

**New Discovery for CORNS**

Stop their hurting in one minute; starts healing at once. Gets at the cause of corns. Only treatment of its kind.

Be done with harsh and unsatisfactory methods of treating corns. The safe, scientific way has at last been found.

Dr. Wm. M. Scholl, the eminent foot specialist, developed it. Zino-pads—his new discovery—not only stop pain the minute applied but they protect against irritation and pressure, the real cause of corns. True healing begins immediately.

Dr. Scholl's Zino-pads are thin, antiseptic, waterproof. Easy to apply; absolutely safe! Special sizes for callouses and bunions. Try them. At your druggist's or shoe dealer's.

Put one on—the pain is gone!

**So Writes Mrs. Lemery Regarding Lydia E. Pinkham's Vegetable Compound**

Brockville, Ontario.—"I took Lydia E. Pinkham's Vegetable Compound for weakness and female disorders. I was so weak at times that I could not stand up. I had been this way for nearly three years and the different medicines I had taken had not done me any good. I found out that little books in my door one day and thought I would give it a trial. I am now on my fifth bottle and it is wonderful the way it has helped me. I am feeling much better, have no weak spells and can do all my work now. I am recommending your Vegetable Compound to all I know and you can use my testimonial to help other women."

Mrs. CASEY LEMERY 176 Abbott St., Brockville, Ontario.

Lydia E. Pinkham's Vegetable Compound is a medicine for women's ailments and has a record of nearly fifty years behind it.

**John R. Vanarnam's Minstrels**

John R. Vanarnam's Minstrels will appear at the Prince Edward Theatre, Friday and Saturday June 30th and July 1st and will carry what is conceded the best array of high class vaudeville ever carried by any show of similar kind. The feature headline act is OLIN LANDICK in one of the most surprising acts of its kind in the show world; then come SEARS & GIBLIN and JOHNSON, the three musical rubes. These boys play on everything from a hand-saw to a sweet potato. This act is a real novelty. Next we have BILL CONKLING, the original gloom chaser, who will tell you his troubles and make you forget your own troubles. EDIE BOLTON is next on the list, billed as a grotesque comique in the make-up of a clown. Bolton does some of the most wonderful hand balancing up-side down ever seen on any stage. Next we have JACK DUNCAN, a real honest-to-goodness cowboy known in the show world as the "Roping Ace." Jack will entertain you with his educated ropes in a most delightful manner. Last, but not least, we present THE FLYING ROMAN in their original act, the spice of life, the vaudeville carried by VANARNAM'S MINSTRELS is the spice of the show business. **Gold Bond Flour On Trial**

Many of the ladies of the city and surrounding country have been baking GOLD BOND FLOUR for the past month practicing for the final decision as to who among them are the truest bread bakers.

That decision will be handed out by the judges of the bread that will be handed in for competition on WEDNESDAY, JUNE 28, at the Market Building where the competition will take place.

We are led to believe that the entries will be numerous and we would advise that all those competing have their exhibits on the WEDNESDAY MORNING as it will be necessary to close the entry list at TEN O'CLOCK in order to allow the judges to do their work.

The management will be in the hands of Mr. Robson who will be assisted by his secretary, and Councillor Smith will act as special observer over the whole proceedings, in the interest of the exhibitors and in order to assure an honest and fair chance to all who are competing.

After the judges have completed their work and given their decision and the prizes have been awarded, the building will be thrown open to the public for their inspection and all exhibits will be retained until the morning of THURSDAY, the 29th when they may be taken away.

All exhibits left after twelve o'clock (noon) on Thursday will be given to the charitable institutions of the city.

We wish to extend a hearty invitation to every woman or girl to compete in the contest and also to every citizen of the city or country to come and inspect the exhibits after the prizes have been awarded.

No admission charge will be made either for competition or for inspection, everybody is welcome and all are invited.

We would also advise the ladies to get into practice for the great CAKE CONTEST which we hope to put on in the near future.

**IN MEMORIAM**

**MR. ANDREW CLAREY**

After a period of illness Mr. Andrew Clarey of Sturgis, passed away on Friday evening June 26, 1922. He was 46 years of age and leaves to mourn their loss three brothers and three children; also a large number of friends. The funeral was held at St. James' Church, Sturgis, on Saturday, June 27, 1922, at 10 o'clock a. m. The service was conducted by Pastor James Neilson.

**MRS. JAMES NICHOLSON**

In the death of Mrs. James Nicholson, who passed away May 28th, 1922, in the 74th year of her age, Rose Valley is aware of a distinguished loss. Being one of its oldest citizens, few people have done more for the welfare and good of that community than she. With her husband, James Nicholson, who preceded her five years, she came to Rose Valley when that place was in its very beginning. Patiently and diligently they worked together until they established a comfortable home for and wide for its kindness and hospitality. Not difficult to find a couple who had a greater capacity for making friends than Mr. and Mrs. Nicholson.

It has been said, that we estimate the value of Christian lives by the moral standards. First, the purity and dignity of their Christian character for good and hospitable. Not for good and hospitable. Not for good and hospitable. Not for good and hospitable.

**THE SCHOOL DEPT.**

**Make Play of Your Work.**

Selected by Daniel J. Shaw.

The end of June is eagerly looked forward to by all attending school. With examinations over the boys and girls pack their books away and turn their attention to other things. Those old enough are usually required to assist with light work about the farm and home. This work, provided it is for any boy or girl, it tends to develop responsibility and initiative which are two things essential in the development of a strong character. The task assigned should be done cheerfully. Did you ever notice how much easier the work is when done at heartily in the stead of with a grudge? The mind reacts on the body. If one can only transform the work into a sort of game it will be accomplished much easier. When having the garden, doing extra well are given special attention so that selections may be made for the full fair, and girl should not be an exhibit. When cutting shingles in the woods, pick out an extra good part and save to make a sheaf for the fair. If poultry is your special care, look after them so as to develop prize winners. The same applies to the boys whose duties it is to tend the calves and colts. Look after them as if each was a show animal, and then pick the best for the fair. If there is some objection to one, see reasons for doing so. In a certain way it is a community, a practical, helpful and generous friend. To do anything as if one is making an uninteresting like justice to her memory would task of it.
