through the house. Tod made a four foot circle draw to leave 2-1. N. Ontario had one in guarded after the first had thrown their rocks. Bell knicked the guard in attempting his shot rock and rolled out. The Islanders got a break when Morans rock was heavy and slipped through the ring.

Bell made a take out on his second try and landed up shot rock. N. Ont. missed by inches and went through the house. Joe Saunders received a good hand from the crowd when he took the only Ontario rock in the ring.

Islanders then had two good rocks in the house and MacLeod received a good hand on a splendid take out and rolled. Saunders repeated his take out as the cheaters shook the rafters. Tod makes a take out but rolls out himself leaving P. E. I.'s shot at 7. Burke elected an out turn draw and he is short by six feet. Tod second rock in playing a take out, made it, and was now shot rock at 7. Burke's second rock was a draw to the shot rock and was heavy. This made the count read 3-1 for Ontario at the end of four ends.

Ontario dropped one ten feet in front. P. E. I. drew the twelve foot circle at 2 o'clock Moran went for the shot and took it out and rolled out. Smith drew to the twelve foot at 3. Ont. took it and

Dr. Phillips was moved by Mr. Henry Wedge of Summerside, who, in reviewing the participation of Dr. Phillips in the last Parliament, said that every poll in Prince County has noted and appreciated his efforts.

The nomination of Dr. Phillips was seconded by Dr. George Dewar, M.L.A., who expressed confidence in the re-election of the Prince County Conservative candidate in the March 31st election.

In his acceptance address Dr. Phillips said that the co-operation and combined efforts of the senior Conservative organization, ladies group, and Young Progressive Conservative Association, had on June 10th resulted in the election of a Conservative candidate in Prince County for the first time in 53 years.

Dr. Phillips said that from the very first the present government had demonstrated a sincere interest in the Maritime Province. When the cabinet was being formed, he reminded, P. E.I. was honored when Hon. J. Angus MacLean was appointed Minister of Fisheries.

Thanking the other three Federal P.C. members from P.E.I. who were present on the platform last evening, Dr. Phillips expressed appreciation of their co-operation with him at Ottawa. He said the four of them had worked closely as a team to benefit this Province, and he said they were proud that in those seven months the Dominion Government of John Diefenbaker had given more to P.E.I. and the Maritime Provinces than any other previous government.

"We do not profess to have solved all the problems," he said, "but neither did the previous government in twenty-two years."

Referring to special assistance for the Maritime Provinces he recalled the special grant to the Atlantic Provinces which includes an additional 10 million dollars for P.E.I. in the next four years.

This, he said, represents more than \$100 for every man woman and child in the Province.

He said that early in January he had the pleasure of announcing the greatest single Federal expenditure in P. E. I. since World War II—the expansion programme at the Summerside Airport—a programme which will involve approximately 8 million in the next three years.

He said that when the present government assumed office no plans had existed for the Summerside station, other than the thought which favoured stationing the Argus aircraft in another Province, "completely by-passing Summerside."

Dr. Phillips said he had been pleased when the Minister of Defence told him that he was proposing to the NATO conference that Summerside be selected as the site for the Argus aircraft.

At this point Tod was keeping everything clean and not worrying too much about where his rocks rolled after the take out. Smith drew once again to the twelve foot at three o'clock. Ontario took and rolled out.

Bell drew to the twelve foot circle at 9. Ontario came back with a take out and he stayed. Bell comes back with a take out and came out himself. Ont. wicketed off a guard rock in front and rolled through the house.

Saunders was light. Ontario tried an out turn draw and it was light after wicking a long guard. Saunders once again tried an out turn draw and was light. This was one of the few bad moments that Allison Saunders had in the entire week's performance.

Ontario tried a raise the only stone they had in front and was short. Burke with an out turn draw hit the eight foot circle at 3. Tom Tod tried to draw to the P. E. I. shot and was heavy going through the house. Burke in trying to draw just knicked an Ontario rock and wicketed off into the house giving P. E. I. a big two. The game now stood at 3-3.

Smith drew to the eight-foot circle at 5. took it out and lay at the foot circle at 8. P. E. I. took the shot and goes with it. Ont. tried a draw and missed. P. E. I. drew the twelve-foot ring at 12.30.

