HAPPENINGS

The beautiful and historic Government House was the setting for a delightful luncheon on Wednesday, April 29th, to celebrate the 25th anniversary of the White-Lo club, with Mrs. Hyndman, wife of the Lieutenant Governor as hostess. In attendance were the Honorary President, Mrs. Lois MacDonald and members of the former executive who are: Mrs. George Johnson, Mrs. (Dr.) Tidmarsh, Mrs. Ted Chandler, Mrs. Tom Davies, Mrs. Reg Aitken, Mrs. Harry Jamieson and Mrs. O.R. Simons. The attractive decorations were carried out in pink and white lovely bouquets of pink and white carnations adorned the dining table which was laid with fine damask cloth, pink candles in silver candelabra were also used to complete the attractive table arrangements.

After the luncheon a brief business meeting was held. The president, Mrs. Fulton Pierce gave an interesting report of the activities of the club for the past year. The treasurer's report was received with much satisfaction. The new slate of officers are: president, Mrs. James Montgomery, vice president, Mrs. George Tweedy, treasurer, Mrs. Lemuel MacDougall.

This organization has grown from a small beginning of enthusiastic workers to the substantial club it is today. A group of those who were the founders are Mrs. Reginald Aitken, Mrs. George Johnson and Mrs. Ivan Horne, besides several who have moved away from the province.

Friends in Charlottetown will be interested in the news of the wedding of Donald MacKenzie son of Rev. Dr. A.D. and Mrs. MacKenzie, McGill Avenue, to Miss Myrna Dales, daughter of Mrs. Eleanor Dales, Eastons Corner, Ontario. The marriage took place at Eastons Corner United Church on April 11. They will make their home at Merriville, Ontario.

Mrs. Bessie Bell has returned to Ottawa after being called home due to the illness and subsequent death of her father, Mr. James Stevenson, of Rustico.

The many friends and relatives of Mrs. Ernest Bulman will be sorry to learn that she is undergoing treatment in the Prince Edward Island Hospital. All sincerely wish that her treatment

will be beneficial and soon be returning home.

On Wednesday evening, April 22nd, Cornwall W. I. celebrated their 46th anniversary at a banquet in Cornwall Hall. With the president, Mrs. Ford Wilson presiding, blessing was sung and members and their husbands sat down to a sumptuous repast. The toasts were proposed as follows: The Queen by the president responded to by the National Anthem. The senior members, by Mrs. George MacMillan, responded to by Mrs. Hazen Howard, and 'Our Husbands' by Mrs. Hector Scott responded to by Mr. Elmer Frizzell.

Mrs. Gordon MacMillan, Mrs. G.R. Bain, spoke briefly as did also Mrs. A.C. MacEachern, senior member of York Point W.I. and Mrs. Reta MacPhail, the president, who were guests for the evening. A delicious decorated birthday cake, donated by Mrs. Walter Gregor, adorned the centre of the table the forty-six candles were lit by Mrs. Bain, and Mrs. A.C. MacEachern, and were extinguished humbly by Mrs. Gordon MacMillan.

Excerpts from the minutes of one of the first meetings of the Meadow Bank Institute, written by Mrs. Roper, were read by Mrs. Hazen Howard. A resolution "that the running of automobiles be prohibited on P.E.I. as they were a menace to women and children" was one of the items.

Games and contests, a sing song and dancing were enjoyed and all agreed they had a very pleasant evening which was brought to a close by the singing of Auld Lang Syne.

Mrs. Harvey MacLean and Mrs. Gordon MacMillan were the pianists and Meadow Bank W.I. members catered for the occasion.

Mrs. L.S. Newhall, who was a guest at the Charlottetown Hotel for the past several months, left here recently on a visit to her home in Springfield, Mass. Her many friends in Charlottetown and throughout the Island will be glad to know that she plans to return to her native Province in the near future.

A wire today from Ottawa to Mrs. William MacInnis, this city, announces the arrival of a son, Douglas Edward, to Gordon E. MacLeod and his wife, the former Sheila MacInnis, R.N.

V.O.N. Stress Prevention Of Accidents In Home

By CAROLYN WILLET
Canadian Press Staff Writer
OTTAWA (CP)—Stop and look around your home for a minute— is it a safe place or a booby trap?

Concern is growing about the number of accidents in the home as tumblers turn into tragedies, and the most commonplace things left in the wrong spots cause pain or injury, sometimes serious disability or death.

On a nation-wide basis the Victorian Order of Nurses, Canada's largest home-nursing order, has joined the battle against accidents in the home.

One province, Ontario, has its medical association pounding away at cutting down the accident toll among a most vulnerable group—the children.

"The main thing about accidents is prevention," says Christine Livingston, the V.O.N. director in chief. "The tragedy of accidents is that a lot of them could have been prevented."

Miss Livingston said in an interview that the home nursing order, and other public health nurses who have continuing contact with people in their homes, have a special responsibility for education in accident prevention.

