What folly to suffer so with catarrhal troubles, when the worst cases of chronic catarrh in the head are relieved and cured by the mild, cleansing and healing properties of Dr. Sage's Catarrh Remedy. It purifies the foul breath, by removing the cause of offence, heals the sore and inflamed passages, and perfects a lasting cure.

The Wonderful Success

Of Hood's Sarsaparilla as a blood purifier entitles it to your confidence. No other preparation has such a record of cures of Scrofula, Salt Rheum, Blood Poisoning, or other blood diseases. To try it is to know its merit. Be sure to get Hood's Sarsaparilla.

For a general family catarrh we confidently recommend Hood's Pills. They should be in every home medicine chest.

Pointers To Advertisers.

The name of the article which you wish to sell, and its price set in the advertisement in conspicuous type, is not good advertising.

Far from it.

In nine cases out of ten the man you are trying to reach has not made up his mind that he wants to buy anything you have to sell, therefore, he cares nothing for the article you are offering him and nothing about its price.

Your first effort must be to interest him, second to make him believe he needs the very article you have to sell, and then you can talk prices to him to good effect.

In these days of expertness in advertising, and art in advertising, and the highly artistic in typography, and the brilliant in diction, and the excessively adroit in methods, we are apt to overlook the fact that the most conspicuous and lasting advertising successes have been made by bringing the name of a desirable article before the largest number of people in the most conspicuous and forceful way, and keeping that name before their attention.

"Keep your name before the public" sounds like very old-fashioned and out-of-date advice, but it is just as good a maxim to-day as it ever was.

The Telephone Co'y
OF
P. E. ISLAND.

PERSONS using the Telephone would find talking much more satisfactory if they would observe the following Rules:

1st. Speak with your mouth about four inches from the transmitter.

2nd. Speak in a moderate tone of voice, not too loud, and distinctly.

3rd. Place the Telephone so as to cover the Ear, just as if you wished to shut out all other sounds. Do not press too hard on the Ear.

It is possible to talk and be heard when standing back two or three feet from the transmitter, if you shout loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.

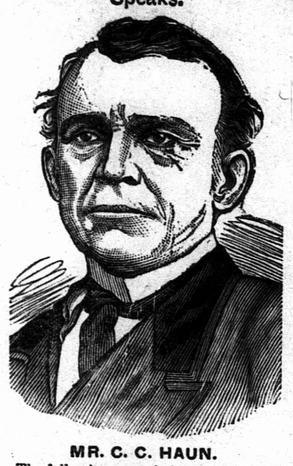
WONDER IN WELLAND!

A Representative Farmer Speaks.



MR. C. C. HAUN.

The following remarkable facts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Haun writes as follows:

DEAR SIRS,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had. I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than what I have myself passed through, and no words can express my thankfulness for such perfect recovery.

C. C. HAUN,
Welland P.O.

In this connection the following letter from T. Cumines, Esq., a leading druggist of Welland, Ont., speaks for itself; Messrs. T. Milburn & Co., Toronto.

GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although quite well he still takes some B. B. B. occasionally, as he says, to keep him in perfect health.

Yours truly,
THOMAS CUMINES,
Welland, Ont.

The steadily increasing sale of B. B. B., the length of time it has been before the people, and the fact that it cures to stay cured, attest the sterling merit of this monarch of medicines, the people's favorite blood purifier, tonic and regulator.
