

Aces And Royals Clash At Stadium

SUMMERSIDE — Summerside Aces and Parkdale Royals renew their wild and woolly series for hockey supremacy on Prince Edward Island tonight at Civic Stadium here.

The two teams have battled through four games of the best-of-seven series to date and have left fans convinced that it will be a photo finish before a winner is finally decided.

Aces have ruled supreme on home ice and for this reason will be the choice to hand the potentially powerful Royals their third set back. On the other

hand Buck Whitlock's sextet is overdue for a victory at Summerside and will be looking for it tonight.

Tonight's clash looms as the most important of the series to date. A Parkdale victory will give the Royals a chance to wrap it up on home ice Wednesday night. However, Aces will be sitting pretty with a win tonight for they could then lose in Charlottetown and still have that final game at home.

A jam-packed house is expected to crowd the stadium for the game that gets underway at 9 p.m.

Moore Stops 'Dizzy' Davis

ODESSA, Tex. (AP) — Archie Moore, the world's light heavyweight champion, made a punching bag out of Sterling (Dizzy) Davis, the wrestler turned boxer, Monday night and stopped him on a technical knockout in the third round.

Moore took the offensive at the start, never gave the bulky wrestler a chance to get in a solid blow and knocked him down three times in the second round. In the third referee Paava Ketonen of Phoenix stopped the fight with one minute gone when Moore opened deep cuts over each of Davis' eyes.

The slim crowd estimated at 2,000 showed little enthusiasm and the only sentiment expressed was "don't hit him in the stomach." Davis, a 212-pounder only 5 feet 9 inches tall, was in wrestling trunks and his stomach spilled out over the top. Davis got in three blows during the time he was in the ring but they were glancing and did no damage.

Moore, who weighed in at 192, said he would return to San Diego and start working on a

fight with Ray Robinson, the middleweight champion, or, if Robinson isn't available, one with Yvon Durelle, the Canadian, who Moore knocked out several months ago.

Bill Collins Grabs New Orleans Open Tourney

NEW ORLEANS (AP) — Bill Collins of Baltimore won the \$20,000 New Orleans open golf tournament Monday with a total of 280, three strokes better than his nearest rivals. His card showed rounds of 68, 72, 70 and 70.

Jackie Burke Jr. of Klamath Falls, N.Y., who finished strongly with a 67 Monday, and Tom Nieports of Brownsville, N.Y., tied for the runner-up spot at 283. Nieports had a 68 over the 6,700-yard City Park course Monday. Moe Norman, the colorful Toronto pro, tied for fourth at 284 with Gene Littler, third-round leader from Singing Hills, Calif., and Houston Laclair of Birmingham, Ala.

The 24-year-old Japanese was beaten by Perez in a non-title fight here Feb. 18.

Hurler Sees Clutch Hitters When Chips Are Down

ORLANDO, Fla. (AP) — How does a top relief pitcher rate the clutch hitters in the American League?

Dick Hyde, Washington's sensational underhand artist, had a ready answer. He sees them only when the chips are down.

"I'd have to start with Yogi Berra of the Yankees," he said. "He is a tough man to get out when one hit means a ball game. And there's the big fellow (Ted Williams) in Boston.

"Me, I can't get Nellie Fox out anytime, clutch or no. And Frank House of Kansas City gives me a bad time. For the clutch, I'd have to say Berra and Williams."

Hyde, a bespectacled 30-year-old, differs from most relief pitchers. He has no hankering to be a starter.

"The challenge of facing a tough situation is exciting," he said. "I used to be a starter. I know my limitations. I had trouble going nine."

Hyde rose to the challenges with superb effectiveness last season. He had a 10-3 won-lost record and a 1.75 earned run average. Only one home run was hit off him all year in 103 innings in 53 games with a last place club. In addition to the 10 games he won he saved 19, accounting for 29 of Washington's meagre total of 61 victories.

SPORT ECHOES

BY NORMAN MACDONALD

The Summerside Aces are still confusing the experts who had figured that the star-studded Parkdale Royals would take them in straight games, but Windy's boys are still around putting up a lot of opposition. Right now the best-of-seven series is all tied up at two apiece.

Last Thursday night in Charlottetown when the Royals trounced the Aces 10-2, the red-shirts looked like a farm team for Parkdale with not too many promising prospects in sight. In the second period in the Friday game in Summerside, Charlottetown's "cream of the crop" looked a bit curdled and the Aces were a collection of Mr. Bigs.

They were leading 4-0 and looked good enough at that stage in the game to thump the visitors by a lop-sided score. Then they ran into a flock of penalties and at one time in the third period were playing two men short.

The score tightened to 4-3, and this took a lot of the sting out of the Ace attack, the boys electing to play it more cagily, a sort of modified "Kitty, Bar The Door" system, contrived to hold on to their slim margin of victory, which they did.

When Royals won 10-2 in Charlottetown, the experts were convinced that the teams had at last settled down to their proper level of performance, and that the Parkdale club would sweep the rest of the games. Friday

night's game made those crystal ball gazers look like a parcel of kids peering through a dirty window. We were one of those so-called "experts," we freely admit it. Now we're not so sure.

