\$500 REWARD

is offered by the manufacturer of Dr. SAGE'S CATARRH REMEDY, for a case of Catarrh of the Nasal Cavity which they cannot cure. SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharge falling from the head into the throat, sometimes profuse, watery, and acid, at others, thick, tenacious, mucous, purulent, bloody and fetid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectation of offensive matter, together with scabs from the nose; the voice is changed and has a nasal twang; the breath is offensive; and there are irregularities in the action of the bowels, with general depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, and so dangerous, as Catarrh, or cold in the head, Coryza, and Catarrh of the Head. Sold by druggists everywhere, 50 cents.

"Untold Agony." from "Catarrh." Prof. W. HAUSSNER, the famous mesmerist, of Hhaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse that I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent." "Constantly Sneezing and Spitting." Thomas J. HURSTON, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly sneezing and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure." Three Bottles Cure Catarrh. ELI ROBERTS, Ransom J. Co., Columbia Co., Pa., says: "My daughter had a catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it cured her; a third bottle effected a permanent cure. She is now eight years old and sound and hearty."
