WHAT A WEEK!

Well Orientation Week is over for another year and we can almost hear you Freshmen sighing with relief. Admit it though we weren't that tough on you. We hope you had fun during your week, because we had fun organizing it for you.

For the first time we had the Freshmen pre-register. This turned out to be very successful, as over half did. We had close to 300 Freshmen register and participate in Orientation Week activities. On behalf of the Committee we would like to congratulate all the winners of the various events. Especially those Freshmen who made it out for our early morning shower and picture taking session.

Although we can't mention everyone who helped, we would like to thank the

following people. Heather Love, for all her help and patience in putting up with us this summer. The Shinearama Committee, Heather, Kenny, Kent, Lester, John and anyone else who assisted in what turned out to be a very successful day. Mike Read and friends for Klondike Night, a good time was had by all. Andy Dean and everyone at the cafeteria. We may not be the greatest servers in the world but we had fun trying. Our thanks also go out to President Meinke and his family for again having the Freshmen and the Orientation Committee out to their farm. There was good food and lots of fun for all.

There are a few people that the three of us would like to take this opportunity to thank personally. To everyone on the Committee who met with

A LITTLE WET ?!

us this summer, and to those who helped during Orientation Week, thanks for all your hard work. The last but certainly not least, Jimmy Mutter, without his help we couldn't have made it through to the end. We are sorry for the nervous breakdowns we may have caused Big Guy, but we really did appreciate your help.

We hope the rest of the year continues well for everyone.
