thrilling drama will be enacted in
Perth Hall on the evening of Friday, 16th
December, by the Cardigan Amateur
Dramatic Club.
CHURCH REOPENING.—On account of the
unfavorable condition of the weather on
last Sunday, the new Methodist church at
Wiltshire Road will be reopened on Sunday
next, Dec. 4th (D.V.). The following will
be the order of services: Rev A D McLeod,
11 a.m.; Rev W J Kirby, 3 p.m.; Rev Mr
Miller, 7.30 p.m.
GOOD STOCK.—Mr S F Drake, of Pownal
is doing his part in endeavoring to im-
prove the stock of pigs in the province.
He has lately purchased from Mr Henry
Lane, of Mount Mellick, his imported
Berkshire boar Royal Signal, which was
bred by Mr J C Snell, of Edmondton,
Ont. Mr Drake is also the owner of a
yearling Yorkshire, and bred by Mr Wil-
liam Clarke, of Wiltshire, yearling Tam-
worth bred by Mr D Reid, of Victoria
Cross.

AN OLD AND WELL TRIED REMEDY.—
Mrs. Winslow's Soothing Syrup has been
used for over fifty years by millions of
mothers for their children while teething
with perfect success. It soothes the child
softens the gums, allays all pain, cures
wind, colic, and is the best remedy for
Diarrhoea. Is pleasant to the taste. Sold
by druggists in every part of the world.
Twenty-five cents a bottle. Its value is
incalculable. Be sure and ask for Mrs.
Winslow's Soothing Syrup, and take no
other kind.

MARRIAGE BELLS.—An interesting cere-
mony was performed at the Argyle House,
Kent Street, on the afternoon of Wednes-
day, Nov 23rd, Rev D McLean being the
officiating clergyman. The principal-
were Mr Neil McDonald, of New Haven,
and Miss Emma Wheeler, of Murray
River, Mr Malcolm McKinnon, of Strath-
gartney, supported the groom, while Miss
Florrie Darrach, of West River, acted as
bridesmaid. After the ceremony the bridal
party sat down to dinner prepared in Mrs
Acorn's best style, at the conclusion of
which the newly wedded pair left for their
home at New Haven where they were
met by a large party of friends and the
evening was passed in a most enjoyable
manner.

A NEW NAME FOR A SCHOOL.
Mr Alexander More (chairman)—Now,
gentle, this is the fourth meeting to make
a name for this institution, which, as you
all know, stands here in front of my do-
mains and that I placed it there "by the
might of my power." But our meetings
are like a mountain in labor which
brought forth nothing. Our old name is a
humbug. Its orthography bothers me in
its variations of Stanchall, Stencholl,
Stenchall, Stachel, &c. &c. I excommuni-
cate them all. I produce the name
"Columbian," or else make another in
conformity with the foregoing. Now, men,
business! business!
Mr. Angus Allan.—I spring from my
forefathers and therefore this school is
called after the birth place of them in old
Scotia. How dare you tarnish the lustre
of my pedigree. I hold on the good old
name "Stanchhill."
Mr. Robert Miller.—For my own part I
don't care a snap what name you give it.
But I would call it "Helter Skelter."
Mr. Perry Kealy.—I repudiate you all as
a peddler crowd. Your school is
but a Babel. You may call it "Hetero-
lite" if you will, so you may.
Mr. Malcolm Donell.—I rise my progeny
by sound English and classical lore to a
high status in the world. So call it
"Ciceronian."
Mr. J R Whiteman.—If you can't agree
about this puny and polyonymous thing
you best tumble it out of the way, and I'll
soon build you one worthy of the name.
Mr. John S Mill.—If you do not exer-
cise moderation, common sense and less
bombast in your choice of name I will
criticise you all in the next issue of my
"poetical and philosophic journal."
"What about "the might of your power,"
"pedigree" or "high status." "A man's a
man for a' that." I am descended from
the Royal Stuart line of Great Britain,
but I make no boast of it. I fancy "Hex-
catedron" would best suit your tastes
for a name.
Chairman's Decision.—Know all men
by these presents that whereas the name
"Columbian" is so magnanimously agreed
on, be it therefore enacted that from
henceforth and forevermore this seminary
of learning be called after him. I now
declare this convention close in the name
of Queen Victoria's national anthem.

