

Wings Explode In Third To Eliminate Black Hawks

By JERRY GLADMAN
DETROIT (CP)—A pair of goals late in the third period by veteran Dean Prentice Tuesday night gave Detroit Red Wings a 3-2 triumph over Chicago Black Hawks and a berth in the Stanley Cup finals against Montreal Canadiens.

The victory enabled the Wings to capture the best-of-seven semi-final series 4-2. The best-of-seven final series is scheduled to begin in Montreal Sunday.

The goals, coming within 63 seconds apart with less than five minutes to go in regulation time, were the third and fourth of the playoffs for the 33-year-old Prentice, a native of Schumacher, Ont., who came to Detroit from Boston Bruins midway through the season.

Andy Bathgate, who has played a standout series for the Wings, accounted for the other Detroit goal, his fifth in six games.

The Hawks scored both their goals in the second period after trailing 1-0. Defenceman Pat

Stapleton with his second of the series and Phil Esposito, with his first, got them.

CLIMAXED BATTLE
The two-goal outburst by Prentice climaxed a fiery, hard-fought contest during which there were several flareups.

One player, Gary Bergman of the Wings, was involved in a brawl with rinkside fans.

The Hawks appeared to have the game wrapped up in the final period as they turned back numerous assaults by the Wings. Goaltender Glenn Hall

sparkled in the Chicago net as he kicked out labelled shots from all angles.

Play slowed considerably in the first half of the third period as the Hawks checked furiously in attempt to protect their lead. The Wings never stopped try-

ing, but they couldn't penetrate the shell around the Chicago goal until Prentice finally found the mark.

Veteran centre Alex Delvecchio, in his 15th season with Detroit, set up both goals. On the first, at 16:25, he pulled the puck loose from a scramble against the boards and whipped it out to Prentice, who was standing all alone about 10 feet out. Prentice fired into the right corner as soon as the puck touched his stick.

ERIC JUST MISSED

After Detroit goalie Roger Crozier made a brilliant save on Eric Nesterenko, who was right on top of the goalmouth, Prentice scored the winner. Defenceman Bill Gadsby, a 20-year veteran of the NHL but never on a Stanley Cup winner,

started the play. He passed to Delvecchio who relayed it to Prentice.

Prentice dived, pulled in, jammed the puck into the open left corner. The goal came at 17:28 and brought a torrent of items onto the ice from the 15,154 fans, largest hockey crowd of the season at Olympia Stadium. The game was delayed for almost five minutes as attendants swept up the litter.

The goals put Prentice, in his 14th NHL season, in his first Stanley Cup final.

Japanese Dominate Boston Marathon

By MORRIS BROWN

BOSTON (CP)—Kenji Kimihara, 20, of Japan, won the 70th running of the Boston Marathon Tuesday as the Japanese team swept the first four places in the event.

Kimihara came on strongly near the end of the 26-mile, 385-yard race to outrun teammates Seiichiro Sasaki and Toru Terasawa, second and third. Fourth was Hirokoazu Okabe.

The time was 2:17.11, well below the record 2:16.33 set by Morio Shigematsu of Japan last year.

Fifth was Norman Higgins of Santa Monica, Calif., sixth was Dave Ellis of Toronto, the first Canadian to finish.

With a little more than four miles to go Terasawa, 31-year-old coach-trainer of the Japanese team and Okabe, 24, were duelling for the lead with Kimihara and Sasaki falling back. But Kimihara came on in the final stretch and beat Sasaki by 13 seconds.

TRAINED THREE WEEKS
Ellis, 28, an English native who has been in Canada six years, said after the race he only trained seriously for the last three weeks because of cold weather.

"I tried to stay with them," he said on the fourth day of the first four innings, and the Orioles held on for a 14-8 victory over Washington Tuesday night.

Frank had three hits, increasing his average to .476, while Brooks added two for a .400 mark.

PITTSBURGH (AP) — The red-hot Pittsburgh Pirates backed the seven-hit pitching of Steve Blass with a 17-hit attack Tuesday night and won their sixth game in seven starts, trimming Cincinnati 7-3.

The victory was the fourth straight for the Pirates, who are tied for first place in the National League with San Francisco.

CLEVELAND (AP) — Fred Whitfield hit a three-run homer and Sam McDowell struck out 12, sparking Cleveland Indians to a 3-1 victory over New York Yankees Tuesday night. The triumph was the fifth for the undefeated Indians.

Whitfield's shot over the right field fence in the fourth inning provided all the runs McDowell needed in running his record to 2-0.

Roy White's homer in the eighth, his first in the major leagues, gave the Yankees their run.

McDowell gave up seven hits and walked four but was tough in the pinches. He pitched himself out of a one-out, base-loaded jam in the fifth by striking out Roger Maris and Tom Tresh.

