

Thoughts of Courtesy.

Courtesy is the true characteristic of a good mind. The small courtesies sweeten life, the greater enable it. A cheerful courtesy rarely comes but either for gain or for falsehood. Courtesy covereth many imperfections and preventeth more dangers. Nothing is a courtesy unless it be meant for us and that friendly and lovingly. If ever I should affect justice it would be in this, that I might do courtesies, and receive none. The nearer you come into relation with a person more necessary do tact and courtesy become. He that is mild and courteous to others, receiveth much more honor than the party whom he honoreth. We must be as courteous to a man as to a picture, which we are willing to give the advantage of a good light.

\$500 REWARD

is offered by the manufacturer of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure. SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid; at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hoarseness or coughing to clear the throat, expectoration of offensive matter, together with scales from ulcers; the mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians, as Catarrh of the Head. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal headache. Sold by druggists everywhere; 50 cents.

"Untold Agony" from Catarrh.

Prof. W. HAUSSNER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could hardly speak above a whisper. In the morning I would speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Sneezing and Spitting."

THOMAS J. BUSHING, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly sneezing and spitting, and for the last eight months I could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure." Three Bottles Cure Catarrh. ELI ROBBINS, Rungam P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
