

The 1951 racing season in the Maritimes has started off in good style with some real exhibitions of speed at Truro and Sydney. At Parkview the meet had to be called off when half through because of a downpour of rain. The fastest performances of the afternoon were those of Bonnie's Boy (More-side), winner of the No. 1 class A. Div. and Jerry Grattan (E. Smith), winner of the No. 1 Class B. Div. both in 1.08. Some promising material showed up, both trotters and pacers, and will no doubt be heard from before the season is over.

At Truro better weather prevailed and the entire race card consisting of eight dashes was finished. Pleasing to the management must have been the attendance of over 1,500 people. Our friend, James L. Read very thoughtfully sent up a marked score card with particulars about the various horses. He liked the trotter, The Great Doon very much. He was purchased by H.M. Sweeney at the Harrisburg sale last November, has a record of 2.11 and the seller stated that he was one of the nicest and most pleasant big horses anyone ever saw, can leave from behind the Gate as fast as most any horse, which is borne out by the fact that he won his first dash in 1.03 2/5 Monday with Baron 2.11 second. Charlie Willis who was present, said that one of the surprises in that heat was Lusky's Queen that was right with The Great Doon at the quarter, stepped around 31 seconds.

The real fireworks was turned on in No. 8 Classified Pace half-mile dash, which was won by Hedgewood Chief, owned and driven by Heber Sweeney in 1.02 2/5—terrific lick for this time of year. This horse took his record as a four-year-old in a \$2,000 pace at Roosevelt Raceway June 30th, 1950—2.06 2/5. He should be one of the top free-for-allers of the Maritimes this season. The trotter Jim 2.13, bay gelding by After Glow, went a surprisingly good heat in the second race heading a good field to the wire in 1.06 2/5. He is owned by A. E. Gregoire of Halifax and is driven by Lloyd Walker. Jimmie Power's former trotter Dr. L.B.—now on the pace—won the 6th race in 1.05 1/5 and was down to the quarter in 31 1/5 seconds.

At Sydney, C.B. Sports Centre the attendance was 1,700, certainly pleasing to the management. The well bred Lillian Budlong, daughter of Calumet Budlong 2.02 3/4 and Plucky Scott 2.06, won both of her races in 1.05 3/5. She was driven by C. Campbell. In doing so she headed some classy pacers. V. Dale (Dakin) won the 4th race in 1.06 2/5, showing great improvement and indications of being a good respect for this season. George Lewis, who was practically retired from racing last season, was up behind his favorite pacer Donna Dillon in the third race and she won in the excellent time of 1.04 2/5. Many will remember this mare when she raced at Covehead a couple of years ago. She certainly has a lot of whiz. In the seventh dash both Johnny Early (Chalison) and Peter-at-Court were in front of Donna Dillon at the wire with the time 1.04 2/5.

And now we come to perhaps the best performance of the afternoon for those who like the trotters, in the match race between Cobblestone (W. Lewis) and Rajah Hanover (Sweet). Cobblestone won both heats, the first in 1.06 3/5 and the second in 1.04 4/5. As a three-year-old last year he took a mark of 2.13 1/5 and won 21 dashes. This season we can pretty safely predict 2.10 for him.

A letter from Frank Acorn received Thursday gives some particulars of his trip. At Moncton he looked over the stable of Harvey Cormier and was quite impressed with the condition of his horses and particularly his free-for-all pacer Time Counts. At Fredericton he saw the Forbes stable in charge of Frank McAliduff, and likes Pat D., who is now going quite sound and should be a big factor in the fast classes. Miss Eloise, the good trotter that won here early last season, has been turned over to the pace.

At Woodstock Frank was shown around the plant by Colonel Calkin and Henry DeWitt, saw Johnny McManus, Roy Barnett, Don McNeill and Jimmie Smith. Jimmie has a big stable with all the horses in good shape. Barnett's horses are also well along in training. He also saw Frankie Carr and

Bob Brown's horses and appear in wonderful shape and horsemen say this should be Bob's best season. Mr. DeWitt, in fact all the Woodstock horsemen, were feeling bad over the fact that June Morning has broken down. Much was expected of her this year. Frank thinks the Woodstock plant is a very fine one and believes they will have good success with their night racing. He was taken around the Fredericton plant by Thane Belyea and introduced to the boys there. The track looks good and no doubt many more wonderfully fast miles will be trotted or paced over it.

