SPECIAL NOTICES.

Holloway's Ointment and Pills.—Skin Affections.—In all diseases which affect the skin, unless caused by external violence, there exists throughout the whole mass of circulating blood some morbid taint, which must be expelled ere the disorder can be thoroughly extinguished; hence arises the necessity of the conjoint treatment, and the constitutional remedy so admirably furnished by Holloway's Pills. Throughout the whole history of medecine no drugs, ever before discovered, posseesed powers equal to Holloway's purifiers, which readily remove deep-seated or superficial diseases. Their principle being extracted from the vegetable Kingdom, dispels any possibility of applying them erroneously, and their innocent nature prevents their doing harm to the most delicate constitution or skin.

BURNETT'S COCOAINE.—Messrs. Joseph Burnett & Co., Boston, have produced a compound, combining the properties of the Cocoa Nut Oil with a peculiar vegetable tonic sufficiently to preserve and promote the healthy growth of the hair.—*Taunton Gazette.*

Mrs. Winslow Again.

Mrs. Winslow, an old and experienced nurse, has devoted herself for more than thirty years exclusively to the care of children. She has a Soothing Syrup for children teething, which we believe a most invaluable preparation, not only for children teething, but in all cases of Dysentry or Diarrhœa. We speak of what we know, when we say this Soothing Syrup acts like a perfect charm in the above cases. We have witnessed the most satisfactory and pleasing results from the use of it, upon suffering infants and children, in a great variety of cases. It gives universal satisfaction, is perfectly safe for the feeblest infant, and pleasant to the taste. We sincerely believe the mother who has a child suffering from any of the above complaints, and neglects to provide this medicine for its relief and cure, is depriving the little sufferer of THE REMEDY OF ALL THE WORLD best calculated to give rest, and restore it to health.

Among the many restoratives which nature has supplied to relieve the afflictions of humanity, there is no more favourite one for a certain class of diseases than the "medicinal gum" of the Wild Cherry Tree; but however valuable it is, its power to heal, to soothe, to relieve, and to cure, is enhanced ten fold by scientific and judicious combination with other ingredients, in themselves of equal worth. This happy mingling exists in that

"Combination and a form indeed"

Of medicine known as

Dr. Wistar's Balsam of Wild Cherry,

Whose value in curing *Coughs, Colds, Bronchitis, Whooping Cough, Croup, Asthma, Pulmonary Affection, and Incipient Consumption, is inestimable.*

A Cure for Whooping Cough.

St. HYACINTHE, CANADA E., Aug. 21, 1856.

Messrs. SETH W. FOWLE & Co.

Gentlemen—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your *Dr. Wistar's Balsam of Wild Cherry.* In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it to fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.

Yours, P. GUITTE,
Proprietor of the Courier de St Hyacinthe.

☞ *Caution to Purchasers.* The only *genuine Wistar's Balsam* has the written signature of "I. BUTTS" and the printed one of the Proprietors on the outer wrapper; all other is vile and worthless.

Prepared by SETH W. FOWLE & CO., Boston, and for sale by W. R. WATSON (general agent), T. DESBRISAY and M. W. SKINNER, Charlottetown, and by Druggists generally.

AYER'S SARSAPARILLA

Is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOLOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling diseases are nipped in the bud. Multitudes can, by the aid of this remedy, *spare themselves* from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it when never it is foul, and your feelings will tell you when. Even where no particular disorder is felt people enjoy better health, and live longer, for cleansing the blood.—Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure.

THE OXYGENATED BITTERS,
THE OXYGENATED BITTERS,
CONTAINING NO ALCOHOL.

Reliable Testimony.

We call the attention of the reader to the following letter from President Smith, of Wesleyan University:

MIDDLETOWN, Conn., Feb. 28, 1859.

SETH W. FOWLE & CO.—Gentlemen:—I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending recommendation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of service to other members of my family.

Very respectfully yours,
AUGUSTUS W. SMITH.

THE OXYGENATED BITTERS.
THE OXYGENATED BITTERS.

STODDARD, N. H., Sept. 30, 1859.

Messrs. SETH W. FOWLE & CO.,

Gents:—I was, for many years, a great sufferer from Dyspepsia or Waterbrash, and tried almost everything within my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail; but his confidence inspired me to persevere, and after using to the extent of half a dozen bottles, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been produced. Yours,

STEARNS FOSTER.

OXYGENATED BITTERS.—To such of our readers as are troubled with the debility incident to the approach of warm weather, we cordially recommend the use of the Oxygenated Bitters as an invigorating tonic,—containing no alcohol in its composition, and possessing more real merit than any preparation of the kind we have ever known.—*Ogdensburg Republican.*
