

THE GENERAL POST OFFICE.

We would call the attention of the authorities to the necessity which exists for improvement in this important department. It is now time that we had a Delivery Department, separate from that in which Mails are received and made up.

We fully agree with the Islander that the City should have a more convenient and spacious building for the Post Office department. The present one is entirely too small.

While we are on the subject of Post Offices, we will here state our extreme gratification with the projected alterations in the mail arrangements in this County. Direct postal communication with Summerside is what the people of New London and Malpeque have long desired.

His Excellency Governor Dundas and Lady were in the Princess of Wales last night on their way to Charlottetown. There was also in the boat a gentleman who we were informed, was one of Maximilian's Aides-de-Camp.

THE FIRST OF THE SEASON.—We were shown last week, in Charlottetown, a quantity of new potatoes, in a very advanced stage of growth, the largest of which measured three inches in length. They were dug on Saturday the 13th inst.

Some of these exotics are surpassingly beautiful. Any admirer of flowers may there purchase for a trifle fine healthy plants of the very best sorts.

TEMPERANCE CONVENTION.—As announced, delegates from the various Temperance organizations in this Island met in convention at Charlottetown, on Thursday last.

The Mexicans are giving a free rein to their passion. Miramon and Mejia were shot like Maximilian, with the exception that they were turned with their backs to the muskets as being traitors.

A Clergyman (Rev. J. McMurray), writing from Halifax, N. S., says, "Having suffered severely years with throat affection, to which clergymen are especially subject, and having used various remedies, I have pleasure in giving my testimony as to the relief I have had in the discharge of my Sabbath labours from the use of Brown's Bronchial Troches."

An Excellent Article.—Mrs. Winslow's Soothing Syrup is an excellent article for all diseases of children. It relieves the child from pain, regulates the stomach and bowels, and, by giving health to the child, comforts and rests the mother.

I have been afflicted with piles for 25 year, and tried everything I could hear of but to no effect until I used J. B. Fitch's Golden Ointment which has cured me.

For a Cough, Cold, an Irritation or Soreness of the Throat, "Brown's Bronchial Troches" will often give instant relief.