THE SEAL FISHERY
Five Propositions Before the Com-
mission.
WASHINGTON, Nov 30.—The regulations
fixed by the award of the Paris tribunal of
arbitration in 1893, for the control of the
seal fisheries, expired at the close of the
fishing season of 1898, so that something
must be done in the premises, whether a
treaty be made or not.
There are five propositions before the
commission:—
1. To continue the present condition of
affairs under the provisions of the award of
1893.
2. To make new regulations to control
the fisheries, beginning with the season of
1899.
3. To effect a new method of regulation
by agreement in or out of a general treaty.
4. For Canada to dispose of its interest
in the fisheries, including the vessels en-
gaged in them, to the United States for a
consideration.
5. For the United States to sell to Canada
and withdraw from the field.
It is no secret that the Canadians favour
a sale of their interest to the United States,
and that it would be the outcome of the
negotiations, were it not for the fact that
the appraisers are so far apart in their
views of what Canada ought to receive.
This wide diversity has led the commis-
sioners to a discussion of the other pro-
positions named, but they hope to be able
to reach a satisfactory compromise and
effect an agreement. It is believed that
a treaty containing a provision for the sale
by the United States of the Behring Sea
fisheries to Canada would receive but scant
courtesy in the Senate, and it is hardly a
possibility.

Mrs. WRIGHT, OF NORVAL, ONT. EXPERIENCES INTENSE SUFFERING FROM ECZEMA IN HER FEET.

Raw From Her Toes to Her Knees
Dr. Chase Makes a Wonderful Cure.

Mrs. Knight, 17 Hanover place, Tor-
onto, makes the following state-
ment:—
My mother, Mrs. Wright, who
lives at Norval, near Doncaster,
suffered a summer and winter
with Eczema in her feet. She
could not walk, and very seldom got
any sleep. It became so bad that she
was perfectly raw from the toes to the
knees. After trying every available
remedy without receiving any bene-
fit, and almost hopeless of relief, she
was advised to try Dr. Chase's Oint-
ment. She has altogether used 3 boxes
since commencing, but with the hap-
piest results, for she is now comple-
tely cured. There is but one scar on one
of her feet, a memento of her fearful
suffering condition. Any person de-
siring further testimony in this case
is at liberty to communicate with Mrs.
Wright at her address, Norval P. O.
Mrs. Knight says after such a grand
success, is it any wonder we recom-
mend Dr. Chase's Ointment?
W. H. De Long, Civil Engineer, ex-
Warden, and County Councillor, New
Germany, Lunenburg Co., N. S., Oct.
28th, 1897, says:—"I had itching piles
for thirty years, and have tried various
kinds of pile cures, but none gave me
permanent relief until I used Dr.
Chase's Ointment. I have recommend-
ed it to others with the same result."

We are the original manufacturers
of portable Vapor Baths.
We have, during the last ten years
supplied thousands of our Baths to
physicians, hospitals, sanitariums, etc.
and we are now, for the first time, ad-
vertising them direct to the general
public.
IN BUYING A VAPOR BATH Get one with
a steel frame that stands
on the floor
If a manufacturer does not show you
a cut of a frame without the covering
you may take it for granted that his
"steel frame" is a wire hoop that rests
on the shoulder of the bather.
Get one that is covered with proper
material. Insist on seeing a sample of
material before ordering. We make
our own covering material and print
it with a handsome "all over" pattern
of Niagara Falls.
Get one with a thermometer attach-
ment. Don't go it blind—a bath that
is too hot or not hot enough will be of
no benefit to you.
Get one that you can return and
have your money back if not satisfac-
tory in every way.
Send for sample of material and in-
teresting booklet that will tell you all
about Vapor Baths.
