G. W. MILLER, of Georgetown Royalty, sends the following advertisement to the *King's County Advertiser*: "On Sunday night, the 25th inst., my son Isaac, a boy in his seventeenth year, left his home during the night, taking with him an old flint-lock musket, as he stated to his little brother that he and Willie McLaren and a McPhee boy were going to shoot some ducks or brant. (Who is this McPhee boy or alias?) It now appears that Willie McLaren was not in his company, nor he did not even see him on that occasion. Since noon on Monday I have made diligent search, and no information can be obtained of his whereabouts. He had on a suit of grey factory cloth and black felt hat; the waistband of his pants and the buckle straps at the back were bound with scarlet binding. The boy was very tall and muscular for his age, light hair, inclined to curl, and cut short. He would stand nearly six feet high, and very sociable in conversation. As the circumstances are very suspicious looking, I feel very uneasy, and any information that will lead to his whereabouts, either living or dead, will be thankfully received and suitably rewarded."

Liver is King.

The liver is the imperial organ of the whole human system, as it controls the life, health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. The digestion of food, the movements of the heart and blood, the action of the brain and nervous system, are all immediately connected with the workings of the liver. It has been successfully proved that Green's August Flower is unequalled in curing all persons afflicted with dyspepsia or liver complaint, and all the numerous symptoms that result from an unhealthy condition of the liver and stomach. Sample bottles to try, 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want.
