

FIGHT ERUPTS ON PLAYING FIELD

Battling it out in just about the only fight Toronto Argonauts put up at the CNIE Stadium last Sunday are Jim Loo (77) of the Argos and Calgary's Pete Manning (on

ground). One of Stampeder's coaches, Tom Hudsperth (left) comes in as the role of peacemaker along with members of both teams.

Hopes for a brighter future for Argos was dashed when they reached the decisive point in their 1963 schedule and, as usual, took the wrong

turn. Calgary destroyed them 50-0 before Toronto's biggest crowd this year. It was Argos' sixth defeat in eight starts.

Craft Signs New Contract

HOUSTON (AP)—Harry Craft signed a new one-year contract Wednesday as manager of the National League Houston Astros.

"There are a lot of managers who could have won fewer games than Harry has," Paul Richards general manager, said in his decision to retain Craft a third straight year.

"Harry has done us a good job and I hope he continues to do a good job next year."

Craft, former manager of Kansas City Athletics, took charge of the Astros when they made their major league debut last season.

His first Houston team finished in eighth place. The club dropped to ninth place this season while building for the future.

Allen, Scully Will Announce

NEW YORK (AP)—Mel Allen and Vince Scully, who broadcast for New York Yankees and Los Angeles Dodgers, respectively, will handle the television commentary of the World Series game 5, Commissioner Ford Frick announced Wednesday.

Joe Garagiola, former big league catcher who is an NBC broadcaster, and Ernie Harwell, who describes Detroit games, will share the radio chores.

Clark Out For Season

MONTEREAL (CP)—Coach Jim Trimble of Montreal Alouettes said Wednesday that left halfback Don Clark, injured in Tuesday's game with Calgary Stampede, will be lost for the remainder of the regular season of the Eastern Football Conference.

Trimble said Clark "will be operated on immediately" for torn ligaments in the right knee. "There is a possibility we can have him back for the playoffs," he said.

Trimble said he plans on using Freddie Burket, a backup warmer so far this season, at halfback and will move halfback Dave Hopmann to left half for next Sunday's game in Hamilton.

Trimble also said he is looking for a new replacement but gave no indication who the player might be or what clubs are being canvassed.

Clark's losses came at a time when he was tied for second place in the EFC scoring list with Dick Shatto of Toronto Argos, each with 26 points on six touchdowns. The current leader is Moe Racine of Ottawa Rough Riders with 40 points on eight touchdowns.

Clark, 26, was an all-American at Ohio State University. He was signed by Ottawa Rough Riders in 1959 and was traded to Winnipeg. The Als got him in May, 1960.

Rizzuto Picks Yanks In Four

HILLSIDE, N.J. (AP)—Phil Rizzuto is certain New York Yankees will win the World Series but says the Dodgers' Sandy Koufax holds the key to how many games it will go.

"If the Yanks beat Koufax in the first game, I think they'll win the Series in four straight," the Yanks' radio-TV broadcaster and former star shortstop said.

"Otherwise, I think it will go seven games," Rizzuto said. "But I don't think he's that much better than Whitey Ford."

"I think the surprise of the Series will be Al Downing. He's impressive in his confidence and control. He came up with a couple of new pitches which it took Koufax a lot longer to learn."

Joe Garagiola, former big league catcher who is an NBC broadcaster, and Ernie Harwell, who describes Detroit games, will share the radio chores.

Chuck Estrada Has Surgery

BALTIMORE (AP)—Chuck Estrada, Baltimore Oriole pitcher who has been on the baseball team's injured list since early this season, underwent surgery on his elbow Wednesday.

A spokesman for the American League club said the operation to remove a bone spur and bone chips apparently was successful.

The doubles match, with McKinley and Dennis Ralston opening Sangster, a nod Bobby Wilson, will be played Friday, followed by final singles Saturday, in which lines are reversed.

The Yanks are slightly favored over a British team that has gained the Interstate competition for the first time since 1957.

Fröehling's selection for one of the singles berths—and his designation as the No. 1 U.S. player—came as a distinct shock since the Americans were expected to use Raftoon, hero of the U.S. victory over Mexico in the American Zone final.

"Fröehling has come along very fast and he is picked because we honestly feel we have the best chance to win with him," said Bob Kelleher, U.S. team captain.
