STILL LEAVING THAT WAY.—The iron gate post on Market street at entrance to rear of Post Office.

NEW CORSETS just received in best quality and medium priced goods.—W. A. Weeks & Co's new store.

THE WET SPELL.—The prolonged rainy season is doing much damage to the hay in swath it is feared.

SWEDEN KILLED.—Four Swedes were killed last week near Schreiber by their hand car being run into by a Canadian Pacific train.

WHILE some remedies are harsh and drastic in their action, all admit that Everybody's Pills are mild, safe and certain.

A PRECAUTION.—Owing to the prevalence of cholera in France, the importation of rags from that country into Canada is prohibited.

CHEAPEST YET.—Read Mr Theo L Chapelle's advertisement in to-day's issue. The Diamond Bookstore seems determined to excel in low prices.

THE CIRCUS.—The steamer M. A. Starr has been chartered to bring over the circus which is announced to exhibit here on Wednesday and Thursday.

CATCH 'EM ALIVE FLY PAPER.—That good kind. Ten gross received to-day. For sale wholesale and retail at Apothecaries Hall, Desbriens's Corner, August 15.

A SUCCESSFUL ISLANDER ABOARD.—It is said that Peter Carroll, who arrested the fugitive "Jim" on Friday last, brought to this Province. He will participate in the \$750 reward.

POSTPONED.—The auction sale of the Watson property, on Queen Street, is postponed on account of the rain until Thursday next, at the same hour and place.

NOTICE TO FIREMEN.—All members of the Charlottetown Fire Department are requested to meet in the Engine Hall, City Building, this (Monday) evening, to receive the report of the Tournament Committee.

NOT TRUE.—There was absolutely no foundation for the rumor that the Blake went ashore when leaving the harbor on Saturday last. David Small, harbor master, says that she only stopped outside to put off the pilot, and that gave rise to the report.

DROWNED.—A few days ago an eight-year-old lad named Spencer, son of Mr. G. Spencer, of Hopewell, Albert County, N. B., was drowned while playing on some mud bank that place. His body was recovered a short time after the accident.

TAKEN TOLERALLY.—She: D's humorists often make jokes at their own expense? Celebrated Humorist.—The first two or three thousand are at their own expense. After that they get paid for them or give it up.—Judge.

DANGEROUS.—Oyster Bed Bridge, Rustico, is in a most dilapidated condition. It is with difficulty teams pass over it in day time, and of imminent peril to those who attempt it after nightfall. The W. W. should attend to the matter at once and prevent suits for damages.

HALIFAX LADIES' COLLEGE.—The appointment of Miss Margaret Stewart Ker to the important position of principal of the Halifax Ladies' college will be learned with pleasure by the patrons of that institution. Miss Ker is a distinguished graduate of Girton College, Cambridge, England.

ACCIDENT.—When the Blake sailed out of the harbor, on Saturday last, she had the pilot boat in tow. In the boat was William Taylor, the pilot's brother. Outside the harbor the boat was swamped and William went over into the angry sea. The Blake was stopped at once and Taylor was picked up very little the worse for his accident. The boat was lost.

CAME WITH THE RAIN.—A small turtle, about three inches long, has been found by a citizen named Ward who lives in Gaytown. He accounts for the appearance of the creature in his yard by saying that it came down during the rain storm. Yesterday numbers of grasshoppers were to be seen on some of the wharves, while the irremissible potato bug was promulgating on nearly every sidewalk in the town.

SAD DROWNING AFFAIR.—Stephen McDonald, postmaster of Tracadie-Cross, and Joseph Campbell, a young man, son of Donald Campbell of Tracadie, were drowned on Friday evening when returning in their boat from the fishing grounds. The day had been very rough and there was a big sea on. In crossing the bar the boat came to grief and upset. A man named Paul, who was also an occupant of the boat, managed to cling to the capsize craft for a couple of hours, but his companions were drowned. The settlement of Tracadie is profoundly stirred over the accident.

A VALUABLE RECIPE.—A German doctor has started a theory that most drunkards can be cured by a very simple and pleasant course of treatment, namely, by eating apples at every meal. Apples, Dr. Toppie's maintains, if eaten in large quantities, possess properties which entirely go away with the craving that all confirmed drunkards have for drink. The doctor says that in many bad cases which have come under his notice he has been able to effect a cure by this means, the patient gradually losing all his desire for alcohol.

A MAN MISSING.—Mr. Francis Fleming of Boston, who has been on a visit to his brother, Mr. Jas Fleming of 63 Erin street, has been missing since the 1st inst., and his relatives are getting anxious about him. On the 27th ult. he went out to a farm he owns on the old Litch Linn road, about six miles from the city, and he was seen there on the 1st inst., but not since. He is about 34 years old, a tall, thin man of dark complexion, wearing a moustache and dressed in a dark tweed suit with soft felt hat. He has been in very delicate health and the fear is that he lost his way in the woods and perished through exhaustion.

