Golden Wedding Anniversary Observed By Victoria Couple

Mr. and Mrs. William W. Lea are seen above at a reception at their home in Victoria on the occasion of their 50th wedding anniversary on Wednesday.

A life long resident of the district, Mr. Lea was one of the Island's most prominent farmers until semi-retirement two years ago when, with Mrs. Lea, they moved to the village, leaving the farm in charge of their only son, Allison.

Mrs. Lea was the former Alice Woodside of Clinton, where they were married on July 25th, 1906. Present among the many friends and relatives who called at the home Wednesday was Mrs. Lea's sister Pearl, Mrs. J.B. Lowther of Melfort, Sask. who came home to be present at the anniversary, and who brought with her the top layer from the wedding cake from the Mrs. Stewart MacPhail, observed in Toronto 11 years ago. This portion of the cake is seen in the centre of the table in the photo above.

Present also for the anniversary on Wednesday was Mr. Lea's only sister, Cottie, Mrs. James Henderson of Bedeque. Among those who called at the home during the anniversary observance were Hon. A.W. Matheson, Premier of P.E.I. and Mr. Fred Large, M.L.A.

One of the visitors also welcomed by Mr. and Mrs. Lea, was Dr. N.R. Bovyer of Crapaud, their life long physician until his retirement from practice a few years ago.

Throughout the afternoon and evening large numbers of friends and relatives called at the home during the anniversary to extend best wishes to the esteemed couple. Presiding at the reception was Mrs. Lea's sister, Mrs. Brenton Lowther of Melfort, Sask., while presiding over the tea cups during the afternoon and evening were Mrs. Edna Faxon, of Lee, Mass., Mrs. Lorne Lea of Concord, N.H. and Mrs. Justin Woodside. Serving and replenishing were Mrs. Donald MacLeod, Mrs. Hillard Woodside, Miss Jean Boswell, Miss Ruth Boswell, Mrs. Waldron Woodside, Mrs. Everett Rogerson, Mrs. George Goodrich, Mrs. Irving Toombs, Mrs. John Rogerson. Ushering were Mrs. Frank Myers and Mrs. Alan Stewart.

Mrs. Herbert Profitt assisted in receiving at the door and Mrs. E.H. Wright was in charge of the guest book.

Carleton Siding Red Cross Tests

A Beach Picnic was a happy ending to a very successful Red Cross Swimming and Water Safety Course conducted by Miss Katherine MacDonald, at Carleton Siding

The Carleton Red Cross Swimming and Water Safety Committee under the leadership of the chairman, Mrs. Arthur MacMicken made all the arrangements for this aquatic educational Summer Course.

Mr. Paul Cudmore, Red Cross Field Supervisor, administered both Red Cross and Royal Life Saving Society tests.

Seventeen successful candidates received awards:

Beginners: Ralph Murray, Donnie MacWilliams, Joan Sutherland, Brenda Quigley, Ronnie Howatt, Charles Lowther.

Juniors: Barbara Bernard, Margaret Cairns, Elizabeth MacCaull, Arlene Sturdy, Diane Sturdy.

Intermediates: Lloyd MacCallum.

Seniors: Austin MacLellan and Earl MacWilliams.

Royal Life Saving Society Intermediate Certificate: Everett Stewart, Marylyn Sutherland, Barry Stewart.

ALBERTON

Mr. and Mrs. Edward Warren, Lynn, Mass. are guests of their nephew and niece, Mr. and Mrs. Myrl Matthews, Alberton South.

Miss Beverly Wells, Halifax, is a guest of her cousin, Miss Anne Profit, Alberton.

Mrs. Lester Campbell, her daughters, Leslie and Carolyn, and her mother, Mrs. Helena Smith of Needham, Mass. are visiting relatives in Alberton.

Mr. Victor Ried, Trenton, N.S. is visiting Mr. and Mrs. Silas Matthews, Alberton South, and other relatives in this vicinity.

Mr. and Mrs. Fred Sellick, Mr. and Mrs. Charles Sellick and their daughter of Hanover, Maine, were recent guests of Mr. and Mrs. Myrl Matthews, Alberton South.

Mr. Benj. McGrath and Mr. Victor Alders of Halifax are guests at the home of Mr. and Mrs. C.R. Profit, Alberton.

Mr. G.M. Donald and Miss Clara Donald, Alberton are spending a few days with Dr. and Mrs. Stanley Donald of Moncton at their summer home in Stanhope.

Expect Record Crowd Sunday At Program On Lennox Island

A record crowd is anticipated at Lennox Island next Sunday, July 29, where the annual celebration of St. Anne's Sunday will be observed, with Solemn High Mass at 11.00 a.m. on the beautiful grounds surrounding the Shrine.

Gaiety will prevail during much of the day with a ball game, speed boat racing and other types of funfare scheduled, with a band in attendance to provide a musical background. New features this year include a wigwam made of birch bark, the chief regally enrobed in full Indian dress and a display of Indian handicrafts and souvenirs which include bows and arrows, tomahawks, and fancy baskets.

