

In Memoriam.

LINES SUGGESTED ON THE DEATH OF LEMUEL CHAISSON WHO DIED AT ROLLO BAY ON MAY 17, 1888.

Sad news again is whispered round, Which we are shocked to hear, The messenger of death has come, To him we held most dear.

Now tears are falling thick and fast, That cannot cease to fall, As those with whom he used to dwell, Can never him recall.

When gazing on his form of death, How natural did it seem, A smile was impressed on the face, As of a pleasant dream.

His youthful days are at an end, His morning life is run, In sorrow we shall mourn for thee, "Oh, God, Thy will be done."

Death's dark valley he has crossed, With brave and fearless tread, And never to his friends did say, "I wish that I were dead."

The face lit up with hope of youth, The eye with joy so bright, We never shall behold again, They're absent from our sight.

We gather round the festive board With sad end solemn air, When we behold the vacancy, For Lemuel is not there.

And now adieu, adieu, dear Lem, 'Tis hard for you to part, But your name shall long be cherished In many an aching heart.

A glorious victory which thou has won, Of which heaven can sing, "Oh, grave where is thy victory, Oh, death where is thy sting?"

JOSEPH A. DEAGLE. Rollo Bay, June 3, 1888.

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or "goneness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drooping after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you are all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Biliousness, or Torpid Liver, associated with indigestion, or dyspepsia. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what state has reached, Dr. Pierce's Golden Medical Discovery will subvert it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and consequences of the Lunges, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-poisons and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing and restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever, Chills, and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Blotch, or Eruption, to the worst Scrofula, or Syphilis, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Gout, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

Consumption, which is Scrofula of the Lungs, is arrested and cured by this remedy. If taken in the earlier stages of the disease, it prevents the venous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, World's Dispensary Medical Association, 663 Main St., Buffalo, N. Y.
