Local and Other Notes.

Gleaned by the Guardian Reporters. Rev. W. P. Archibald, of Cavendish, is in the city. Mr. Richard Bowman, of East Royalty, lost a valuable horse on Tuesday last from kidney disease. Diphtheria has made its appearance at Long Creek, Lot 65, Miss Kate Maclean having been taken down with it. Rev. E. C. Turner, of Cornwall will occupy the pulpit of the First Methodist Church tomorrow at both services. The barque Gulnare arrived at Souris on the 1st, direct from Liverpool, with a cargo of salt, consigned to J. G. Sterns. Rev. J. A. Cahill, of Economy, N. S., will occupy the pulpit of St. James' Church tomorrow both morning and evening. A fine Barrister foal was dropped on Wednesday last by the valuable mare owned by Mr. Duncan McLean, Glyde River. Mrs. George W. Gardiner and family returned to the city last evening, after spending the winter with their friends in New Mexico. The new Steamer "Abraham Sutton" will sail for St. John's, Nfld., on Tuesday the 7th, inst., carrying horses and produce at lowest rates. Parties wishing to ship to this market will find it to their advantage to patronise this steamer. Mr. HENRY MACLEOD, Dunstonsburgh, recently met with a serious loss, in the death of his valuable "Lucky Lad" filly. The mare was rising four years old and had taken three first prizes at our provincial exhibition. SS. PREMIER arrived here, Friday morning, from Summerside, and sailed at eleven o'clock for Halifax - had a full cargo, oats, potatoes, lobsters, hay, etc., from Summerside and Charlottetown, and several passengers. C. B. PERKINS, brother of F. Perkins, of the well known firm of Perkins & Sterns, arrived in the city yesterday from San Francisco, Cal., on a visit to his friends. He has been absent from the Island for about eighteen years. The prospects for a good hay crop were never better on the Island, practical farmers say. The spring frosts, as they have been some previous seasons. The old meadows are also coming up finely. The growth for the past week is said to be marvelous. MARKETS - The market yesterday was well supplied with hay, oats and potatoes. Prices are unchanged. The best trade was unusually dull owing largely to the well supplied fish market. Things were lively upstairs, nearly all being sold out at 11 o'clock. Butter, fresh, was bought at 15 cents. FOUND! - Found in our wholesale rooms today one large case of linen and bath towels, imported this spring and overlooked in opening goods. We have made these extra cheap. We are giving away the very best all over the store. Come along and share in the big bargains. W. A. Weeks & Co. June 4-21 Sat & Mon. YESTERDAY we visited the store of one of our city's enterprising firms - Messrs. J. A. Farquharson & Co, who do a large wholesale egg and fruit business. We were shown some fine samples of oranges, lemons and bananas, the latter of which they make a specialty in importing, and have excellent facilities for ripening. This firm exports large quantities of eggs to England and the United States. Their shipment to the former market on June 2nd was upward of 7000 dozens. At the meeting of the Sunday School Committee of the Methodist Brick Church held last evening in the parlor, the following were appointed officers of the school for the ensuing year: Superintendent, B. K. Jost; Asst. Supt., L. W. Goff; Secretary, W. W. Stanley; Treasurer, Jas. R. Davison; Librarian, Miss G. Harris; Asst. Librarian, Miss S. Barratt; A. W. Mitchell; Organist, W. A. Hawley. ANOTHER new Steamer, the SS. Britania has been purchased to run on the North Atlantic S. S. Co's line between Boston, Halifax, Port Hawkesbury and P. E. I. The Britania, which we understand is a handsome and valuable boat, will begin her trips here in conjunction with the Worcester and Carroll leaving Boston on Saturday, July 2nd. This is a matter of congratulation to our Island as it will give largely increased facilities for carrying freight and passengers and also be the means of giving employment to many of our working people. Messrs Carvell Bros. are agents for this line in the city. FAT CATTLE - Messrs Blake Bros have recently purchased a lot of fat cattle for the home market, which taken altogether we think is the finest collection that have been brought into the city this season. The best in the lot were a pair of steers and a cow, fed by John Macneil, of Cavendish. The lot comprised six from the stable of Richard Vessey, Little York, and one fed by Thomas Vessey, of the same place; five heifers fed by John Murray, of Gallow Point, and a pair of cows fed by David Macneil, Cavendish. Mr. Blake claims that these gentlemen are among the best stock feeders we have on the Island. They make it a point to feed well bred stock and feed them right. Here is a lesson many of our farmers can learn with advantage. Good breeding and good feeding pay every time.
