

Fine Facilities Provided In East Wiltshire School

Congratulations are extended to the trustees and rate payers of the East Wiltshire district in the completion of their modern and beautifully finished new school.

For a number of years it was agreed, that the former school which had served several generations, was outmoded and in times when the cost of financing presented a formidable problem, the people of this district were required to make the decision of providing better educational facilities for their children.

They realized that this need came before financial consideration and early last year a site was selected just across the road from the former building which has stood for years at the junction of the Cornwall and the Kingston roads.

The building which was constructed by Mr. Lloyd MacKinnon, general contractor of New Haven, lacks nothing of which the latest one room school can boast. The exterior is finished in red cedar shingles with fireproof shingles on the roof.

will remember with pleasure, for a long time to come, the opening of this splendid new educational institution. Invited guests will include the members of the Legislature for the 2nd. District of Queens County, former teachers, parents and rate payers of the district.

Tells How To Live Happily In Toronto

TORONTO, (CP)—Rabbi Reuben Slonim says he's found a formula for people to live happily in Toronto.

First he lists the "don't's." Don't think you have to live in Toronto if you don't want to; you're free to move; don't try to make Toronto into a small town like the one you came from; don't try to take in everything Toronto offers; don't be misled by Toronto's seeming cynicism, and don't expect too much from Toronto.

On the "do" side, Rabbi Slonim said in a sermon Saturday that people should learn to enjoy the beauty of Toronto, learn the technique of making friends and take advantage of Toronto's cultural opportunities.

Social Action and Child Welfare. Mrs. Alfred Morrison, seconded by Mrs. Leo Doyle.

It was moved by Mrs. Alfred Morrison and seconded by Mrs. Hubert Morrison that a prize will be given to each child who passes the Catechism examinations in the ensuing year.

Rev. Fr. Wood addressed the members and thanked them for their Christmas gift. He praised them for their excellent work and interest in the League and urged them to continue to further the work of the Catholic Women's League.

Mrs. Charles O'Brien invited the members to her home for their next meeting on February 13th.
