take up the time of the House, and produce angry discussions. Such was the attempt to question Hon. Mr. McEachen's qualification, which they knew to be perfectly good; but they thought that the majority would act up to the strict interpretation of the Act, and refuse to take it into consideration at this late part of the proceedings. The majority wisely voted for it to be laid before them. Had they refused, however, these self-styled liberals would, no doubt, have kept up an agitation on the subject in their illiberal papers,—as they are at present hard run for faults to find with the Government, and the least accusation is made political capital of.

There is in one Bill, introduced by the Government, more good likely to accrue, than from all the proceedings of the former administration, viz., the Bill for the incorporation of a Bank; and such a Bill the former Government refused to introduce, although solicited to do so, because, I presume, they could make no political capital out of it, and they thought it would be favoring the monied interests of the Colony. May Providence save us from such political economists! The establishment of a Bank will be of more good to the man of small means, than to large money holders. During Mr. Coles's administration, I heard of honest thriving people having to pay at the rate of twenty per cent. interest for the use of a little money. Will such be the case when we have a Bank established? No. The person having money to lend will have it in constant use, and will be willing to take a fair per centage; and the person wanting to borrow, will be more anxious to receive it, and get more benefit from its use. Merchants and traders can be more punctual to meet their liabilities, and more willing to extend their business operations; and every person who has a stake and interest in the country will derive a benefit from it.

I have more to say, on the Education Act, which the Government are taking every pains to improve; but as you reminded us that communications must be short, I must now close.

Yours, &c.,

MRS. WINSLOW.

An experienced Nurse and Female Physician, presents to the attention of Mothers, her

SOOTHING SYRUP,

For Children Teething.

For the Nervous Affections, Convulsions, Fever, Inflammation of the Bowels, &c. that attend this period of children, she recommends it as sure to produce the desired effect, giving *Rest to the Mother, and Relief and Health to the Infant.*

A child in Congress-Street was cured by the Soothing Syrup, of Infantile Dysentery or Diarrhœa after being given over by the attending Physician.

Mr. Blackman, of Eddington says, it has *never failed to cure* the Dysentery or Diarrhœa in children whenever used in the village. Lots of it is sold.

One parent informs me his chi'd has suffered to an alarming extent, with Flatulence or Wind Cholic. Lately they have used the Soothing Syrup, and it always effects a *speedy cure.*

Hundreds of like instances might be enumerated.

PROOF POSITIVE.

Messrs. CURTIS & PERKINS:—Please send us a further supply of Soothing Syrup We are selling large quantities of it, and from what we can learn, it is used with *uniform success*, both by children and adults, in all cases of Dysentry or Diarrhœa.

Yours respectfully,

W. D. CRUMBIE,
J. MORRILL.

New-York, July 10th, 1853, 318 Bowrey.

Hear the Brooklyn Daily Advertiser, of June 13th 1853.

We cheerfully comply with the request of a friend to insert the following letter which we are assured is from a lady of the first respectability, residing in Lowell, Mass., believing that a vast amount of suffering may be prevented, and many valuable lives saved, by calling the attention of mothers to this valuable prescription of an old and experienced nurse:

Dear Sir:—I am happy to be able to certify to the efficiency of Mr. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy, —and when given to the boy according to the directions, its effect upon him was like magic, he soon went to sleep, and all pain and nervousness disappeared. We have had no trouble with him since; and the little fellow will pass through with comfort, the excruciating process of teething, by the sole aid of Mrs. Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it.

NEUROLOGY, or SCIATIC RHEUMATISM CURED.

This may certify, that for about four years I was seriously afflicted with a disease in the hip, which Physicians termed Neurology, or Sciatic Rheumatism, and resorted to various remedies without any permanent relief; have been under the care of a regular Physician for six months at a time. Last spring, had a very violent attack, which laid me up, when I made use of the *Cramp* and *Pain Killer*, prepared by Messrs. Curtis & Perkins, of Bangor. It gave me immediate relief, and I do not hesitate to say, that it is the best article I ever used. I cheerfully recommend it to all who may be afflicted with similar complaints.

HENRY HUNT.

Stetson, Dec. 2, 1847.

Deacon Hunt, the signer of the foregoing certificate, is a man of undoubted veracity and high standing in the community.

N. B.—Be sure and call for Curtis & Perkins' Cramp and Pain Killer. As all others bearing this name are base imitations. Price 12½, 25, 37½ cts. per bottle according to size.

WILD CHERRY BITTERS,

For the cure of Bilious and Jaundice complaints, and general debility. They quicken the blood and give *new life* and energy to the *whole system.* Price *only* 37½ cents in *Pint* Bottles.

Likewise for sale as above,

HUNTER'S PULMONARY BALSAM.

Hear what the Daily Mercury of Bangor says of Doct. Pomroy.

Hunter's Balsam. It is not often that we *can* say anything favorable of patent medicines, on the testimony of those with whom we are acquainted, two have used and tested their merits. But in regard to Hunter's Balsam, put up by our fellow citizen, Jeremiah Curtis, Esq. we have the testimony of many of our own citizens and those of neighbouring towns, unanimous in its praise. The testimony of one individual with whom the public are acquainted, carries with it more weight than whole columns of certificates from strangers, whose faces we never saw, and whose certificates, for aught we know, may have been procured by fraud. See Dr. Benjamin L. Pomroy's testimony, in agent's hands, or

Hunter's Pulmonary Balsam.—To those afflicted with Coughs, Colds, Consumptions, Asthma, Spitting of Blood, and all affections of the Lungs, we recommend Hunter's Pulmonary Balsam. It is believed to be the best article ever yet invented for these complaints. Price 50 cts. a bottle.

INDIAN DISPEPSIA PILLS,

For cure of Costiveness, Acidity of the Stomach, Bilious Habits, Headache, Dizziness, Heart Burning, Pain in the Side, Lung and Liver Complaints.

DYSPEPSIA AND IDIGESTION,

With Costiveness, Acidity. of the Stomach, Heart Burning, Bilious Complaints,—producing Headache, Pain in the side, Loss of Appetite, and general Debility,—can be remedied, removed, and entirely cured, by the use of the *Indian Dispepsia Pills.* These Pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dispepsia. They are a mild and gentle Cathartic, operating mostly upon the blood, cleansing and purifying the same, and causing the digestive organs to perform their appropriate duties, with regularity.

COSTIVENESS.

Habitual Costiveness is, if not removed in time, a cause of more than half of the disorders and pains to which humanity is subject. The medicines too generally had recourse to, do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate instead of removing the complaint.

Also, in all Bilious Diseases, attended with Pain in the Side and Right Shoulder Blade, with a dull, sallow countenance. In all Diarrheas,, Ague and Fever, Bilious Fever and sick headache, they are an invaluable Remedy.

They will be found the best Family Physic in the world, purifying the blood, restoring the appetite, and leaving the stomach and bowels in a healthy state. Price 25 cents per box.

For purifying the Blood, we do not believe these Pills have their equal in the world.

DR. CHALMERS' WORKS.

["*To commend these works is superfluous; they have met with universal approbation from the British press and public. That the periodical press, representing so great a variety of religious and political opinion, should have so generally noticed them, and that too with high commendation, is a circumstance exceedingly rare, if not altogether unparalelled. They have charms for the merely literary man, and they will obtain a hearing for evangelical truth in quarters from which it would otherwise be excluded.*"]—*Kitto's Journal.*