Frank was at Richelieu Park on Sunday and saw the races there in which some real good trotters and pacers took part. In the Free For All Derby Day 2.02 2/5 was at the rail. Adage 2.02 tried to make the top and stayed on the outside all the way until they hit the stretch and then Captain Cash 2.02 3/5 came roaring home with his last quarter in 29 1/5 seconds. The first quarter was in 30 seconds, the half in 1.02 and the three-quarters in 1.32. He was much impressed with the trotter Our Victory 2.11 that went away trailing, made a break at the five-eighths, then came on to win by a length in 2.12 1/5. He also saw a very likely pacer in Admiral Lee, that took a record of 2.11 3/5 last season as a three-year-old. He is by the California sire Perk Axworthy, whose get Joe O'Brien trained and raced last year. While he only finished fourth he had to go around a lot of horses and his mile was as good as 2.10. While in Montreal Frank went to Blue Bonnets track and saw the runners gallop around, but they didn't interest him like the trotters and pacers do. He ends with: "Am leaving Wednesday for home. Will stop off at St. Stephen on the way down. Hope to arrive by easy stages on Saturday."

Edwin T. Keller, race secretary at Gorham, Maine, raceway, has very kindly sent us a complete list of the stakes which will be raced there July 2nd to July 28th and which we will be glad to pass along to any interested party. There are no nominating or starting fees. Horses must be named on June 15th. Purses range from \$1,500 to \$2,000 and classes are from a two-year old and 2.28 pace to a 2.14 paced. Mr. Keller has just returned from handling the big race meeting at Bay Meadows, California. Our boys who met him at Foxboro liked him very much and that is the way it is with all who meet him.

The management of Roosevelt Raceway are expecting two-minute miles as a possibility this season. Right now the records for the mile both on the trot and on the pace are world's records, the former held by Proximity is 2.01 1/5 made on June 24th, 1950, and the pacer mark is held by White Mountain Boy 2.00 3/5 made on June 10th, 1950. The racing strip is regarded by horsemen as the fastest half-mile oval in America. It has been pounded steadily by horses in training for over a month and is said to be almost at its peak.

Earle Avery, formerly of Woodstock, N.B., who drove Bud Wenger 2.05 1/4 to the track pacing record at Charlottetown of 2.05 1/4, August 20th, 1938, has been really going to town this season, being one of the leading drivers at the recent meeting at Yonkers, N.Y., and now one of the tops at Rosecroft, Maryland. Two weeks ago he drove Freddy Hawk to a win in the \$1,500 Memorial Pace in 2.06 3/5, and a week later won another feature race there in 2.05 4/5, which equals the track pacing record. Every paper we pick up shows a win or place for our old friend Earle. In that record-breaking race at Charlottetown Bud Wenger was closely pressed each heat by Calumet Budlong 2.02 3/4, driven by Billy Hood.

Egan Hanover 1.59, that was sold to an Italian buyer for a reputed price of \$40,000, recently scored his first continental win with a victory in Naples. He has rounded into excellent form and is expected, now that he is acclimated, to be the champion trotter of Europe.

Governor Fred G. Payne of Maine has signed a bill prohibiting night thoroughbred racing in the Pine Tree State. Protests were made by owners of harness horse tracks that the introduction of the thoroughbreds to night racing would seriously interfere

LITTLE SPORT

Officials of the Charlottetown Tennis Club announced yesterday that they will hold their first tournament of the season there on Sunday of next week. It will be the first of a series of friendly invitation matches between the City and the Summerside R. A. F. station club, a feature that was inaugurated with much success last year. It had been planned to hold the matches this Sunday but owing to the Air Force Day celebrations at Summerside this week-end and the present uncertain weather conditions, it has been decided to postpone the tourney until next Sunday.

Work on the new clubhouse at the City Club site is fast drawing to completion. With the exception of a few trimmings around windows, shutters, etc., the painting of the building has been finished and workmen were busy during yesterday putting the finishing touches on plumbing and lighting installations. In connection with the latter, the installation has been completed and officials are now awaiting the final O.K. from the City electrical inspector before the final hooking up of the power lead is made.

Club officials also state that the present drive for membership is being received well and that many memberships, both old and new, are being taken out daily and gives promise of a successful season this year. The more the merrier is the motto of the club as far as membership goes, however, and club officials are ready to welcome any new members who have a desire to join while the membership date is still open.

