### WOMEN'S INTRAMURALS

#### VETS BOW DOWN TO ROOKIES

A star-studded rookie line-up from Bernardine Hall recently defeated the Bernardine Vets in a game played last week in the women's intramural softball league. The game was originally scheduled to be played between Bernardine 13 and Bernardine 24 but 13 could not field a team. Team Captain Jackie Doran of the Vets stated that in her opinion "Vince favored the Rookies." This corner has a tendency to believe Jackie - based on previous experiences with the "Big M."

Highlights of the Rookie - Vet game included a triple by Lynn Schneider of the Vets and the long ball hitting of Rookie Karen Rose. The Vets say they will not let this loss go by lightly, and have issued a challenge to the Rookies for a rematch. Should the Rookies decide to accept the challenge (which they probably won't), the game will be held in a couple of weeks time.

In the other game played in women's softball, Blanchard Hall and the Day Students were defeated by Hurricane Frederic. The tail-end of Freddy forced the suspension of the game in the third inning with the score tied 2-2. Blanchard Hall, led by Captain Carol Ann Bernard, were seen on their hands and knees just prior to the start of the third inning, looking for a miracle to stop the game - just as the Day Students were sending up the big bats of Brigid Connolly, Marcia Smallman, and Wendy Birch. Because of the interference of Hurricane Freddy - thanks to Blanchard Hall - this game will be replayed.

Entries are still being accepted for the 1st Annual Women's Flag Football. Rumors have it the Rookies; the Field Hockey team; Blanchard Hall; and the Bernardine Hall "Roughriders" may be entering teams. I would have to say on the basis of these rumors the Field Hockey team would have the upper hand. They're the roughest, toughest team on campus - and that included the football team!! See ya all next week!!

Predictions Of The Week: Sue Parlee to make a return to intramural softball. Patsy MacAulay to hit a home run for Bernadine 24 (tee-hee)!

### MEN'S INTRAMURALS

#### SOFTBALL

Well, the intramural softball league has completed its first week of the season. The turnout from each of the participating teams was remarkable - keep it up boys. During the whole week of play there was not one tie game, only victories. The Mean Machine had picked up two

of these victories, one against the Engineers and the other from the Blue Boys of Blanchard Hall. I guess you could blame the pitcher (traitor Wayne Stanley of the Education Dept.) for the latter team's loss. Ah well, you never know. Wayne may pick up a victory sometime this

year.

The Freshmen, one of the expansion teams, looks like a good contender for the title, that's if they play off against the Engineers. No, seriously, Martian Hilton's Freshmen seem to be a very stacked team. If their pitcher, Hippie MacDougall, a hard ball pitcher, can change his style towards softball fashion.

Turning to another team, Marian Hall, who I think has the greatest student participation, will be another hard contender. Here again, their pitcher Harold the Haymaker, seems to be a threat unless he can put a little more control into the ball. Their first game against last year's league champions, Engineers, was a Victory. The final score, I think, was 17-4. If this trend continues, Mean Machine will have to pull up its socks.

#### FLAG FOOTBALL

This department saw very little action last week. The league had only one

day of play, Friday afternoon. This is a very bad day to hold any kind of sports program at UPEI, First of all, there is a Pig held the night before. Secondly, not many students hang around the university after 2:30 p.m. Therefore the turnout on Friday was

not all that spectacular. One of the three exhibition games was held - Bobby Boucheur's Bruising Business Team versus Mean Machine. The victor, by one touchdown, was Business.

The second and third games were not held as I said, because of lack of participation of the Blue Boys of Blanchard and the Electromagnetic Engineers team. A reliable source had told me yesterday that the Engineers were absent because of their scheduled game with an Ohio State Flag Football team, was held that day. The other teams, Marian Hall and Staubauch's Sophomores were out in full force. That's the kind of spirit we need and I hope it continues.