"Nurses themselves have to be aware of the potential hazards that surround us daily and that because of carelessness may lead to serious accidents," she said.

Some of the less obvious items, such as roller shades, tricycles, skipping-rope or scatter rugs can contribute to a serious accident for a child or adult.

Statistics indicate that Canada has the fourth highest accident rate in the world and that accidents in all forms cause more deaths each year than any single known disease.

In 1956, the home accident fatality rate was 13.6 persons in each 100,000. For each death there were some 180 home acci-

dents that resulted in disability for a day or more. MANY UNNECESSARY Studies have shown that 76 per cent of home accidents could have been prevented, five per cent could not have been prevented and 19 per cent might or might not have been avoided.

In an attempt to cut down on the home accident rate, accident prevention education and information now is part of the Victorian Order of Nurses staff education program.

The V.O.N. lists 40 specific accident hazards that its nurses should watch for in homes they visit. The list ranges from falls, burns and scalds to asphyxiation and poisons.

Home-safety studies show that among the old, falls are the greatest menace, while fire and suffocation are the greatest dangers for the very young.

Saturdays and Sundays are the days which test whether the home is safe or dangerous. It is on these two days that home accidents most frequently occur.

CRAFTY THIEVES
GLASGOW, Scotland (Reuters) Slick thieves got away with £30,000 Wednesday night—and didn't leave a mark on the bank. There was no evidence of a forced entry, the vault was not damaged, the front door was unmarked and the three grilled windows at the rear were intact.

ROYAL JELLY
Royal Jelly, a safe, natural food produced by the Honey Bee and fed to the Queen Bee, increasing her life span 20 times.

ELLEN'S DIARY

"The Top Rail" Is Relic Of Fond, And Former Days

Now in the moonlight the ewes are at rest in the front meadow, lambs cuddled, we know, closely to their mothers' sides.

"Daddy was saying this morning he never before saw such heavy fleeces on sheep" Mack observed today when we stopped to watch the flock hagen with expectant bleats to enjoy the baskets of grain the younger farmer was bringing to their pasture. Like children promised sweets, they crowded about him.

"He says", Mack continued "the fleeces, it must be on account of so much frosty weather this winter. Animals coats do grow to suit the climate you know—the cattle and horses, thicken theirs come Fall and if left out of doors they have to grow thick and shaggy coats like those Seble Island ponies we saw in a picture. I guess sheep are the same. We'll know when we come to shear them", he nodded.

"Those will be the days!" we said.

"Sure will" he smiled. "But do you know? These now, aren't they? Take tomorrow," his smile of anticipation was lovely to see.

FISHING DAYS
Tomorrow for this little lad of the farm? If all goes well, it will mean a trek "in" the road for him to contact Gege, and with time out only for dinner, a long delightful day spent away from the world and its young cares, at the fishing. May it be a sunny warming day for them and all Island lads who wish to go to such angling.

Receiving supplementary feed on pasture where it is best for them to be the ewes are. And also younglings of cattle were led from stables to the open "for a run" today in a field which gives them access to the stream and a night-shelter of shed and filled mangers.

Now in earnest, since back of a shower and a sunny west wind looms the time of the cultivating, the farmers went today to their fencing—and over the fields from Alderlea Rob and Jamie worked busily at theirs. As good fortune has it, because of a winter of little snowfall and less consequent breakage and bending of wires the fencing stands to be a less extended operation than usual this spring for the men of these farms.

JAMES brought home a relic of former days at this first work of the fields—part of a silvered rail to make us kindling wood. "Many a time as a lad" he offered with a smile a bit wistful "I've sat on a top rail when coming home from some night-prowl along the fields, just to enjoy the loveliness of a moonlit night about. There was nothing more peaceful, more loughing—and so quiet you could" he grinned boyishly "count your heartbeats. But now" he signed "there are no top rails any more. and no time, and little quiet!"

But Spring-nights silvered with moonlight remain. And lads, though not on foot we suspect, still find their own sweetly intriguing night-paths of Spring. Until tomorrow — — — Diary, Good-night.

IDA BAILEY ALLEN
Frozen Chinese Foods Have Come To Market

"A most extraordinary man," Mr. Jene Paulucci of Minnesota, and a most extraordinary line of Chinese food he now has for nationwide sale. The Chef remarked as we returned to the test-kitchen from a Chinese luncheon for food editors.

"Mr. Paulucci has that rare ability to envision what can be done from what he has to work with," I replied. "to use fully the resources that are available."

BEAN SPROUTS
"Just 11 years ago, he discovered that Americans liked Chinese food. He scraped together a little money and went into the business of growing bean sprouts. He didn't sit around and watch others—he worked long, productive hours."

"Today, Madame," the Chef said, "we have literally tasted the fruit of his work. I do not mean only bean sprouts but also two fine frozen canned Chinese soups (Won Ton and egg drop), shrimp egg rolls and fruit rolls. And, on store shelves all over the country, there are nearly two dozen different canned Cantonese food products, many in the new flavor-guard divider-pack cans."