Everyone is pretty well agreed that tonight's game at Civic Stadium is likely to be won by the eventual winner of the series, and both clubs will be trying hard to come up with their very best effort this evening. We feel sure that Charlottetown will bring down to Summerside a full team with none of the key players missing. Aces also are expected to be at top strength. It should be a ring-tailed snorter.

The Cape Traverse Rovers sprang a bit of a surprise when they kalsomined the highly regarded Annandale team 10-0 at Bedeque rink Saturday night. This was expected to be a mighty struggle between the two best Intermediate "B" teams on the island, and the lop-sided score was a definite anti-climax.

Talking to one of the Rovers, however, we got the impression that Annandale were not so out-classed as the score would seem to indicate. "They have some good players in their line-up," he conceded, "but they didn't seem to be able to get organized. It looked to me as if they were just getting a bad game out of their system. I look for a much harder and more even battle in the rest of the games."

Changes Made In Tournament

PRAGUE (CP) — World hockey tournament officials switched two games Monday in the final round-robin tournament to give the Russian team more chance for a rest.

The Russians are billed to play Sweden Sunday morning and it was felt that a game the previous night would impose an unfair strain on the soviet players.

Two Saturday games are affected. They are the Canada-United States match now scheduled for the evening (3 p.m. AST) instead of the afternoon and the Russia - Finland game, originally to have been played at night and now set for the afternoon (10 a.m. AST).

Here is the draw for the rest of the tournament (times Atlantic standard):

Tuesday: Czechoslovakia vs Finland 10 a.m.; U.S. vs Sweden 3 p.m.

Wednesday: U.S. vs Finland 10 a.m.; Canada vs Russia 3 p.m.

Thursday: Canada vs Sweden 10 a.m.; Czechoslovakia vs Russia 3 p.m.

Friday: Sweden vs Finland 10 a.m.; Czechoslovakia vs U.S. 3 p.m.

Saturday: Russia vs Finland 10 a.m.; Canada vs U.S. 3 p.m.

Sunday: Russia vs Sweden 5 a.m.; Czechoslovakia vs Canada 10 a.m.

ACTION SHIFTS TO CAMPBELLTON

Tigers Defeat Juniors 5-3 In Series Opener

Campbellton Junior Tigers, New Brunswick champions, last evening defeated Orin Carver's Garrison Juniors 5-3 in the first game of a home and-home total-goal series for the N.B. - P.E.I. Junior crown.

An overwhelming crowd of 2,482 rabid hockey fans turned out to see this contest which proved to be a real thriller.

The Tigers, showing superior power in the first two frames, fired three markers in the opening period and two in the sandwich session with an answer from the Juniors. It seemed as if the Tigers were going to really wallop the local Juniors but the story changed in the final frame.

The third period saw the Garrison crew break loose and score three unanswered markers. Vince Mulligan, Manning and Freddie Burke were the marksmen for the Juniors.

Edgar Vick opened the scoring in the first frame to give the Tigers the lead and three minutes later Joe Pickard picked up an easy goal to give the Campbellton crew two-goal bulge.

On this occasion the puck was sliding down the ice towards Ward, Garrison goalie with nobody back and Pickard was coming in on a breakaway. Ward came far out of his net in an attempt to clear the puck, made a

mistake. Robinson, Dalziel and MacDonald each picked up three for the Rangers, with Pineau and Ashley each scoring a pair.

Hampshire snipers were Waits, 5, Balderston 4, Corbett 2, and Andrews.

Former Big Four Players On EHL All-Star Team

JOHNSTOWN, Pa. (AP) — Four members of the Clinton, N.Y., comets were named Monday to the all-star team of the Eastern Hockey League.

Coaches of the six-team league picked the squad.

swing at it with his stick and barely touched it. Picard immediately grabbed the disc and alipped it into the empty net.

Nick Murray, Tigers' stalwart rearguard, got the next marker. He took the puck from behind his own net and stick-handled his way through a maze of players to outmanoeuvre Ward, and make it 3-0.

Murray, who for a while was with the Junior Canadiens last year, played the sixty minutes on the defence, due to the Tigers being shorthanded. The only rest he got was when he was serving two minors. Other Tiger goals were fired by Laviolette and Dower.

The Tigers' goalie, George Oakes, recently acquired from the Charlottetown Millionaires, stopped a good game for the New Brunswickers. Ward also put on a good performance between the pipes for the local Juniors.

Between the second and third periods, Col. Al Rogers, on behalf of the Garrison, presented coach Orin Carver with a beautiful gift. In appreciation of the good work he had accomplished with this team, Merrill Pineau, who also played during the season with the Juniors, was also presented with a gift for services rendered. Captain Bill Mulligan was presented with a trophy for being the highest scorer on the Junior team during the season.

Two hockey sticks, autographed by the team members of the Detroit Red Wings and donated by Charlottetown's Forbie Kennedy, were won by Donnie Grant and Billy MacKinnon.

The Recce band was also in attendance and between periods played to the enjoyment of the fans.

Angie Carroll and Art Perry refereed the game.

The next game in this series will be played in Campbellton later on this week.
