NEW YORK

NEW YORK (AP)—The stock market Thursday sustained its first clear - cut loss in 10 straight sessions. Trading was active.

The series of daily advances was uninterrupted except for Monday's mixed session when the Dow Jones industrial average gained slightly while other averages conflicted.

Thursday's slight retreat came in the face of generally good business news. It was in line with predictions of numerous market analysts that the list was due for a rest of some kind.

Even so, losers outnumbered gainers by 562 to 515, among the 1,345 issues traded.

Volume remained at a vigorous 5,670,000 shares compared with 5,920,000 Wednesday.

MODERATE LOSS

After nine straight daily gains, the Dow Jones industrial average took a moderate loss of .89 to 818.36.

The Associated Press average of 60 stocks made a minimal gain of .1, enough to make a record high at 303.1.

A flurry of late trading pushed Xerox to the top of the most-active list. It rose 2¼ to 89¼ on 131,300 shares.

Among Canadian issues traded, Aluminium Ltd. and Walker Gooderhom gained ½, Distillers Seagrams ¼ and Granby Mining and Hudson Bay Mining ⅛. International Nickel fell ⅛.

Prices on the American Exchange were irregularly lower. Canadian Javelin and Jupiter Corp. fell ⅛, Scurry Rainbow Oil ¼ and Fargo Oil and Molybdenite 1-16.