"These foods are a fine con-

Science Now Shrinks Piles Without Pain Or Discomfort
Finds Healing Substance That Relieves Pain And Itching As It Shrinks Hemorrhoids

Toronto, Ont. (Special)—For the first time science has found a new healing substance with the ability to shrink hemorrhoids and to relieve pain and itching. Thousands have been relieved with this inexpensive substance right in the privacy of their own homes without any discomfort or inconvenience.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was promptly relieved. And while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of even 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

GRAN VALLEY W.I.
The monthly meeting of the Glen Valley W.I. met at the home of Mrs. Alton MacLean on April 2nd. The president presiding over the meeting opened with the Mary Stewart Collect in unison. Roll call was answered by 11 members with an article for an auction sale. There was one visitor present. Correspondence was read and committees gave their reports.

Committees for next month — Sick, Mrs. Sterling MacLean and Mrs. Vernon Gillis; program, Mrs. Cyrus Martin and Mrs. Ivan Frizzell; school, Mrs. Ed Mac-

Transfer to 3 pt. baking dish or low casserole. Top with American pie pastry. Press pastry down over edge to seal in juices. Slash in 3 places on top to allow for steam escape. Brush over with milk. Bake 12 min. in hot oven, 425 degrees F. Reduce heat to 350 F. and slow-bake 50 min. longer.

CHEF GLAMORIZES BEEF STEAK VEGETABLE PIE
Assemble ingredients in individual dishes. Add 2 shucked oysters to each pie, top with pastry and bake. Garnish with quartered slices of lemon centred around a stuffed olive.

Beef Steak Vegetable Pie: Trim excess fat and rough edges from 1 1/2 lb. flank or chuck beef steak. Cut meat into 1/2" cubes. Melt 2 tsp. meat fat in a medium frying pan. Add the meat. Saute until half browned.

Add 2 minced peeled onions; cook together until onions are yellow. Stir in 3 tbs. enriched flour and 3 c. boiling water. Add 3 bouillon cubes. Cook until boiling rapidly.

Add 2 c. small-diced raw potatoes, 1/2 c. thin-sliced peeled raw carrots, 1/4 c. cut-up celery, 1 tsp. salt, 1/4 tsp. pepper and 1/2 tsp. marjoram.

Donna's Collection was 50 cents. Proceeds from auction sale amounted to \$6.25. Mrs. Sterling MacLean and Mrs. Arthur MacLean invited the members for the next meeting, when roll call will be answered with an exchange of plants or seeds.

A contest was put on by Mrs. Sterling MacLean and won by Mrs. John Nicholson. The meeting closed with the National Anthem. A delicious lunch was served by the hostess, assisted by Mrs. John Nicholson.

It's Talisman Tea Time Everyone Will Be There!

Your engagement calendar will have the date May 12th reserved well in advance. The Talisman Tea is the social event for that day.

The Tea is being held at the Y.M.C.A. reception hall and the hostesses are the members of the Alpha Chapter of the Beta Sigma Phi sorority.

One of the chief features of the tea is that the sorority members will be wearing the new

CAPE TRAVERSE W.M.S.
The Auxiliary of the Woman's Missionary Society of Cape Traverse United Church, held its meeting in the church vestry on Monday evening, April 13th. The worship service theme: "The Hope of Wartime World" was led by Mrs. Ernest Harper, assisted by Mrs. Wilber Cairns reading the scripture taken from the book of Micah, followed by comment read by Mrs. John Haslam. Prayer by Mrs. Alfred Norring brought the worship service to a close.

An impressive affiliation service for the C.G.I.T. group who were there with their leader, Mrs. Cook Howatt was conducted by Mrs. Ralph MacCaull and Mrs. Hedley Lowther. Prayer by their leader, Mrs. Howatt concluded this part of the service.

Business period followed. A letter of thanks was read for kindness shown during the lengthy illness and death of one of our beloved members. Mrs. Ralph MacCaull then gave a short synopsis from the study book chapter dealing with "Unemployment and the Immigrant" and a film relating to this was shown. The meeting closed with the benediction.

WATER SOURCES
Canada contains one-third of the world's fresh water supply.

PRINTED PATTERN M 323
A Gothic Original

STEM-SLIM SHEATH

This is the dress that stopped the show at Gothe — a sleek, sophisticated sheath with excitement curved into every line. Folds of fabric define an alluring waist clasped by a wide, crushed belt. The arrow-slit skirt is softly rounded at the hip — a most flattering shape for any figure to be in. Printed Pattern M323 captures all the details, all the drama of the Original. Sew it in pure silk crepe, faille, or shantung — fabrics with a clinging, fluid quality. Wear it with this fashion guarantee — wherever you go this spring or summer, you'll be the center of attraction.

Printed Pattern M323 is available in Misses' Sizes 10, 12, 14, 16 and 18. Size 16 dress requires 3 7/8 yards 39-inch fabric.