Once again Ont. missed on the take out. P. E. I. just nibbled at 12 in the front rink. Ont. missed another take out. P. E. I. attempting to guard gained the both rocks.

Ont. came in and took off two rocks. This left P. E. I. shot in the twelve-foot ring at 9.30. Ont. No. 2 in the twelve-foot circle at 8.

ISLANDERS CLOSE GAP P. E. I. drew into the circle at the eight-foot ring at 1.30. Ont. missed on their take out. P. E. I. was heavy on the draw. N. Ont. took out the shot rock. P. E. I. came right back with a take out which rolled into the

der of equal ability, not only in this field, but in the problems of employment, trade, etc. which are also of vital importance to Canada at this time.

Hon. Mr. Brooks was introduced to the convention by Mr. Francis J. McNeill of Summerside.

Other speakers at the convention in addition to those already named were Mr. Walter Shaw, leader of the Progressive Conservative Party in P.E.I.; Hon. J. Angus MacLean, P.C. candidate in Queens County, and Minister of Fisheries in the Diefenbaker Government; Mr. John Price, and Mr. Ernest Strong, former P.C. candidates in Prince County.

Other platform guests included George Key, Jr., president of Prince County Y.P.C.'s, Dr. J.A. MacPhee, former candidate in Prince County; Melvin McQuaid, President of the Provincial Association; Lt-Col. J.A. Macdonald, candidate in King's County; Mr. Heath Macquarrie, candidate in Queen's County; Mrs. Donald Lidstone, president of the Women's Provincial Association; and Mrs. Bertha Pope, president of Prince County Women's Association.

Sturdy, manager of the Crystal Diary, Summerside, underwent surgery for the removal of his right leg above the knee.

Mr. Sturdy has been confined to hospital since the time of the accident.

Prince County Hospital authorities had delayed their decision to amputate the leg in the hope that the leg might be saved. But extensive injury to an artery in the leg prevented recovery from the injury and the operation was performed on February 11th.

Still in Prince County Hospital, Mr. Sturdy will remain a patient in the institution for a few more weeks before returning to his home.

THE WEEK AT S.D.U.

It Was A Successful Week. In Sports - Not Debating

We'll make no comments in sports as St. Dunstan's had a very successful week. The First Team hockey squad, First team Basketball squad and basket ball's Second Team all played on Sunday on home territory and all three teams posted victories.

WIN FROM FLYERS In hockey, the Saints played an exhibition game against the Parkdale Flyers in the College rink. With the small ice surface, both teams managed to make it a fast match from start to finish.

The Saints built up an early lead in the first period and, as has been characteristic of practically all their games this season, started to slow down from then on.

They managed to keep their lead though and when the final whistle had blown they had slipped the puck into their opponents net seven times to make it a 7-6 victory over the flyers.

In basketball Second Team was faced against the Sport Lodge Trotters for a replay of the match that was protested by the Trotters a number of weeks ago. The match, as has been nearly all of the encounters between these two teams, was action packed from start to finish.

Shea, Kelly and MacKinnon racked up the majority of the S.D.U. points. Shea had high score for the game with twenty one points to his credit. The final score was 67-49 for S.D.U.

BASKETBALL VICTORY The Second Team-Sport Lodge Trotter match was followed by an exhibition encounter between the Moncton C.Y.O. club and First Team. Incidentally Moncton C.Y.O. were the Maritime Junior Basketball champions last year.

S.D.U.'s Brian Noonan was the game's high scorer with twenty two points and was a standout player for the Saints throughout the game.

The first half of the game had both teams closely matched with the Saints holding a narrow five point edge as the third quarter got underway. During the final half of the game the Saints continued to expand their lead and the game ended 68-55 in favour of the Red and White squad.

LOSE TWO DEBATES Leaving athletics we turn to a field of endeavour in which Saint Dunstan's was not smiled upon by Lady Luck. Perhaps the great success of last year should have satisfied the appetite for further total conquest for at least one year, nevertheless 1958 was slightly disappointing for the followers of Inter-collegiate debating at S. D.U.

We mentioned Luck at the start of this paragraph and perhaps rightly so when we realized that a laugh probably made the difference between St. Dunstan's winning or losing its third debate.

According to the judges of Wednesday evening's debate between S.D.U. and St. Francis Xavier University, the poi t to
