SOIRÉE NEWS.—The three-masted schooner, Delight sailed for St. Pierre with a general cargo yesterday morning, consisting of lumber, produce, cattle and fresh meats. Mr. Frank Morrow went with the cargo for G. W. Morrow & Co.

A GOOD SCHEME.—An electric rat has been invented by a Brooklyn man. Cats were in the habit of having nocturnal picnics in his yard. He made his electric rat move slowly around the place, and as each cat pounced upon it, the cat was shocked to death.

HANDSOME THAN THE PORTRAITS.—The new exhibition of women's portraits in New York has closed, and it is calculated that the receipts will amount to \$40,000, which will go to charity. It is agreed that the showing is rather handsomer than the portraits.

A VALUABLE FIND.—While digging a drain on Dorchester Street, Montreal, one day last week a man named James Norris, found an old tin spectacle case containing thirty-four English sovereigns, dating from the date on the coins, the box must have been there many years.

St. Paul's Schoolroom.—The tea and fancy sale in St. Paul's Schoolroom began at five o'clock this afternoon, and should be well patronized. The affair is under the auspices of the "Loyal Circle of King's Daughters." Tea will be on the tables from 5:30 to 6:30, and there will be soup and oysters in the evening.

IN "TROUBLE" AGAIN.—This morning about half-past nine the steamer Beedler, while coming up to Prince Street wharf on return from Rock Point, collided with the steamer Southport, while the latter was in her dock. As a result, the Beedler had her girdler broken and sustained some other damage.

GOOD TEMPLARS.—Charlottetown Lodge meets this evening at 7:30 in Easton St. Hall. A full attendance requested, as there is business of importance to be transacted. Several candidates are to be initiated, and a splendid programme has been prepared for the "Brood of the Order." Visiting templars welcome.

TWAS VERY SUCCESSFUL.—The sale of fancy articles in St. Peter's schoolroom yesterday afternoon, under the auspices of the Young People's Working Society, was very successful, about \$60 being realized. Besides five o'clock tea, there was a second-hand book table, and a box of goods from England was also disposed of.

PELICES COURT.—Yesterday afternoon Patrick Duffy was convicted of violating the Canada Temperance Act and fined in the sum of \$50 and \$10.40 costs or two months imprisonment. He paid the fine. The foreman of the jury in an assault and battery case was fined 5 cents and costs, the complainant declining to prosecute.

MORE SHIPMENTS.—A. Horne & Co. have just finished loading the schooner Swallow for Tunis, N. S., and the Champion for Pictou. Both schooners are loaded with black oats. Messrs. Horne & Co. also commenced loading the schooner Robinson this morning with white oats. This will likely be the last schooner to load in Charlottetown this season.

SEMOONER A-BORE.—The schooner Alliance, from Charlottetown for Liverpool, N. S., with passengers, went ashore some days ago at Carleton Head, Pictou, and afterwards broke up. Most of the cargo was saved. The vessel was 49 tons, owned at Liverpool by Innes & Butler. The cargo was in the Boston Marine. There was no insurance on the hull.—Halifax Mail.

DIED AWAY FROM HOME.—A telegram from Manchester, New Hampshire, reports the death at Elliott Hospital, in that city, of Miss Janie Mutch, eldest daughter of Henry Mutch, Esq., Southport. The deceased was a young lady of excellent parts and very highly respected. She was nursing in the hospital and took typhoid fever. Her remains will arrive here in the Stanley this evening, and the funeral will take place from her father's residence on Saturday at 2 o'clock. We sympathize with the bereaved parents.

MEETING OF PRESBYTERY.

The Presbytery of P. E. Island met on Tuesday afternoon in the church at Montrose and was constituted with devotional exercises by the moderator, Rev. J. K. Fraser, with whom were present Messrs Murray Coffin and Wm. McLeod, ministers; Mr. Gordon, elder, Mr. T. C. James, convener of Home Mission committee. Mr. T. C. James was appointed clerk pro tem.

A very satisfactory conference was held with the office bearers on the state of church affairs in the congregation of Montrose, Tignish and Elmfield. In the evening public worship was held in the church at Montrose, when Mr. Wm. McLeod preached to an attentive congregation.

At the close of the exercises the moderator intimated that Mr. Murray, Minister of the charge, expressed his desire for the severance of the pastoral tie at the end of March next. The Presbytery then adjourned to meet in the church at Lot 14 on the following day.

Pursuant to adjournment the Presbytery again met on Wednesday in the church at Lot 14, and was constituted in the usual manner by Rev. J. K. Fraser, Moderator, with F. Fullerton, Messrs. Wm. McLeod and T. E. Fullerton, ministers, and Mr. T. C. James, Convener of Home Mission Committee.

The edict for the proposed ordination and designation of Mr. J. B. McKay as ordained missionary to Richmond Bay east, having been returned, as duly read, was again read and the Presbytery proceeded with the ordination and designation.

Mr. Fullerton conducted public worship, preaching from Mark 3-14. Mr. J. K. Fraser having put the questions of the formula, Mr. McKay was, by prayer and the laying on of hands, solemnly set apart for the work of the Holy Ministry and appointed to the charge of Richmond Bay East for one year.

Mr. Wm. McLeod addressed the minister and the people on their respective duties and privileges. The Presbytery then adjourned to meet at the call of the Clerk.

T. E. FULLERTON, Clerk of Presbytery.

LONDON, December 4.—In consequence of numerous complaints from London dealers that their orders for September cheese from Canadian shippers are often found filled with cheese of inferior quality and earlier manufacture, the London produce brokers association and Liverpool and Glasgow dealers held concurrent meetings and unanimously passed resolutions in favor of inerasably branding the day and month of manufacture upon the cheese itself, instead of upon the box in which it is inclosed.
