CONFIDENTIALLY YOURS

—by Byrne Hope Sanders

MONTREAL, July 24th — Holiday happiness ahead? Take it easy — and serve many a salad with the quick-as-quick Minute Mayonnaise we can all make with BORDEN'S EAGLE BRAND Sweetened Condensed Milk. Delectable with all salads — but, methinks, 'specially so with Waldorf Salad — made with chopped apples, raisins, celery... Minute Mayonnaise

2/3 cup Eagle Brand Sweetened Condensed Milk — 1 egg yolk — 1/4 tsp. salt — 1 tsp. dry mustard — 1/4 cup vinegar — 1/4 cup salad oil — touch of cayenne. Place all ingredients in mixing bowl. Beat with rotary beater until mixture thickens. If you'd like a thicker consistency, chill before serving. Makes two cups.

FOR CHILDREN'S DELIGHT... and grown-ups' pleasure too — serve mellow, cheddar-flavored MAPLE LEAF CHED-R-SPRED on toast, in sandwiches, or as "cheeseburgers". It's easily spreading, and has a velvety goodness that everyone enjoys. You'll also relish it on mashed potatoes — or to make your favorite cheese sauce even better. Makes delicious canapés, too. Comes in the use-again 9-oz. tumblers and in 16-oz. refrigerator jars. To introduce you to Ched-R-Spred, Maple Leaf offers 5c off the 9-oz. size — and 7c off the 16-oz. size. Hurry!

ARE DOOR-LOCKS ENOUGH... to safeguard your valuables? There's always the danger that they may be lost through fire or theft — especially when you're off on vacation. Surely the safest place for your jewellery and valuable papers is behind the steel doors of a BANK OF MONTREAL vault! You can rent a B of M Safety Deposit Box for less than two cents a day and know you have the utmost protection from fire or theft. Why not add this to your list of "things to do" today or tomorrow? See about this sure, low-cost protection while it's on your mind.

HOPE THAT YOU AND YOUR BABE are on holidays... and hope, too, that you are one of the tens of thousands of wise mothers now relying on one of the four dependable FARMER'S WIFE Formula Milks (in the easy-opening can), long prescribed by doctors and approved by mothers. Your doctor will have suggested which one of the four types will suit your little one exactly... perhaps Partly Skimmed Milk, or he may find that your baby will thrive best on Whole Milk or Skimmed Milk. And do ask your doctor about the new Farmer's Wife PREPARED FORMULA, with the baby sugar already added, developed at the request of the medical profession.