The first tournament activity at the Charlottetown Golf Club's Belvedere course will get underway for the season there this afternoon when the Club will hold the first stage of the President's Match, commencing at 2:15. The first of the five-stage, medal play competitions is expected to warrant a large turnout of golfing enthusiasts today.

It was only a few weeks ago that new changes in playing rules for next season made by the Canadian Amateur Hockey Association were being widely discussed and now the National Hockey League officials have come up with some revisions and changes too. At their annual meeting held at Montreal on Thursday, the N.H.L. also gave its sanction to one of the major rule changes made by the C.A.H.A. at their Halifax meeting, regarding "icing the puck."

The new amateur ruling, which received the N.H.L.'s sanction, now states "a player must carry the puck over the defending team's blue line. If he shoots from his own side of that line, the puck will be considered "iced" when it crosses the goal line, unless it is touched by a goalie or a goal scored." The C.A.H.A.'s purpose for the change is to cut down on the National play and contention in the corners and to force a return of more stickhandling and give the blue-line corps a wider scope for body-checking and defensive action. The old rule only called a play back for "icing" when the puck was shot from behind the red line at centre ice over the goal line.

One of three proposals, held over by the C.A.H.A. to discuss further with the National League body, was adopted by the meeting at Montreal—that of eliminating the two face-off spots at either side of the net in the defending zone, in favor of one circle directly in front of the net, a distance of 20 feet out. The size of the circle has also been increased from a radius of 1 foot to 15 feet. The other two proposals which the C.A.H.A. were going to put before the N.H.L. was the eliminating of the red line and the extending of the blue lines towards centre ice an additional five feet. Reports on the N.H.L. meeting didn't say whether the proposals were dealt with or

Yankees Halt Winning Streak Of White Sox

By The Canadian Press
New York Yankees Friday night halted the second sizzling winning streak of Chicago White Sox by turning back the American League leaders 4-2. The defeat ended the White Sox's victory string at six games.

A record-smashing crowd of 53,940 saw the game between the first and second-place teams in Chicago's Comiskey Park. It was the first of a four-game series.

The previous record attendance was 53,325 for a doubleheader with Cleveland May 16, 1949.

The defeat left the White Sox in command of the pennant race by 3 1-2 games, with 30 victories against 12 defeats. The pursuing Yankees are second with 30 victories against 17 losses. New York's victory was the third in four games against the White Sox this season, the only club to hold an edge over them.

An eight-run outburst in the eighth inning paced Detroit Tigers to a 9-2 victory over Philadelphia Athletics in an American League game Friday, Dizzy Trout spaced nine hits to record his third triumph against six losses.

Jerry Priddy singled to start the third inning romp and, appearing a second time in the inning, drove home the eighth run with another single.

Starter Carl Schief suffered his fifth loss against one victory. The Tigers smashed 12 hits off him and relief pitchers Morris Martin and Ed Burtchey.

The Tigers sent 12 batters to the plate in the third. It was the most runs they had scored in one inning this year.

Three National League games—Cincinnati at Philadelphia, Pittsburgh at Brooklyn and Chicago at New York, were postponed because of rain.

TRURO, N.S., June 8—(CP)—Truro Bearcats and Liverpool Larupers were tied 4-4 today when rain halted a scheduled Halifax and District Senior Baseball League tilt in the sixth inning.

not, but it can probably be assumed that the changes were not considered necessary or advisable if no mention was made on the subject.

One of the major changes made by the N.H.L. governors was the extending of the goal-crease from three feet by seven, to four feet by eight. The crease will now extend a foot further out in front of the net and six inches outside each goal post. The increase is to give the goalie more room to manoeuvre in front of his cage without player interference. The increase will also help to offset the new face-off circle in front which will tend to make it tougher on the custodians.

I offer my Simcoe Harvester trotting mare "Just Trixie", for sale.

HUNTERS' CORNER

By Rouson

At a meeting of the executive of the Queen's County Branch Fish and Game Association held on Tuesday evening in the office of Simpson's Agency, Charlottetown, a partial list of the prizes offered in the Crow Shooting Contest sponsored by the Queen's County Branch Game Association was arranged.

