MAY 25, 1892.

Sir Alexander Campbell.

The death of Sir Alexander Campbell is announced. Another of the old guard has been removed. Sir Alexander was born in Yorkshire, England—the son of an English physician. But he was educated in Canada and was from first to last a true Canadian.

The Trade Question

The Opposition profess to be anxious that Canada should at once reduce the scale of duties upon "goods mainly imported from Great Britain." At the same time they hold to the policy of Unrestricted Reciprocity, which, if enforced, would necessitate a very heavy discrimination upon all goods imported from Great Britain into Canada.

The Football Match at Pictou Ends in a Draw.

YESTERDAY was the seventy-third anniversary of the birth of Her Most Gracious Majesty, Queen Victoria. The day was justly, though generally, observed in Charlotte-town. The weather was fine and warm throughout.

At noon a royal salute of twenty-one guns was fired at Fort Edward by a detachment from No. 2 Battery, Garrison Artillery, under command of Captain John A. Longworth.

In the forenoon a match game of football was played on the Park between the Junior Abegweits and the Stars. The Junior Abegweits won. Lawn tennis was also indulged in during the day.

Several fishing parties left the city by team and train in the early morning, and some tall stories are floating about the city to-day as a result. There were also a number of private picnics, and the excursion up the West River was well patronized.

The principal event in the city was the laying of the corner stone of the Masonic Temple, which took place in the afternoon in the presence of a large concourse of people. The names of the officers of the order officiating will be found below:

Death of a Priest

On the 5th of May Rev. Thomas Phelan, for many years a zealous, hardworking priest on this island, died the death of the just in his native parish in Kilkenny, Ireland, at the ripe age of 74 years.

Masonic Temple Company having invited the fraternity to lay the foundation stone of the building to be erected by them, our Most Worshipful Grand Lodge has been convened by our order and it is our will and pleasure that the officers and brethren here assembled do now assist us in laying the foundation stone of the new Masonic Temple.

The Senior Grand Warden then addressed the Junior Grand Warden as follows: "It is the will and pleasure of the Most Worshipful Grand Master of Masons in Prince Edward Island that the officers and members of the Grand Lodge and brethren here assembled do now assist him in laying the foundation stone of the new Masonic Temple. This you will communicate to the brethren that they having due notice may govern themselves accordingly."

The R. W. Junior Grand Warden then spoke as follows: "You have heard the order of the M. W. Grand Master of Masons, as communicated to me through the R. W. Senior Grand Warden. Of this you will take due notice and let it be accordingly so done."

The Choir, under the leadership of Brothers Davison and Ross then sang the ancient Masonic hymn: "When earth's foundation first was laid," at the conclusion of which the Grand Chaplain offered prayer.

The M. W. Grand Master then asked the R. W. Grand Treasurer if the articles to be deposited within the cavity beneath the foundation stone had been prepared. The Grand Treasurer replied that the various articles of which the deposit was composed were safely enclosed.

The Grand Secretary then read the record of articles as follows: Copy of notice convening the M. W. Grand Lodge. Copy of notice convening St. John's Lodge. Copy of notice convening Victoria Lodge. Copy of the ceremonies used on this occasion.

Copy of printed proceedings of the M. W. Grand Lodge for 1891. Copy of the by-laws of St. John's, Victoria, and Mt. Zion Lodges.

Parchment roll containing the signatures of the subscribers to the corner stone fund. DAILY EXAMINER, Daily Patriot and Daily Guardian, newspapers.

Coin of the realm, and a scroll of which the following is a copy: In the name and by the favor of the GLORIOUS ARCHBISHOP OF HEAVEN AND EARTH, on the twenty-fourth day of May, A. D., 1892, and in the Era of Freemasonry, Anno Lucis, 5892, and in the fifty-fifth year of the reign of our Gracious Sovereign VICTORIA, Queen of Great Britain and Ireland, Empress of India, and the Dependencies in Europe, Asia, Australasia, Dominion of Canada, etc.