ENJOYED HIMSELF.—F. P. Meikle, the well-known athlete, arrived in town Thursday from Charlottetown, P. E. I., after taking in the gathering of the Clans on Wednesday. Mr. Meikle had no practice or training, but as usual gave a good account of himself. He was first for putting the shot with a beautiful throw of forty-four feet, ten inches, and was not near his best by what he showed after the competition and was warmly applauded, as with no training he is one of the greatest shot patters living to-day. Mr. Meikle won first for the heavy hammer and was also one of the men selected by the Calceon Club to pull on the tug-of-war against the team from H. M. S. Blake. The club team won. Mr. Meikle got a great reception from the Charlottetown boys.—N. G. Enterprise.

TELEGRAPHIC NEWS.

THE CANAL TOLLS.

The Question Settled.

MONTREAL, Aug. 15. At a Cabinet Council held on Saturday the Canal Tolls question was discussed and settled. It is understood that in pursuance of the views of the gov't as to the temporary character of the existing order in council respecting canal tolls, and of its future policy, the termination of rebate system will be fixed at the end of the present session, and that to prevent the continuance of feeling which appears to prevail in the U. S. on the subject an assurance to that effect will be given to the Washington gov't. The numerous contracts and engagements which have been entered into for present season under existing regulations render it practically impossible to make any earlier change in consequence of injury which would be caused to companies and individuals in the performance of their obligations. Mr. Tupper states that a conference between the Canadian and American governments will be held during the coming winter.

Anti-English Feeling in Russia.

SIMLA, Aug. 15. A sign of anti-English feeling in Russia is that all Hindoos have been ordered to quit Turkestan within six months. Many bankers and traders who have been settled for generations in Bokhara, Samarkand and elsewhere will be thus virtually ruined.

Sudden Deaths.

MONTREAL, Aug. 15. Joseph Davison took a fit on Caning Street crossing of the Grand Trunk Railway and his head was cut off by a passing train. Mr. Pringle, shirt maker, was found dead in his doorway yesterday. He was probably the victim of foul play.

Massing Russian Troops.

ODESSA, Aug. 15. A despatch says Russian troops are being rapidly moved from Turkestan to the Afghan frontier. Intriguers against the Afghan throne are being liberally supplied from the Russian treasury.

The Canadian Fisheries.

HALIFAX, Aug. 15. The weather has been very rough in Cape Breton, P. E. Island and Que-bec, consequently little fishing has been done.

Weather Bulletin.

TORONTO, Aug. 15.—10 a. m. Partly fair and warmer with some local showers.

QUEBEC LEGISLATURE.—The provincial government has decided to call the legislature together early in September. The session will in all probability be much more stormy than last, principally on account of measures of taxation which have created such universal discontent all over the province.

No smoker who has ever used the Myrtle Navy tobacco for, say a month, ever relinquishes it for any other brand. Its flavor is rich and full, and it never burns the tongue or parches the palate. It is, in fact, the ne plus ultra of smoking tobacco.

FAILED.—The Carotte Company of Halifax has had a short life, and not a very merry one either. A meeting of the shareholders was held in Halifax on Friday last, at which the directors made their report wherein they admitted the total failure of the enterprise as a financial venture. Of the subscribed stock \$19,920 had been fully paid up; \$380 had been received in partial payments, and \$4,960 was wholly unpaid. The net earnings of the corporation were only \$1,075, while the unpaid bills aggregate about \$4,000. Of a \$1,253 feed account \$859 is unpaid, and the other accounts are in proportion.

GRATIFYING TO ALL.—The high position attained and the universal acceptance and approval of the pleasant liquid fruit remedy, Syrup of Figs, as the most excellent laxative known, illustrates the value of the qualities on which its success is based, and are abundantly gratifying to the California Fig Syrup Company.

DR. GILPIN'S WILL.—An American despatch to the Halifax Herald says: "The late Dr. Gilpin, of this town, left an estate amounting to upwards of \$60,000 to his sister, Mrs. Giffrey, also of this place. His heirs-at-law, children of his son, the late William S. Gilpin, take no-hing under this will. A petition has been filed in the probate court by Mary Gilpin, widow of the above mentioned William S. Gilpin, on behalf of the heirs-at-law, praying that the executor be required to prove the will in solemn form, and that the same be set aside. A number of grounds are raised in the petition. Mr. Ritchie, Q. C., has been retained on behalf of the infant children of William S. Gilpin, and it is altogether likely a long and bitter fight in the courts will follow."

Bound to bring trade if low prices will do it. Think of it. Prowse Bros. will for 15 days give a special discount of 20 per cent of their wonderful low prices on children's clothing. Now is the time to buy when you can buy less than manufacturers' prices.