A Grand Prize of fifty dollars for the entrant turning in the greatest number of crows' feet was put up by the Queen's County Branch Association. A second prize donated by R. T. Holman, Ltd., Charlottetown, is valued at approximately \$40.00 and consists of 12 duck decoys, a hunting coat complete with vest and cap and a box of 12 ga. shells. The Rogers Hardware, City, have donated nine boxes Imperial 12 ga. shotgun shells valued at approximately \$36.00. The Crow Committee will make a decision in a few days as to how this donation will be distributed in the prize list.

In addition to the open contest a Junior Competition open to entrants 16 years of age and under is being put on in conjunction with the open contest. Three prizes only are offered in this contest. A first prize of \$15.00 is offered by Island Pheasant Unlimited. (This organization is also putting up a prize of \$10.00 in the senior shoot). Second prize, donated by the Bike Shop, City, is a shooting coat valued at \$13.00. The third prize is \$5.00 put up by B. Graham Rogers, City.

No contestant may win more than one prize but juniors are eligible for one of the senior prizes if they present sufficient crows' feet to place them in a higher bracket. To be eligible for a prize all contestants must be members of the Queen's County Branch Fish and Game Association. Senior membership \$1.00; Junior 50c. This is a point not to be overlooked. Last year a contestant from Prince County could have won a \$25.00 prize with six crows' feet—only he wasn't a member of the Association. All feet are to be turned in at or mailed to the office of the Royal Packing Company, City.

Many other valuable awards have been donated and a complete prize list will be published shortly. It is expected that over 15 prizes will be competed for in the open crow shoot. Get busy, boys, and help keep the crows under control and win something useful in the hunting game. Ed Wood, Pownal, won the Grand Prize last year, an automatic shotgun, with a total of 357 crows. Ed claims that he will not be a threat this season in respect to the first prize as he hasn't the time at his disposal. Ed is always dangerous

S'ide Baseball Season Will Open Monday

The opening of the baseball season, delayed by the construction of new grounds and by the rainy weather, will get under way at Summerside on Monday when the Curran and Briggs Juniors play host to the R. C. A. F. team in the first game of the Summerside Town League. Alan Stewart, mound hero of the historic Junior series with Saint John last October, will probably be throwing them in for the Juniors while the firmers are expected to depend on either Button or McCulloch for the pitching assignment.

The Summerside Legion Band will be in attendance and a P.A. sound system will be installed to give the spectators all the necessary information about the players.

A number of new faces will appear in the Flyers' line-up. Hogan, a smooth fielder and dangerous hitter, will play in short field, the Island veteran, Hunter, is expected to be the catcher and Green, a young player who has already demonstrated his ability to bash the apple, will be in the outfield. There will be quite a number of young and comparatively inexperienced ball tossers on the C. & B. team, but Paul Schurman, who caught for the Juniors last year will be back in his old position.—S.

PHILADELPHIA, June 8—(AP)—Philadelphia Phillies today announced the sale of reserve outfielder Dick Whitman to St. Paul, Brooklyn Dodger farm club in the American Association. Whit-

Jimmy Herring Wins Decision

NEW YORK, June 8—(AP)—Jimmy Herring, 19-year-old Brooklyn brawler, evaded the bullish rushes of Jimmy Flood tonight to outbox his ever-willing foe for an eight-round decision at Madison Square Garden. Flood weighed 163, Herring 157 1-2. A small crowd of 4,026 paid \$12,150 for this neighborhood brawl that closed out the regular Garden season.

Terry Moore, 22-year-old Baltimore middleweight, won a split decision over Jose Basora, rugged Puerto Rican veteran in the first of three eight-rounders.

First Stage Of President's Match Scheduled Today

The first stage of the President's Match will be played at the Charlottetown Golf Club this afternoon commencing at 2:15. This is a Medal Play Tournament played in five stages on a handicap basis with total points on the season's play determining the winners.

Today's match will mark the first official club tournament of the season and as the course is in excellent condition a large turnout is anticipated. Entries will be accepted at the Club House.

man was sold to make room for Tom Brown, infielder-outfielder, purchased Thursday from Dodgers.

ATTENTION HOCKEY FANS

The Annual Meeting of the P. E. Islanders Hockey Club will be held in the Legion Hall, Charlottetown, on Tuesday evening, June 12, at 8 p.m. Shareholders are requested to present their holding cards at the door.

By order,
THE EXECUTIVE,
P. E. ISLANDERS HOCKEY CLUB.