His Excellency, the Right Honorable Sir Frederick Arthur Stanley, Baron Stanley of Preston, being Governor General of Canada. Jedediah Sisson Carvell, Esquire, being Lieutenant-Governor of Prince Edward Island.

The Hon. John Joseph C. Abbott, President of Council and Premier of the Dominion of Canada. The Honorable Frederick Peters, Premier of Prince Edward Island.

The Honorable T. Heath Haviland, Q. C., Mayor of the City of Charlottetown. Simon W. Crabbe, Esquire, President Masonic Temple Company.

Architects—Phillips and Chappell. Contractors—McDonald and Harper. This corner stone of the Masonic Temple was laid by Donald Darrach, Esquire, M. D., M. W. G. M. of A. F. and E. M. of Prince Edward Island, assisted by the Grand officers and a large number of Brethren with the usual ceremonies of the order.

On the 6th day of May, 1843, the corner stone of the Principal Building was laid by the Free Masons of the city. There were forty three Brethren present on the occasion. Of these forty-three, only two took part in the proceedings yesterday, viz: P. G. M., J. W. Morrison, and Bro. E. H. Love.

THE FOOTBALL MATCH AT PICTOU. Quite a number of people took passage in the St. Lawrence yesterday for Pictou to witness the football match between the Crescent and Pictou teams. After an uneventful passage Pictou was reached about 12.30. After dinner at the Revere, all repaired to the Pictou football grounds.

The Crescent originally intended playing Pictou Academy, but received a telegram a few days ago to the effect that the Academy team could not play, but that a team from the Academy and town combined would play the Islanders. Yesterday's Pictou team outplayed the New Glasgow team a week ago, and it will be readily seen with whom the Charlottetown boys had to contend. The teams lined out as follows:

CRESCENTS. Back—John McQuillan. Half Backs—J. P. Rundle, (Capt); Geo. I. Foster, E. Trainor. Quarter Backs—A. Leigh, R. Johnstone. Forwards—D. McDonald, E. McDonald, J. McDonald, A. Miller, A. Gaudet, F. Hand, J. Han, S. McLeod, Wm. Edmunds, C. Acorn.

PICTOU. Back—J. C. McMillan. Half Backs—A. O. McRae, (Capt) Dal Patterson, F. Carroll. Quarter Backs—R. McKenzie, E. Dawson. Forwards—M. Morrison, B. Munro, F. Dawson, E. Hill, McLean, D. Murray, A. Thompson, H. Smith, J. Marchand.

Pictou kicked off, and the ball was quickly returned and scrimmage in center field. Both forward teams played with a vim, and the superior work of the Crescent was manifest. The Island boys gradually worked the ball along and in a few minutes the Pictou men had to rouse for safety. They kicked off at the twenty five yard line and more scrimmaging ensued. After some good tackles and short runs by the backs of either side, time was called, neither team having scored.

After ten minutes rest the teams changed goals and Miller kicked off for the Crescent. The forwards followed up and scrimmaging was renewed. Pictou played loosely and managed to pass it to their full back who punted well down the field. In a short time the Crescent were forced to

and continued health of our good and precious Queen, and to give utterance to our gratification that we to-day celebrate her 73rd birthday—and we pray for her.

Long to reign over us, Happy and glorious, God save the Queen.

Rev. Bro. W. W. Brewer then came forward and made an eloquent address, for a full report of which we are sorry we have not space to-day. He expressed his pleasure at being honored with an invitation to speak on such an occasion, and referred in complimentary terms to the enterprise of the gentlemen who had brought the Temple to its present position.

From our position, however, he went on to explain, was not a religion, but it was religious. Its doors are closed only against the atheist, the libertine and the fool. The basic principles of Masonry are the Fatherhood of God and the Brotherhood of Man. There were many things in Masonry that he admired. He admired it because of its antiquity. It has existed from time immemorial—in its principles it goes back to God Himself.