Also there will be free parking this year near the Port Hill wharf. Other attractions at the Mic Mac Indian reservation next Sunday are the barbecue chicken of which the preparation will be supervised by representatives of the Department of Agriculture, sea foods including lobsters, clams and quahaughs and a refreshment booth.

The boat trip across to the island is always an enjoyable feature of the visit and this year 20 or more boats will ply constantly back and forth so that there will be no waiting to cross. The largest crowd ever thronged to St. Anne's Sunday last year but this year's corwd is expected to be even larger, baring interference from the weather.

Independents Gain 1st Win On Gil Williams One-Hitter

Veteran Gil Williams threw a one-hitter at the Red Sox ltsa evening at Queen Elizabeth ball park to lead the Independents to their first victory of the season.

The only hit off Williams was a double by Red Sox short stop Donnie Gillsi. Gil struck out 3, walked 3, and hti one batter.

Eddie Boates started on the hill for the Red Sox but was relieved after one and two thirds innings by J. White who finished the game. Boates gave up 2 hits, walked 3 and had no strikeouts to his credit. White allowed 4 hits, struck out 1 and walked 1. Each pitcher hit one batter.

Mark Delaney and Little poled out doubles for the Independents, with singles going to D. Roberts, Wickstromm, Callaghan and Williams.

The Red Sox kicked in with 6 miscues while th3 Independents errored 5 times. One double play was engineered by the Red Sox miscues while th3 Independents out at second and throwing to Gord Grady at first.

Several of the players were late in arriving at the diamond and a couple of fans were called upon to fill the gaps in order to get the game started causing quite a delay.

Hebron Red Cross Water Safety Tests

Five Groups of swimmers in Hebron participated in Red Cross Water Safety tests on Tuesday, July 17th. This Course was organized by the local Red Cross Water Safety Committee under the chairmanship of Mrs. Dermont MacLean.

Miss Eileen Sutherland commenced the instruction in this community on July 3rd. Miss Joan Murphy, Red Cross Field Supervisor, tested the candidates in swimming and life saving. The following members who fulfilled all the requirements received the appropriate Red Cross and Royal Life Saving Society awards:

Beginners: Judy MacLean, Flora MacKinnon.

Juniors: Sandra Clements.

Intermediates: Fraser Wane MacKinnon, Clifford MacNevin, Gerald MacIsaac, Leon MacWilliams, Jackie Clements, Sally Clements.

Seniors: Charlotte MacLean, Erma MacIsaac, Morag MacIsaac.

Royal Life Saving Society Bronze Medallion: Mary MacDonald and James Smallman.

Lobster Carnival Was Big Financial Success, Is Report

A meeting of the Summerside Lobster Carnival committee held last night in the library of the Summerside High School heard reports from the various committees and from representatives of the six service clubs which took part in and were mainly responsible for the success of the carnival.

The treasurer's report showed that a profit of $6,600.00 had been realized out of which approximately $2,900.00 will be rebated to the service clubs to liquidate the amount paid in by the clubs as a temporary loan to get the carnival started.

Of the net balance, the sum of $3,000.00 is to be set aside as a fund to get the carnival started again next year.

It was reported that although most of the expenses were in there were still some outstanding and the committee which took charge of this year's show will carry on and clean up all the outstanding details and make a final report at a fall meeting to be held on September 27th. The matter of rental for the use of the Stadium is to be handled by a committee which will meet with the Town Council and arrive at an amount suitable to the members of the council.

Mr. H.T. Holman complimented ed the committee on the manner in which the show had been conducted throughout. He expressed his opinion that while the carnival did not really benefit the merchants as far as increased sales went, that the picture could change in another year. He said that in any event his firm would certainly support the movement if it was to be held again next year.

Mr. Ross MacKenzie of MacKenzie's House of Fashions said that he felt that there was a definite increase in sales from the tourist trade. He said he felt that many of the farmers were busy during the fine weather of the carnival which would account for the fact that the sales to residents were not as high as might be expected.

Reporting for the R. C. A.F. Station, Flying Officer Don East said that when next year's carnival came around that the commanding officer of the station had made the suggestion that, if permission could be obtained, that Air Force Day might be made to coincide with the carnival dates and one of the days be made Air Force Day.

The meeting recommended for the consideration of the incoming committee that Mr. Charles Hogan be appointed as director of next year's carnival and that Miss Eileen Weeks be again appointed as secretary.

It was agreed by the meeting that next year the carnival will be held on the same dates as this year. It was pointed out that this date does not conflict with other attractions and that it comes during the peak of the tourist season.

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both— Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)— For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain. Thousands have been relieved—without resort to surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®)—the discovery of a famous scientific institute. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository* or *ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

ATTENTION

Regular Monthly Party, Kensington Legion Home, Friday, July 27th. 8:30 P. M. All Legion members, veterans and wives welcome. Guest couples permitted. Refreshments served.

CARD CURRENCY

The first paper money to appear when Canada was a French colony was cut-up playing cards, issued in 1686.

