Devilish Topper
Dairy sour cream tops a chocolate Devil's Food Cake straight from the oven in a matter of minutes. For a 9 by 13-inch cake combine 1 1/2 cups sour cream, 1/2 cup brown sugar and 1/2 cup coarsely chopped pecans. Spread over hot cake and return to the oven for 5 minutes or until set. Cool thoroughly and serve garnished with maraschino cherries or sliced bananas.

Cloud Nine Torte
Wedding showers in the offing? Take two light tender meringues, add tangy peach slices, crunchy slivered almonds and the special magic of fluffy whipped cream for a dream of a dessert. For two 9-inch round meringues count on using a pint of whipping cream, 2 (16-ounce) packages frozen sliced peaches and 1/2 cup slivered almonds. Shortly before serving, thaw the peaches, and drain well. Whip the cream until softly stiff, sweetening slightly, and layer the ingredients on your prettiest cake plate.

Perfect Potatoes
Yesterday's left over roast takes on new life when served with hot Potatoes Anna. To make this easy dish, slice 6 medium-sized potatoes thinly and melt 6 tablespoons butter. Arrange the potato slices in concentric circles in a buttered 1-quart casserole, brushing each layer with melted butter and seasoning with a sprinkle of salt, pepper and chopped green onion. Top with 3 tablespoons shredded Canadian cheddar cheese and a few grains cayenne. Bake in a 400°F oven until crisp and brown.

Salad Forecast
Spring salad bowls will be the going fashion when teamed with our new fruit and cheese dressing. To 1 cup dairy sour cream, add 1/2 cup shredded Cheddar cheese, 1/2 cup drained crushed pineapple and 1 tablespoon lemon juice. Chill well and serve over tossed salad greens and julienne strips of cooked meat or chicken.
