which the groom fittingly responded. The bride's table was centered with a three-tier wedding cake and vases of summer flowers.

Miss Alma MacLean, aunt of the bride, assisted in serving. Mrs. Walter MacLeod, aunt of the bride, and Mrs. Foster Young, Replenishing were Miss Marie Kennedy, Mrs. Wilbur Jarvis and Mrs. Robert Robertson, Miss Arlene Robertson was in charge of the guest book.

Amid showers of confetti the bride and groom left on a honeymoon trip to various places in the Maritimes, including the Cabot Trail. For travelling the bride chose a beige suit with white accessories and a corsage of white carnations.

Upon their return they will reside at Red Point, where the groom operates a service station.

REPORT ON HOUSING

LONDON (Reuters)—More than 1,500,000 houses have been erected in rural areas of Russia during the last 10 years, Moscow radio, quoting Pravda, the government newspaper, said Wednesday. "Nevertheless we must say that there are many serious shortcomings in our building industry," Pravda added.

CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTREAL, September 8th—One for each day of the week! . . . I'm thinking of the seven wonderful flavors created by ROYAL INSTANT for their puddings and pie fillings! They have the freshest Banana Cream and the new Strawberry Cream taste as if you've just prepared the fruit! All of the seven puddings are super-homogenized—creamy and smooth—light and fluffy! You can make them for puddings or pie fillings in a minute—without cooking! So order all seven—and serve them often to your lucky family—Banana Cream, Strawberry Cream, Chocolate, Butterscotch, Vanilla, Caramel and Coconut Cream! Each one's delicious!

Your Child's Health . . . as you know so well . . . depends on his getting the formula that suits him best. Did you know that you can obtain three different types of FARMER'S WIFE milk? They are prepared especially for infant feeding—and your doctor will advise you which one to select. Maybe Whole Milk (Red Label) . . . Perhaps, Partly Skimmed Milk (Blue Label) . . . or Skimmed Milk (Yellow Label). Make sure that your baby is fed on Canada's premier baby food. It's made by Cow & Gate (Canada) Limited—for babies ONLY!

The New Adventure . . . you and your baby meet when the little one first starts on solid food . . . is made truly enjoyable when you serve AYMER Strained Barlett Pears. It's important for baby to like the first taste of solid food—to have something light and easy to digest—yet nourishing. Aymer Strained Barlett Pears give the perfect answer to all these needs. They are the only strained pears for babies sold in Canada which have nothing added except a little sugar for sweetening. And of course they're fully ripe pears are extra finely strained. I can recommend them highly . . . and I know your doctor will do the same.

Pe Made Sandwiches—for my two children for many years. And one thing which I know is most important—is having them fresh and tempting at noon! That's why, like thousands of other mothers, I seal them with "SCOTCH" CELLULOSE TAPE. It keeps the air—keeps the package neat—keeps the youngsters happy! . . . And, of course, there are scores of other uses for "Scotch" Cellulose Tape—for mending broken crayons; school-books; pasting pictures in the youngsters' scrap books and albums. It's wonderful how many uses this practical little home helper has. You'll find it in the gay plaid dispenser at stores everywhere.

It Means So Much To A Child . . . with busy school days ahead, to keep healthy and full of life. Very important, is to keep the bowels moving regularly. And the best way to do that is to use the laxative clinically approved for children—CASTORIA . . . It gently coaxes, never forces . . . because it contains a mild vegetable regulator . . . So don't use a harsh adult's laxative—but get Castoria! A large bottle 45c . . . or the economy family size 75c. Irregularity can cause so many troubles—keep your child free of them!

Summer Was Lovely—but most of us find it had a drying effect on our hair. Maybe too much sun—or wind—or dust! So now that September's come—let's make up our minds to use WOODBURY COCONUT OIL SHAMPOO—because it's the natural oil shampoo. Woodbury is gentle on the hair and scalp—washes your hair to shining loveliness—yet does not wash out the natural oils which give your hair life and body. Your hair's as easy to manage, too—even right after a Woodbury Shampoo! You can discover Woodbury for yourself right now—at a special bargain—the big \$1.20 size is only 59¢—for a short time longer!

A Candy Treat that everyone will love is this "No-Cook" Peanut Butter Fudge made with CROWN BRAND CORN SYRUP. It's so simple the youngsters can mix it up themselves!

"NO-COOK" PEANUT BUTTER FUDGE
1 cup peanut butter
1 cup CROWN BRAND Corn Syrup
1/2 cup skim milk powder
1/4 cup icing sugar
MIX together (with spoon) peanut butter and CROWN BRAND Corn Syrup in a large bowl. ADD dry ingredients all at once. MIX with hands, using a kneading motion until thoroughly blended. SCRAPE off any dry ingredients clinging to the bowl and knead into the fudge. CONTINUE to knead until smooth. PLACE on board, roll or pat to 1/2 inch thickness; allow to set 5 minutes. CUT into squares with sharp knife. YIELD: 2 pounds.
NOTE: If desired, 1/2 cup cocoa may be added with the dry ingredients.

Satisfying the hearty appetites of school children is no problem at all when you do your food buying at CO-OP SUPER MARKET. Here you will always find a vast variety of delicious nutritious foods for a lunch that packs a punch . . . or an after-school snack with a knack for pleasing the youngsters. BLEM rubs out burns, scratches, scars no furniture polish can touch!

BURNS: Dab on BLEM and rub vigorously. BLEM removes charred edges, helps restore colour. Let dry. Rub BLEM off. Then apply Johnson's Pride to the entire surface.

WHITE MARKS: "Rings" and marks can be rubbed out with BLEM. Not a "wiping agent," not a polish, BLEM actually reconditions the surface. Then Pride restores the wax lustre.

OTHER STUBBORN MARS: Scratches, sharp edges, most blemishes caused by nail polish, polish remover, milk, alcohol, etc. can be rubbed out or greatly minimized with BLEM.

Blem is a professional finish-restoring compound for furniture.