He was also enamored of Masonry because of the elements of mystery that were in it. These mysteries were not bad, although some people think they are and say so. But this feeling is passing away, and now only those that think and speak in this way who are ignorant of the principles and workings of the Order or are deeply prejudiced against it.

Again, he was drawn to Masonry because it taught man to govern himself, and because of its law of mutual help—the latter being one of the great principles of the Institution. Now, we are not Operative but Speculative Masonry is the more important by far. We are builders of character—and character is eternal.

He said he should always cherish the memory of this day, and again expressed his pleasure at being privileged to be present and assist in the laying of the corner stone of the Temple. In conclusion he invoked the Blessing of God upon all present.

After giving three cheers for the Queen the large assemblage dispersed. The members of the Craft formed in procession and returned to the Lodge room, by way of Queen, Kent and Prince Streets.

The Temple, the corner stone of which was laid yesterday, will cost in the neighborhood of \$19,000 or \$20,000. Messrs. Macdonald and Harper are the contractors for the erection of the building. It is expected that their contract will be completed by July, 1893, and that it will be ready for opening in the month of September following.

The plot of land on which the Temple will be erected has a frontage of 78 feet on Grafton Street, which will give entrances to the building on either side. The building will be 148 feet long by 64 feet wide, and the central portion of the front hall will rise to a height of 60 feet.

The front will be built of Nova Scotia freestone, and the back and sides of brick. The public hall or theatre will be 60x60 feet clear of stage and lobby, with a ceiling 40 feet high. The floor of the hall will be on a sharp incline to the rear end of the building.

Private boxes will be arranged next the stage, and a gallery will run around three sides of the room. The theatre will be fitted up with all the modern improvements, including opera chairs, etc. The total seating accommodation will be about 1,200. Other parts of the building will be from Grafton Street, through a passage way (the floor of which will be inclined) 16 feet wide, starting a few steps from the sidewalk and landing in the lobby, or floor of hall, at a height of 8 feet from the street level.

There will also be side entrances to the theatre and dressing rooms. The stage will be 60x40 feet. On a level with the stage, and adjoining the same, but outside the main building, there will be large and well-ventilated dressing rooms. On each side of the main entrance there will be a large store, 40x22 feet, and a room over each store the same size. The upper floor will be used for Masonic purposes, and will be fitted up with lodge room 50x50, refreshment room 32x50, and a large hall. Access will be had to all parts of the building through roomy halls and by wide easy platform stairs, and all parts of the building will be well lighted, heated and ventilated.

On the 6th day of May, 1843, the corner stone of the Principal Building was laid by the Free Masons of the city. There were forty three Brethren present on the occasion. Of these forty-three, only two took part in the proceedings yesterday, viz: P. G. M., J. W. Morrison, and Bro. E. H. Love.

PICTOU. Back—J. C. McMillan. Half Backs—A. O. McRae, (Capt) Dal Patterson, F. Carroll. Quarter Backs—R. McKenzie, E. Dawson. Forwards—M. Morrison, B. Munro, F. Dawson, E. Hill, McLean, D. Murray, A. Thompson, H. Smith, J. Marchand.

rouge. They kicked off into touch and the ball was passed out and scrimmaged. In a few minutes the ball was passed to Rundle, the Crescent captain, who passed two of the Pictou halves, but slipped and fell a few yards from the goal line. Scrimmaging again. The Pictou full back got another good punt and sent it down to the Crescent twenty-five yard line. After some lively scrimmaging time was called with the ball near centre. Crescent, 0; Pictou, 0.

The play throughout was nearly all forward. The grounds were in wretched condition, which made good runs impossible. The Pictou backs seldom ran, but seemed to have punt kicks down fine, particularly McMillan, their goal keeper. The Crescent backs accepted all chances, but were at a great disadvantage on such short and narrow grounds. Rundle would certainly have secured a try had the field not been in such a miserable condition. And the referee never seemed to see any off side play on the part of Pictou, so the Crescent got the wrong end of any decision.

The steamer left Pictou on return at 4, and reached the city about 8.30.
