

THE EXAMINER has been published daily little more than a month. Yet it has, we believe, already obtained a firm hold upon the public mind.

We solicit the continued patronage of the public in order that the EXAMINER may be improved, enlarged, and made, in every way, worthy of the Province.

LESSONS.

WE do trust that the fire fever which has raged during the past week may be productive of more good than the mere inducement to open our hearts in sympathy with the houseless and foodless people of St. John.

To obtain an adequate supply of water is, of course, a matter of great importance. But time is required. Meanwhile, the most should be made of the water we have.

Another lesson the St. John fire has taught us is the propriety of organizing a "Union Protection Company," like that of Halifax.

Individual and general vigilance is one of the lessons we are now learning. His Honor the Stipendiary Magistrate is much to be commended for his activity and promptitude in setting additional watchmen.

CANADA FIRE & MARINE.—We learn that the losses of the Canada Fire & Marine Insurance Company by the St. John fire amount to \$40,000, and that they will pay up promptly in cash.

SUMMERSIDE TO THE FRONT.

WE learn, with pleasure, that Summerside by voluntary subscription raised and placed in the Merchants' Bank of Halifax there yesterday, \$1500 for the relief of the sufferers by the St. John fire.

A car-load of provisions from Alberton and one from the County Line and Crapaud arrived at Summerside yesterday and will be forwarded by steamer to-morrow.

ST. DUNSTON'S COLLEGE.

The examination of the pupils attending this fine institution took place in the Study Hall, yesterday, at 2 o'clock. It was attended by a large number of clergymen, a great many friends of the institution, and a number of the pupils' parents.

When the examination of the different branches was brought to a close, the Rev. Dr. McDonald distributed a large number of prizes to the most successful students.

SUPREME COURT.

TRINITY Term of the Supreme Court opened in Charlottetown yesterday—the Chief Justice and Judge Peters and Judge Hensley presiding.

Owen Connolly (foreman), Ewen C. McLean, Belfast; George R. Beer, Francis Malone, Lot 29; Henry A. Harvie, Alex. McMillan, Covehead; George Davies, William McNeill, Lot 23, Artemas Lord, Patrick R. Bowers, David McEwen, West River; Alex. Brown, George Howatt, Crapaud; Donald McKenzie, Charles Hazard, Bellevue; John A. McDonnell, George R. Garrett, Stanley Bridge; Alex. B. Stewart, Wm. Inman, Crapaud; Neill Currie, West River, Hugh Montgomery, New London.

In the afternoon the Grand Jury visited Queen's County Jail. The prisoners number about fifty—forty criminals and offenders and ten debtors. The jail is clean and in good order, but some of the cells are very badly ventilated.

The criminal calendar is light. There are but three cases for larceny. Donald A. McLellan v Peter W. Hyndman and another—sworn off until next term.

Heard v Union Bank. A special jury has been ordered in this case.

A TREACHEROUS BLOW—PUNISHED.

On the arrival of the Carroll last night a large crowd gathered on the wharf. A rough looking character appeared in the crowd, and made himself obnoxious by given a bystander a blow under the ear, which completely lowered him to the ground.

More Money for Saint John Sufferers.

Meeting at Summerside.

HANDSOME SUBSCRIPTIONS.

Special Correspondent of the Examiner.

MONDAY, June 25, 1877.

On Saturday evening a meeting was held at Montgomery's Hall, for the purpose of ascertaining what amount of money could be realized in this town for the unfortunate people of St. John who were made sufferers by the late terrible conflagration in that city.

The following resolution was moved by Thomas Kelly, seconded by D. Rogers, and passed unanimously:—

"Whereas, The people of Summerside have learned that the greater portion of the city of St. John has been laid in ashes and many valuable lives sacrificed in the awful conflagration which has devastated that city, and deeply deploring the suffering and ruin occasioned thereby, this meeting hereby extends its sympathy and condolence with the numerous victims of that terrible calamity."

It was then moved, seconded and passed, that a subscription list be opened immediately, and also that a committee of thirteen be appointed for the purpose of canvassing the town for said subscriptions.

The committee appointed is composed of the following gentlemen:—

I. L. Steves, R. T. Holman, R. McStavert, Stephen McNeill, David Montgomery, D. Rogers, John Lefurgey, Angus McMillan, Thomas Kelly, John R. Calhoun, A. L. Graves, John Gaffney and John F. Baker, Esquires.

Stephen McNeill, Esq., Agent Merchants' Bank of Halifax, Treasurer.

A subscription list was then opened, and the following gentlemen came forward and subscribed the amounts opposite their respective names:—

The fire in St. John has cast a gloom over the whole community. Here and there along Water Street small groups of people can be seen, talking over the fearful accidents, the infernal fiendish incendiaries, and all the incidents generally that are connected with a fire such as the city of St. John has lately had the misfortune to experience. The heart of every man in this town has been touched.