Mel Stottlemyre took the loss.

GREEN BROKE NO-HITTER
Right-hander Dennis McLain held the Red Sox hitless for 5 2-3 innings in the second game before Lennie Green poked a single into right field.

The Red Sox rallied for four runs in the eighth before Larry Sherry finally retired the side.

The victory was the second in two starts for McLain. Jim Lonborg, the first of five Boston pitchers, took his second loss.

PHILADELPHIA (AP) — Wade Blasingame's slow-bunt that rolled foul, then fair just inside the third base line set up a two-run third inning that carried Atlanta Braves to a 3-1 victory over Philadelphia Tuesday night.

Reforestation Speed-Up Is Waged

OTTAWA (CP)—Canada's reforestation efforts should be "greatly increased" to meet predicted industrial needs at the end of this century, William McMahon of Vancouver, president of the Canadian Forestry Association, said Tuesday.

At present, Canada grows more wood than is needed by the industry, but "there is every indication that by the end of the century our present rate of growing wood will not be sufficient to satisfy the rapidly increasing demands," he told the association's one-day annual meeting here.

"Much greater emphasis on tree planting is needed, he said.

"When one considers the time needed to grow trees to commercial size, it is too late to wait until growth balances cut before undertaking increased planting programs."

Wood growth could be increased now with an expanded program of three planting on accessible abandoned sub-agricultural land and in areas of cutover where natural growth is not adequate but where high volume crops could be produced.

SUGGESTS CO-OPERATION
Co-operative action between the three levels of government should begin now, Mr. McMahon said.

This was also the case in the field of forestry needs for recreation.

NEW YORK (AP)—Tim McCarver's bases-loaded triple in the fifth inning led St. Louis to a 5-2 victory over New York Mets Tuesday.

The defeat, dropping the Mets to the .500 level, was the 10th straight for Jack Fisher. His last victory was over the Cards, last Aug. 21.

St. Louis routed Fisher in the four-run fifth.

The winning pitcher was Larry Jaster.

Ken Boyer, who made two errors, hit his first homer as a Met against his old mates with the bases empty in the sixth.

Giants Capture Slugfest; Mets Drop Back To .500

CHICAGO (AP)—San Francisco Giants unloaded a barrage of four homers, including the 500th of Willie Mays' career, and put together a three-run rally in the eighth inning for an 11-10 victory over Chicago Cubs Tuesday.

The Giants had to battle from behind to spoil Leo Durocher's home debut as manager of the Cubs.

San Francisco won it in the eighth with Don Landrum's two-run double the winning blow.

Jesus Alou started the rally against reliever Ted Abernathy with a one-out double and Mays singled him home, the fourth hit and fourth run-batted-in for the Giant captain. After a walk and another out Landrum cracked his double.

FANNED CLINE
The Cubs got one run back in the bottom of the ninth before Bob Bolin, the eighth Giant pitcher, fanned Ty Cline for the last out, with the bases filled.

The eight pitchers in one game tied a National League record.

Orlando Cepeda, Hal Lanier and Jim Hart also slugged homers in the Giants 16-hit attack.

Three-run homers by rookies Randy Huntley and Byron Browne had helped the Cubs climb into a 9-6 lead through five innings but the Giants kept pecking away.

Mays hit his third homer of the season in a three-run Giant rally in the fifth.

HOUSTON (AP) — Houston Astros knocked Don Drysdale

out with a four-run fifth inning and defeated Los Angeles 8-5 Tuesday night.

Jim Wynn's two-run homer off Bob Miller in the eighth inning clinched the victory.

Drysdale, a 32-day holdout making his second start of the season, took a 5-2 lead into the fifth but departed for Johnny Podres after the Astros scored two runs and had two runners on.

In all, Drysdale was touched for six runs and six hits in 4 1-3 innings. He also walked three.

BOSTON (AP) — Boston Red Sox shut out Detroit Tigers 7-0 Tuesday in the opener of a doubleheader for their first victory of the season, but the Tigers took the second game 6-4.

Dave Morehead and Ken Sanders combined for the Boston Shutout. Morehead was sailing along with a two-hitter when his shoulder stiffened after five innings and Sanders went the rest of the way.

Home runs by Carl Yastrzemski and rookie George Scott paced the Red Sox attack.

Bill Monbouquette, making his first start against Boston since being traded to the Tigers, suffered the loss.

GREEN BROKE NO-HITTER
Right-hander Dennis McLain held the Red Sox hitless for 5 2-3 innings in the second game before Lennie Green poked a single into right field.

Henry Cooper Will Go For KO

By GRANVILLE J. WATTS
LONDON (AP) — "I don't make predictions, but I'll go in there and try to end it fast," British Empire heavyweight champion Henry Cooper said Tuesday.

