Extra trousers 27¢ — You SAVE \$13.23

We started planning for this sale last winter, when we instructed our buyers in Canada and overseas to be on the lookout for "exceptional buys" in quality fabrics. Their orders were: "Visit the best mills! Watch the woollen market closely! Buy only quality merchandise! Pay cash to get the rock-bottom price!" One glance at our new Bond range for fall will prove to you how well they succeeded! We are proud to present one of the most attractive selections of fine quality suitings you have ever seen—priced to reflect months of preparation and Bond's cash buying power—and guaranteed to save you as much as \$25 on a beautifully tailored-to-measure Bond suit.

Every one of these fabrics would be excellent value with just one pair of trousers—but, when we include an EXTRA

PAIR OF TROUSERS FOR 27¢ with every suit in every price range, it makes Bond's 27th Anniversary Sale the biggest clothing event in Canada. Choose from hundreds of fine suitings—yarn-dyed worsteds, gabardines, serges, worsted flannels and blends from the most famous English and Canadian woollen mills, in every popular shade and weave. Your suit will be flawlessly tailored to measure, guaranteed to give complete satisfaction in every detail. Shop the town! Compare! Nowhere else will you find such tremendous value! Step into BOND tomorrow for the biggest clothing event in Canada!
