage in an excellent manner, and not a single hitch occurred during the entire evening. The cast was an excellent one, and the "Mighty Dollar" was given amidst roars of laughter and loud applause—by a large majority. It is unnecessary to give a lengthy report of this first-rate performance; suffice it to say that the Company well deserve the liberal patronage the public are bestowing upon them. Every one should see the "Mighty Dollar."

It is reported that, on Declaration Day, the Grits of Montague and surrounding country, made extensive preparations for a big blaze or bonfire; but the news from Georgetown that the Returning Officer did not return Dr. Robertson, and that it was conclusively shown that he was ineligible as a candidate when he nominated three a damper upon the combats, and they did not burn. A wag who watched the whole proceedings said he did not see any cause for rejoicing, except on the part of the Government supporters, and the only reason he could see for the Grits attempting to get up a blaze would be to signify that their party had gone to blazes.