Cooper was talking about his title fight with champion Casius Clay in London May 21.

"Clay is a fast mover with a long reach. My job will be to try and get inside and catch him with my short left hook," Cooper said.

RANKED SIXTH
Cooper, ranked sixth by Ring Magazine, demonstrated the effectiveness of that punch to Clay during their previous fight in London June 18, 1963.

The Briton dumped Clay in the fourth round of that scheduled 10-rounder.

Clay came back and cut Cooper so badly about the eyes in the next round that the referee stopped it and awarded the fight to Clay.

"I've proved that Clay can be put on the floor," Cooper said. "You can reach him. It's up to me now to catch him with a good punch."

Cooper was interviewed in the dressing room of his regular gymnasium at the Thomas A. Beckett Pub on Old Kent Road.

In the large bar below, a Beatle-type group was rehearsing. A Mynah bird screeched and cursed in another corner. On the wall was a glass case enclosing the red gloves with

which Cooper regained the British title in 1959.

Cooper said Clay's style doesn't seem to have changed much. "I studied films of his recent fight with George Chuvalo."

"He likes to move and jab. Chuvalo didn't seem to have much success to the body."

"I have no plan worked out. I'll try and put my best punch right on his jaw."

Celtics Tie Series

BOSTON (AP)—Boston Celtics turned loose their big guns in the first half and breezed to a 129-109 victory over Los Angeles Lakers Tuesday night, tying the National Basketball Association's championship series at one game each.

The Celtics built up a 71-47 halftime lead and withstood a brief Los Angeles flurry in the third period before a sellout crowd of 13,909 at Boston Garden.

Six Boston players scored in double figures with John Havlicek and Sam Jones leading with 21 points each. Larry Siegfried contributed 20, Bill Russell 19 and Tom Saunders and Don Nelson 11 each.

SPORTS FRONT

Ken Boyer Leading Mets

By CHRIS ANNETT

Ken Boyer, traded to the New York Mets during the off season is making his former owners, the St. Louis Cardinals, sit up and take notice as he is spearheading the Mets attack. Boyer collected 6 hits in 12 times at bat in the opening three games and has 5 RBI's. The Mets climbed over the .500 mark for the first time ever as they took two of their three games with the Atlanta Braves. They lost the third game in extra innings. . . Maybe the Braves should go back to Milwaukee like the courts told them too. . .

The Halifax Junior Canadiens reached the end of the road the other night as they lost their fourth straight game to the Shawinigan Bruins. . . This marks the end of the line for the Junior Habs this season and it will be interesting to see what they can do for a repeat. . . In this observers opinion they are going to be hard pressed to take the Maritime title next season for the teams for a new Maritime Junior loop are already being considered. . . The Junior Habs, far from the opinion of some fans did not have the best personnel in the Maritimes and a good Junior team from Charlottetown could have beaten them if conditions had been equal. Halifax played together as a unit for the entire season and they were probably the best conditioned club in the Atlantic Provinces, bar none. That was the only thing that made them stand out when the going got rough. They could beat teams of superior ability simply by outlasting them.

It will be interesting to see which club lands a franchise in Charlottetown next season and if a Maritime Junior loop will be established. If PWC and SDHS can attract between 1200 and 1500 paying fans to the Forum then what will the best Juniors on the Island pull?

Gay Brewer must be getting rather sick of playoffs. . . He lost his second in a week at the Tourney of Champions Monday as Arnold Palmer whipped him by four strokes. However the case was not the same as in the masters where Brewer blew a short putt and allowed Nicklaus and Jacobs to catch him. . . Palmer missed an eight footer on the final green to force the tournament in to the first playoff ever but made up for it in the end when he took all the marbles. However Brewer won't be crying too much. He made \$20,000 during the week for being only a runner up. . . However Palmer pocketed that much for his one win alone.

Bill Russell, defensive star for the Boston Celtics who has led them to the National Basketball Association basketball championships for the past seven or eight years, has become the first man ever to break the color barrier in the coaching of pro sport. Russel was named as the coach of the Boston Celtics, taking the place of Red Auerbach who is retiring. Russel is the first negro to coach a club in major sport and it may open the way for Negro baseball managers and football coaches.

The National Hockey League President Clarence Campbell has vetoed a suggestion from a leading automobile company that a car be donated to the winner of the Conn Smythe Trophy. Campbell did not or could not deny the company rights to present the car to the winner but it will have to be entirely separate from the trophy. The feeling is that if the league allowed the manufacturer to award the car then the different firms would all be wanting to give awards to the different winners of the different awards such as the Norris and Calder trophies. This would give the companies invaluable publicity for a relatively small price for one thing and then it would be unfair to the current sponsors of NHL hockey who have stuck with the clubs through both good and lean years. This was an excellent decision on the part of the NHL.
