Albion School Examinator.

A public school examination was held in  
the Albion School, No. 82, on the nineteenth  
day of June, 1883. There was quite a  
number of parents and visitors present,  
and they seemed to take a great interest in  
the examination, which was very satisfactory  
and showed marked improvement, which is  
due to the untiring efforts of the teacher,  
Mr. Frank C. Lavers. The classes in  
Arithmetic, Grammar, Geography and  
History were examined in the presence of  
the visitors, and the pupils in these classes  
showed themselves very expert with their  
answers, and acquitted themselves very  
creditably. Remarks were made in favor of  
the examination, and the efficiency of the  
teacher, by Messrs. Capt. Young, Richard  
Thornton, James Creed, George Young Sr.,  
and a number of others. The following is

At 11 o'clock, Rev. Dr. Rice preached to a  
large congregation, from 1 John, 3 chap,

sermon. At 3 o'clock there was a Sabbath  
School Service. It was under the chair-  
manship of J. D. Chipman, Esq., Superin-  
tendent of the school. Two very good  
speeches were delivered by Revs. J. M.  
Campbell and J. Read. In the evening  
the service was conducted by Rev. Dr.  
Stewart. The church was crowded and  
extra accommodation had to be provided.  
His sermon was based Phillips, 3rd Chap.  
and last verse. It was a beautiful sermon,  
Sacrament was administered afterwards to  
both ministers and the laity. In the  
Presbyterian Church the preachers in the  
morning was Rev. J. M. Campbell, and in  
the evening Rev. W. W. Brewer. The  
sermons were well received. Rev. W. Dob-

noon. Rev. J. S. Phinney preached in the

Kirby preached at Little Ridge. Rev. H.  
Penna. preached at Baring's Mills. Rev.  
G. W. Fisher preached at Old Ridge. The  
day was fine and the congregations were  
good in most instances.

MONDAY MORNING.  
Conference was opened in the usual way.  
A vote of thanks was passed to the ex-  
President, the Secretary, the Assistant  
Secretaries, and other officials. There  
was a long discussion upon the Supernumer-  
ary Fund, in which Revs. J. S. Phinney,  
Dr. Pickard, Dr. Stewart, W. Dobson, J.  
Shenton, J. Read, T. Marshall, J. Bur-  
wash, J. R. Narraway, A. M., H. Daniel,  
and others, took part. It was resolved to  
give greater attention to this Fund. There  
was a long discussion about the Book Room  
affairs, and the printing of minutes. A  
motion was passed to allow the Secretary  
to get the minutes printed wherever it  
could be done the cheapest and best. A  
further conversation of Book Rooms was  
left over till the Rev. S. F. Huestis came.  
The name of the Rev. J. T. Buxendale was  
reported as having left our ministry during  
the past year.

AFTERNOON SESSION.  
Conference opened in the usual form.  
Rev. J. S. Phinney, ex-President, resigned  
his position as a member of the General  
Conference. Resignation was accepted.  
A long discussion ensued relative to the  
legality of any election that might be made.  
Dr. Stewart was elected by a very large  
majority to fill the vacancy.  
Dr. Pope moved and Rev. R. Narraway  
seconded a resolution to be sent to the ad-  
journed Conference, relative to the omis-  
sion of any reference to the restrictive rules  
in the basis of the Union. Several brethren  
spoke in favor of it. It was carried unani-  
mously. Rev. S. F. Huestis, Book Steward,  
was asked to take a seat on the platform.  
He made a few remarks, but reserved a full  
statement till afterwards. Dr. Inch was  
introduced to the Conference and promised  
to speak afterwards. Rev. J. R. Borden,  
Nova Scotia Conference, was introduced  
and made a short speech. Thanks were  
voted to the President for his impartial  
conduct in the Chair during the debate on  
the Basis of Union. After this the Con-  
ference united to sing the Doxology. On  
the suggestion of Rev. D. D. Currie, as  
this was the sixteenth anniversary of the  
formation of the Dominion, the Conference  
very heartily sang "God Save the Queen."  
After this a good deal of routine business  
was disposed of.

The Montreal papers say that no reliable  
information can be gleaned about the new  
international cables which, it is said,  
Alderman Hadley, of London, has in pro-  
gress. The existing land telegraph line  
managers are without any knowledge what-  
ever as to the projected enterprise.

The Quebec Grand Lodge of Freemasons  
sent a remonstrance to the Grand Lodge  
of England ainst any more charters  
from the latter body being issued for the  
establishment of new lodges in Montreal.

The comparatively unknown country  
between Lake St. John and Hudson bay is  
to be surveyed at the joint expense of the  
Dominion and Quebec Governments.

The German town of Custin, at the  
junction of the rivers Wartha and Oder,  
is to be converted into a first-class fortress.
