The Wonder of the World!
Devines' Compound Pitch Lozenge.

THE Great Remedy is at last discovered, and COUGHS, COLDS, ASTHMA. COSTIVENESS AND CONSUMPTION have lost their terror, and vanish as as if by magic before this Sovereign remedy. Was it ever before known that, *Hopeless cases of Consumption were crred for less than $5?*

Truly, if any individual is to be pitied, and needs sympathy, it is the consumptive,—always expecting to get well, and yet the painful evidence of decay almost "makes the inner soul shrink with the outer flesh."

"Some bloom as roses bloom,
And live as roses live,
A single morning space!"

While others, in more mature life,—by some imprudence and a slight cold neglected,—in the hectic flush, the painful cough,
"The prints of their parting steps appear."

All we ask is this one question:—If you have got mucous membranes, or any other members of the body that are "heirs to ills."—are you not interested in this *great remedy*, DEVINES' COMPOUND PITCH LOZENGE.

WONDER OF THE W[illegible]ding
Gravel Cured of five years s[illegible]e.

Messrs. CURTIS & PERKINS, Bangor, M[illegible]

Gentlemen,—I have been entirely cured o[illegible] the Gravel, by the us of your *Cramp and Pain K[illegible]iller.* I commenced taking the Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered beyond all my powers to describe.

During this time, I have had medical aid, and tried various spe- cifics, but found very little relief until I obtained your Cramp and Pain Killer. In one month after I commenced using it, I began to grow better. I continued to use it for a year, all the time improving until I was entirely cured.

We, the undersigned, are well acquainted with the above case, and certify to the above statement of facts.

CHARLES CLIFFORD,

STANTON ELLIS.

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March20, 1847: "Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I everused."

The Doctor first made use of it in his own case, for a severe sprain in the shoulder, caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

Read the following. It speaks for itself.

RHEUMATISM CURED.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me, so that I could not get up without the greatest pain and effort; nor could I walk without a cane, and but very little with. I applied Doctor Johnson's Anodyne Liniment, or Liquid Opodeldoc, and several other remedies, without any relief. After suffering in this way about a week, I purchased a bottle of *Cramp and Pain Killer*, prepared by CURTIS & PERKINS, Bangor, and after *three applications* was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a lame side, with the same bottle. I believe it the best medicine in the world, and am happy to add my testimony in its favor

LIST OF
British Periodical Publications.

FORWARDED by mail, under the provisions of the late Post Office Law, at merely nominal rates.

1. *The London Quarterly Review* (*Conservative*).
2. *The Edinburgh Review* (*Whig*).
3. *The North British Review* (*Free Church*).
4. *The Westminster Review* (*Liberal*).
5. *Blackwood's Edinburgh Magazine* (*Tory*).

These Reprints have been in successful operation in this country for *twenty years*, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class, and from the numerous *Eclectics* and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns, both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Messrs. Scott and Co., so that Subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.