Maryland And Summerside Exchange Pulpits

The Rev. Keith T. Postelthwaite, TH. M., minister of Eastminster Presbyterian Church, Bladensburg, Maryland, a suburb of Washington, D.C. will be guest preacher at the July 29th and August 5th services of the Summerside Presbyterian Church. During these two Sundays the Rev. J. Donald MacKay will be taking the services for Rev. Mr. Postelthwaite in Eastminster Church.

The Rev. Mr. Postelthwaite, a native of Melville, Kentucky is a graduate of Maryville College and holds post graduat- degrees from McCormick Theological Seminary University of Chicago, and from Princeton Seminary, Princeton University. He has served the Presbyterian Church in South Pittsburg, Tennessee, Birmingham, Alabama, Ocean City on the east coast of Maryland. He has ministered to the Eastminster Congregation since 1952. During the war he served for four years with the American Army as a chaplain.

The Rev. Mr. Postelthwaite is married and has two daughters. Both are graduated in Christian education from Princeton Seminary, and are serving the American Presbyterian Church in this important field.

This week the American clergyman, an ardent fisherman, is in Nova Scotia, with the hopes of catching a tuna. He considers the tuna a real fish. During his stay on Prince Edward Island he plans to try some of the fishing spots, as he has been told that it is a fisherman's paradise.

Piusville Man Severely Injured Loading Hogs

Leo Gallant of Piusville, who suffered compound fractures of both legs and other injuries in an accident on Wednesday morning was described last night as resting quite comfortably."

Mr. Gallant was severely injured while engaged in loading logs on a truck, when part of the load slipped and rolled off the truck while he was attempting to bind the logs in position. Fortunately the first log knocked Mr. Gallant backwards far enough from the truck to prevent the succeeding logs from falling on his head, although several fell on his legs and

After some delay an ambulance rushed him to Prince County Hospital where he spent a fairly comfortable day yesterday.

KENSINGTON

Fri.-Sat. 7:15-9:15; Matinee Sat. 2:30. A story of fast cars, reckless women and sudden danger, and a guy who loved all three. Tony Curtis, Piper Laurie, Don Taylor in car-racing drama—

"JOHNNY DARK"

In Technicolor.

Bank drawing Friday worth possible $100.00.

EIGHT ARE DEAD

(Continued from page 1)

gold miner en route to visit relatives in Europe . . . people from Nanaimo, B.C., to Montreal.

CLAMBER TO BOATS

In the frenzied hours—in the dark and in the fog—frightened passengers clambered down nets or rope ladders to be hauled into lifeboats rushed to the doomed vessel's side.

"We picked up about 760 persons, many half-naked, some injured, some mourning the dead," messaged Capt. Raoul de Beaudean, master of the French luxury liner Ile de France, one of a huge armada of mercy ships.

"Horrible . . . " his message said. "Altogether it was like being back in the war."

It was 11:20 p.m., on a calm but fog-shrouded sea, when the multi-million-dollar Andrea Doria, new queen of the Italian passenger fleet, collided with the Swedish liner.

Many of the passengers were asleep when the loud, quaking impact came.

HULL SMASHED

A Niagara of water poured into the gaping starboard hull of the Doria.

She gradually turned on her side, until waves washed the deck. The entire bow of the Stockholm was smashed.

Desperate S O S alarms began crackling over the airwaves.

Then, in one of the masterful and inspiring ventures in the history of seafaring, a great flotilla of rescue ships raced to the scene, launching their lifeboats to pick up the desperate, fearful throng of humanity.

"I gave an intense mental prayer for a clearing of the fog," said the message from Capt. de Beaudean. "In truth the fog did start lifting and there was the Doria, quickly identifiable by her stern list."

Six other mercy ships, and a swarm of coast guard cutters, converged on the spot and turned it into a gigantic, Dunkerque-like rescue tableau.

Men, women and children scrambled down the sharply tilting ship's side.

BOATS OVERTURN

Some lifeboats overturned, and doused survivors were dragged into other boats asthe enormous task went on in darkness and morning haze.

Helicopters picked up five of the seriously injured and flew them to hospitals in Boston. One was a three-year-old Italian girl.

Cause of the violent collision is a mystery. The Doria carried modern radar equipment which would enable it to discern another ship miles away, no matter how bad the visibility.

The smash tore a 40-foot-wide hole in the big liner's starboard side, penetrating a third of the way through the beam, or breadth of the ship. The Andrea Doria heeled over. Startled passengers rushed to upper decks.

The ship was listing so badly that it could not lower its own lifeboats. Nets, ropes and other devices were strung down the port side.

REMAIN ON BOARD

For hours after the 1,134 passengers and most of the 575-man crew had left the Andrea Doria, its veteran skipper, Capt. Piero Calamai and a handful of officers remained aboard, fighting in the tradition of the sea to save their ship.

For a time, emergency pumps seemed to be keeping up with the inrushing tide of water—and at one point the increasing list of the ship was halted. But then it became a losing
